

## Obama in Israel: Beware the Leopard!

Several of my subscribers have asked me to comment on President Barack Obama's visit to Israel this week. Is he imitating Jesus by going to Jerusalem just before Palm Sunday? Or is he going to play out the role of the Antichrist by getting some kind of a peace treaty between Israel and her Arab neighbors. In my opinion, he is there for two reasons, if any of his past activity is any indication: number 1, he wants photo opportunities. Now, he is no different than any other American politician in that regard. His second reason is far more sinister: he wants to bring down another Middle Eastern leader. Mr Netanyahu, beware of the Leopard!

However, I believe the only thing he will really succeed in doing, is further provoking the Russians, because that is his destiny in Bible prophecy in Daniel 7, Daniel 11 and in Jeremiah 50. Remember Barack Obama is not a man of peace; he is a man of war. Daniel 7, verse number 6: ***'After this I beheld, and lo another, like a leopard, which had upon its back four wings of a fowl, the beast had also four heads; and dominion was given to it.'*** This Leopard is none other than our own Barack Obama. The four heads and the four wings on Daniel's Leopard, symbolize Barack Obama as our 44th President. The Leopard's skin indicates that Barack Obama is of a mixed racial heritage, both black and white. And there's no doubt that dominion has been given to our President of the United States.

Daniel 11, verse 40: ***'And at the time of the end'***, that's the time we are living in now, ***'shall the king of the south'***, the King of the South is Barack Obama, because his forebears came from Kenya, which is due south of Jerusalem, ***'push at him'***, that is he's going to provoke the King of the North, who is Putin, ***'and the king of the north shall come against him'***, that is Putin, will come against Obama, ***'like a whirlwind with chariots, and with horsemen, and with many ships, and he shall enter into the countries'***, this is plural, it includes Britain, America and Israel, ***'and shall overflow and pass over.'*** So we see, in this passage that, Barack Obama is a provoker of war. He does not get some kind of peace treaty on this trip to Israel. Don't forget what Jesus said what would be the start of sorrows, and that would be, ***'wars and rumors of war'***. He never mentions some kind of a peace treaty with the Antichrist in Israel.

Jeremiah 50 verse 41. ***'Behold, a people shall come from the north'***, this is Russia, because Russia is due north of Jerusalem, ***'and a great nation, and many kings shall be raised up from the ends of the earth.'*** Russia will not be alone in its invasion of the United States and the west. There's no doubt Barack Obama is found in Bible prophecy, but he is not the Antichrist. First, he will be defeated by the last King of the North, who is Vladimir Putin, who in turn, will be replaced by the Antichrist. Jeremiah 50 verse 43 ***'The king of Babylon'***, now the king of Babylon is Barack Obama, ***'has heard the report of them'***, that is the Russians, and the other kings of the earth, ***'and his hands waxed feeble.'*** Obama will be very surprised at this invasion; ***'anguish took hold of him, and pangs, as of a woman in labor.'***

And so, in conclusion, Barack Obama's mission to Israel is not to bring about even a phony peace treaty, but rather to bring the United States and the world one step closer to all out war.
