

Mary's School of Prophecy

Kim Clement's Amazing Prophecy - Who Will Save America?

This is a very important prophecy and I think what's important about it, is that it's given by a Protestant, but it's about the Blessed Virgin Mary and I don't think he understood it himself, but that's not unusual. George Washington was visited by the Blessed Virgin Mary and was given a very important End Times prophecy for the United States and he just called her a "beautiful woman", which is the exact same term that Kim Clement gives to the Blessed Virgin Mary, but fortunately those of us who are Catholics, we understand when we are talking in prophecy about a beautiful woman, you are more than likely talking about Mary.

And in this prophecy which was given on the Feast of the Annunciation, that would be March 25th, in other words nine months before December 25th in 2011, Kim Clement prophesied about two people, and he never gives their names. One would be a president who will come, and a woman who will come, and the president, from the description, I think it's pretty easy to tell that it's Donald Trump. And really there are more descriptions given about Mary in this prophecy and therefore I think it's pretty easy to determine that, that is who Kim Clement is talking about.

There is a downside of this whole prophecy. Before Mary arrives and comes on the scene, and I'm not sure how that will occur, I don't understand the mechanics of it exactly. Will she appear to everyone or will she appear just to Donald Trump? And will he therefore give a message to the entire country that Mary has appeared to him? I don't know what will happen, but the part that we need to be aware of, is that this happens after pain and mourning and mourning I think it means bloodshed. I don't know how it can be anything else, and of course that fits in with the Book of Revelation where the harlot, which is primarily the United States is burned with fire in one hour by the Scarlet Beast.

First we are going to say a prayer. Mary, the Lady of All Nations is our patroness. so let's pray to Our Lady of all Nations. In the name of the Father, the Son and the Holy Spirit. Amen. Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from degeneration, disaster and war. May the Lady of all Nations, the Blessed Virgin Mary, be our Advocate. Amen.

By the way, did you notice that Mary called herself the Lady of All Nations, plural? She is not a globalist. The globalist theory is found in the Scarlet Beast which will be defeated after it becomes the eighth beast by our Lord, and the scapular is the weapon that He will use to defeat the Scarlet Beast, as also found in Genesis 3:15.

And as I mentioned yesterday, we broke down this prophecy by Kim Clement into 3 chapters and 15 verses, and that breaking down is not in the original if you just listen to it. It all runs one right after the other, but I think if someone else thinks they can do a better job, a better division; I don't think you can. I think 3 and 15 is the way it should be divided, and there are 3 basic chapters. Chapter 1 has to do with the United States and President Trump. The next is an introduction to Mary and the third section is about Mary being accepted.

So I'm going to review these. It's not a long prophecy and we saw this yesterday.

A PRESIDENT WILL COME

1 There is a president who will come (2016-17). And God says he will have absolutely no fear, absolutely no fear. Will be decisive, make decisions.

11 For I chose this nation before it was founded, before anybody came here, I chose this entire nation - all 50 states, every one of them, to send my gospel to the entire earth. Do you think I have changed my mind?

In verse number 1: **“There is a president who will come”**. And if it is Donald Trump which I'm sure it is, that would be the years 2016 and 2017. And we will find that there are time markers in this prophecy and that helped me to put these verses in their correct location, through the time markers, and therefore this part which says, “There is a president who will come”, that's the first time marker of all 15 verses.

“And God says he will have absolutely no fear, absolutely no fear. Will be decisive, make decisions.” And of course we saw that today at the March for Life. I think it's pretty gutsy of him to appear in public like that, in front of a large crowd. I mean that would be a nightmare for the Secret Service and I noticed that they had up a screen in front of him. It looked like a large Plexiglas shield, and you could see him through it, but if you look carefully you can see that Plexiglas is probably armoured plate of some kind, but he didn't stay behind it. He walked around.

In fact it was like a MAGA rally. I mean they played the music at the beginning which they always do and they played the same music at the end. In fact I kind of wished they had distributed MAGA hats and had everybody wear MAGA hats. He could have gone on a whole lot longer than he did, but he wanted to keep it short. I wasn't there but I'll tell you right now nobody else was as interesting as he was. Somebody did make an interesting comment though when they said that women for example haven't been given the right to vote, and now we should try to give women the right to be born, not just women but men also. So they've got the right to vote, but not the right to be born, and that's what we're fighting for.

Verse number 11: **“For I chose this nation before it was founded, before anybody came here”**. Now when he says, “anybody came here”, I don't know if he's going back to the original settlers, who think they came over the land bridge from Alaska. They know they were probably people from the Far East. I don't know if he's talking about that or if he's talking about when the Spanish and the English came here in the 1600s. In any event this is God speaking.

“For I chose this nation before was founded, before anybody came here, I chose this entire nation - all 50 states, every one of them”. Notice that he gives four different descriptions for the United States. He doesn't need to do that. He does that to make sure he gets that numerology in there. He wants to say 50 states because that's Mary's Rosary number, the number of Hail Marys in a complete five decade Rosary. I'm kind of repeating myself from yesterday but I hope you don't mind. I love this prophecy. That's one reason I do it.

“Do you think I have changed my mind?” No, the Lord has not changed His mind and that means that the United States is destined to spread the Gospel through the entire earth, and that's exactly what we're doing on this channel. This Gospel is spread to the entire earth. There's not a country in the world that cannot listen to me right now. So let's look at the next three verses.

10 Where they have said, 'we will make history without God.' No you will not. No you will not, says the Lord.

3 God said, they shall say, 'we never dreamed this would happen. They said that this in Japan would never happen'.

12 Therefore, the healing that is necessary for this nation shall come at a time in the **middle of the presidency (2020-21).**

“Where they have said, ‘we will make history without God.’” No you will not, says the Lord.” And **“God said, they shall say, ‘we never dreamed this would happen. They said that this in Japan would never happen’.”**

And I said yesterday I believe this is nuclear war. God says that they will say we never dreamed this could happen. Well very few people in the United States seriously believe that we could be attacked with nuclear weapons. Ask anybody if they really believe that. And he compares it to what happened to Japan and the only thing I can think of that sets Japan apart from all other nations in the world, is that they were the victim of an atomic attack. And people said, I'm sure in Japan they never thought they could be attacked with an atomic weapon either, but they were. So let me read the rest of that.

“Therefore, the healing that is necessary for this nation shall come at a time in the middle of the presidency.” So there is our second time marker. So this is how I divided these verses up, through these time markers that have been given by the Holy Spirit through Kim Clement.

Now this is the second chapter. **“A Woman Shall Rise Up. “God says, listen to me. At the beginning of the restoration”;** so now this is another time marker, **“as it begins, there shall be a woman that shall rise up. A woman that shall be strong in faith; virtuous. Beautiful in eyes and her eyes shall be so**

beautiful. Her eyes shall be round and big.” So certainly Mary would fit this description; virtuous, beautiful.

A WOMAN SHALL RISE UP

4 God says, listen to me. At the **beginning of the restoration (2020-21)**, as it begins, there shall be a woman that shall rise up. A woman that shall be strong in faith; virtuous. Beautiful in eyes and her eyes shall be so beautiful. Her eyes shall be round and big.

13 There shall be a woman that shall come and God said there shall be oil that shall be poured upon the nation and they shall suddenly feel the healing and they shall say, 'it is well with my soul, it is well with our soul.'

Why would God say that she has round eyes, round and large? And I think this is so that we would not be confused with somebody like Melania Trump for example. I think if he had not said this, a lot of people would say that it's Melania Trump, but Melania has noticeably almond shaped eyes. And Our Lady of Guadalupe does have large round eyes and our Lady of Americas which has to be moved into the Cathedral of the Immaculate Conception in Washington DC, if the bishops can ever see to do their duty.

Verse 13: **“There shall be a woman that shall come”**, and this is like the president that shall come, **“and God said there shall be oil that shall be poured upon the nation and they shall suddenly feel the healing and they shall say, ‘it is well with my soul, it is well with our soul.’”** So if it's well with your soul, I think Mary will bring a spiritual healing, it sounds like to me.

6 For she shall have the oil of gladness for the pain and the mourning that has taken place, and she shall pour out the oil on this nation.

14 For the soul of America has been corrupted; the soul of this nation has been corrupted with bitterness and anger. And God said, she shall say, 'no more bitterness, no more anger, no more division.'

8 Cartels shall be afraid of a woman - a woman anointed by God; a woman set aside. And God says, they will say 'we hated her, but now we love her.'

Verse number 6: **“For she shall have the oil of gladness for the pain and the mourning that has taken place, and she shall pour out the oil on this nation.”**

Well this is very mysterious. I'm not sure how Mary is going to pour out the oil on this nation, but the pain and the morning, that's pretty straightforward. I mean it may not be nuclear war but mourning certainly would indicate death. It might be natural destruction of some kind, but if it is Mary, we don't know how she is going to manifest herself to the American people, but I believe it's the same beautiful woman who appeared to George Washington.

Verse number 14: **“For the soul of America has been corrupted; the soul of this nation has been corrupted with bitterness and anger.”**

So as I say I believe this is going to be a spiritual healing, a healing of America's soul, and if you've heard my song that I've been singing at the beginning of this, the “17 Pebbles”, the last words that I say in that are, “pray for a country that has lost its soul”, and that's what of course abortion has done. It has hardened women to even hate their children, to abort them, to kill them. You'd have to be very satanic. I mean it is totally unnatural for a woman to hate her own child. I mean Jesus says there are some women, but the Bible says even if your mother hates you, I will not hate you or something like that. I forgot the exact quote (*Luke 14:16-18*),

Verse 14 (cont.): **“And God said, she shall say, ‘no more bitterness, no more anger, no more division.’** And when you hear Kim Clement state *that*, those words that Mary says, he says it very forcefully, almost in anger. It's clearly a command, so you don't usually think of Mary like commanding general, but she is. She's a five-star general. Jesus is the commander-in-chief. So this is a command from the five-star general, and what's next is interesting.

Verse 8: **“Cartels shall be afraid of a woman - a woman anointed by God”**. So cartels we usually think of as criminal enterprises and they are going to be afraid of Mary and very succinctly Kim Clement tells us that Mary is going to have a lot of authority.

Verse 8 (cont.): **“- a woman anointed by God: a woman set aside.”** Those are biblical terms. That is not an ordinary person that God is telling us about through Kim Clement. I don't know how else I can express that, but that's not an ordinary person. It would not be Ivanka Trump for example, who does have round eyes.

“And God says, they will say, ‘we hated her, but now we love her.’” That's one of the most famous quotes from this prophecy, “before we hated her, but now we love her.” And I had a protestant give me a message, “Oh we don't hate Mary”, and then she went on and told a whole lot of lies about her, like that Mary had other children for example, or that she was not a virgin after Jesus was born, things like that. Those are lies. That's hate. The Bible does not say that Mary had other children. Now there is a group of people who said something like that, but if you read about those people, they were unbelievers. So any of you who think that Mary had other children you're paying attention to that group, and Jesus was not able to work miracles for them. Remember? The Bible says He could not work miracles for them, and they claimed that Jesus had brothers and sisters. Where are His brothers and sisters? But that was all a lie. So you people who claim that Jesus had brothers and sisters based on that Bible passage, take a look and see who is

making that claim, and the Bible specifically says they are unbelievers who say that. So if you say you don't hate Mary, but then you lie about her, that's not consistent.

So now we're in the third chapter, and this is where the people receive Esther, and Esther is the name that Kim Clement is given for this beautiful woman, and of course that's very significant because Esther in the Bible is a pre figure of Mary, so it's not surprising but still, Kim Clement does not tell us her name, Mary. That is Mary, but then again he does not give us Donald Trump's name either, and of course this is apocalyptic literature I claim, and that means that the symbolic interpretation takes precedence over the literal, and therefore he's not going to give names. It's up to us to figure out what he's talking about.

THE PEOPLE SHALL RECEIVE ESTHER (MARY)

5 I have crowned her says the Lord, as I crowned Esther and the people shall receive her.

9 For she shall take the oil of healing and she shall pour it upon the scars of those left and those right and of the new party that has come forth and emerged where they shall say, 'Christ will reign and we shall not implement at all socialism.'

“I have crowned her says the Lord, as I crowned Esther and the people shall receive her.” So that's very interesting that he says, “I have crowned her”. That proves that it can't be anyone like Melania or Ivanka Trump or any living person, because that's in the past tense, “I have crowned her”. And has Mary been crowned by God? Of course, read Revelation 12:1, where a great sign appears in heaven, a woman clothed with the sun, with the moon under her feet and on her head a crown of twelve stars. Mary is the Queen of Heaven according to the Book of Revelation.

And let me see what God says here. **“As I crowned Esther and the people shall receive her.”** Now this is a very interesting prophecy because a lot of people say God is not found in the Book of Esther. In fact a lot of bibles have added to Esther, extraneous verses, apocryphal verses that don't belong to Esther in order to make it appear as if God is mentioned in the Book of Esther, but no, God is not mentioned by name, and that's because it's apocalyptic literature. God is described as King Ahasuerus. King Ahasuerus is a stand-in for Almighty God, and King Ahasuerus does crown Esther in the Book of Esther. And by the way, Vashti who he dismisses represents the Old Testament Jews, whereas Esther represents the New Testament, the woman of the New Testament.

Verse number 9: **“For she shall take the oil of healing”**. Again that word, “healing”, but I think it's spiritual healing, **“and she shall pour it upon the scars of those left and those right”**. Now that sounds very much like the division we have in the country today between the Democrats and the Republicans which is clear-cut. I mean during the impeachment trial in the House not one Republican

voted to impeach the president. That was purely partisan. There's a very sharp division between the left and the right and Kim Clement is saying here that Mary is going to heal that division I think. I think that's what he's saying here.

Verse 9 (Cont.): “.. **she shall pour it upon the scars of those left and those right and of the new party that has come forth and emerged where they shall say, ‘Christ will reign and we shall not implement at all socialism.’**” So this new party, and it's sure sounds like a political party to me, this sounds like there's only going to be one political party, and it will be an anti-socialist political party, which means that most Democrats aren't going to be part of this new party. I'm sure the Donald Trump will organize this new party. I was going to mention that Christ is mentioned in this prophecy. I said before that the one who heals this nation is not Jesus. It's not the church but it's this beautiful woman but that doesn't mean that Jesus isn't found in this prophecy because we just read about Him. So now let's look at the last section, the last three verses of this prophecy.

7 And God says, healing shall begin (2020-21) and then it shall flow rapidly. Schools will be free from potential damage and danger, shootings and murder, drug addiction.

2 And then in the middle of the restoration (2022-23) of America - rapidly because of a source of energy that shall come, quickly, because of medical breakthroughs, and because of agreements between nations, specifically China.

15 And she'll pour the oil that shall come from the spirit of the Lord Himself. If you as a nation believe it, if you want this, lift your voice and shout one more time and say yes! Yes to Esther! (Yes to Esther! 15 times)

“**And God says healing shall begin**”, and I put in there 2020 and 2021, because that corresponds with the other time markers. This is another time marker, “**and then it shall flow rapidly. Schools will be free from potential damage and danger, shootings and murder, drug addiction. And then in the middle of the restoration**”, another time marker and obviously later than when the healing shall begin, so the time of 2022 and 2023, that's just a guess. It could be years later, but it will be in the middle of the restoration. “ - **rapidly because of a source of energy then shall come quickly, because of medical breakthroughs, and because of agreements between nations, specifically China.**” So Kim Clement is making a specific prophecy. I'm not sure why he mentioned China except that maybe China will be the cause of the pain and the mourning, because he does not mention Russia here. Okay, so now let's look at the very last verse, verse number 15.

“**And she'll pour the oil that shall come from the spirit of the Lord Himself.**” That would be the Holy Spirit and this is obviously a spiritual healing. “**If you as a nation believe it, if you want this, lift your voice and shout one more time and say yes! Yes to Esther.**” And Kim Clement shouts it out 15 times, and that's not an accident. He shouts it out 15 times because 15 is Mary's Rosary number, and

Esther is her prefiguring name in the Book of Esther. So that's why I say that the beautiful woman is Mary. I believe there are enough clues that we can show conclusively that that is who Kim Clement was prophesying about.

So if you have any questions or if you have any comments I think this is an amazing prophecy, and it's on page 300 of my volume number 4. And if you don't think Mary's going to be involved, here is President Trump.

On President Trump's Inauguration Day, Catholic Priest Andrew Mahana presented him with a statue of Our Lady of Fatima, which Trump asked to keep in the White House.

First of all, speaking at the March for Life, and we haven't had any Catholic presidents, but that's better than any Catholic priest, bishop or cardinal in the entire Catholic Church, because I say President Trump is going to become a Catholic and there he is holding a statue of Mary. That is prophetic and he's holding a rosary.

And Protestants can pray the rosary, and by the way, I say all along he's not going to become a Roman Catholic; he's going to convert and become a remnant Catholic, which is different. We are the "daughter of the robber". The Roman Catholic Church is the robber. The reason it is the robber is because it steals the Eucharist.

And before Donald Trump addressed the March for Life today, I noticed that Vice President Pence addressed the March for Life and he was in Rome talking with Pope Francis, and Pope Francis didn't look too happy about it. He didn't look too happy when President Trump met with him either, but I guess all politicians have to go and talk with the Pope.

Okay everybody I will be back tomorrow morning, so in the meantime God bless all of you and may all of you have a very blessed day.
