

God Reveals Trump is Like Moses

Welcome to Revelation Unraveled. I'm your host William Tapley also known as the Third Eagle of the Apocalypse and the co-prophet of these End Times. Co-prophet means that I interpret God's signs to us, usually through His prophets, but today I want to talk about the sign that He gave when He struck the Vatican with lightning. Maybe you remember this.

It's really an amazing photograph, and at the time I did quite a few videos pointing out that this was God's displeasure at the resignation of Pope Benedict, even though God Himself appointed the False Prophet, that is Pope Francis, just as He will appoint the Antichrist, according to Bible prophecy. Nonetheless, He is not happy about having to do that, and He does that because mankind is a failure.

We are trying to rule ourselves in these End Times and God is giving us many signs and the sign that He gave in this image of the lightning striking the Vatican, it occurred at exactly 5:55 p.m.

This is the clock that was on the Vatican and the camera that caught the lightning strike also showed that it had occurred at 5:55 p.m.

Just this week one of my subscribers, Mary Galen pointed out another amazing facet of this lightning strike. It shows two profiles, one on each side of the lightning strike. One is of Donald Trump, and the other is of Moses. God is telling us that Donald Trump is like Moses in these End Times. And I'm certainly not the first or is Mary Galen or Sister Reneeé, who interpreted the photograph also. We're not the first to say that Donald Trump is like Moses. If you just do a Google

search of "Donald Trump is like Moses", you'll find that people have written books on it. There have been videos posted, and today I'm going to show you that Almighty God Himself says that Donald Trump is like Moses.

So I'm going to show you what this image looks like of the lightning strike. If you take the lightning strike, and break it apart like this; I think it's going to be easier for you to see the two images. Let me show you this first. Maybe you can see it by yourself.

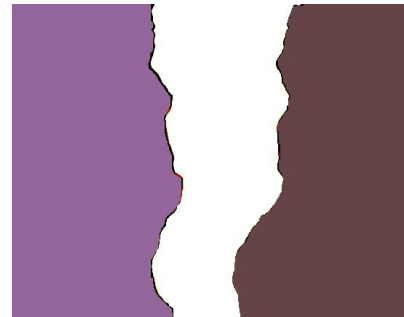

This is the lightning strike and on one side is an image of Donald Trump. You can see his chin and you can see his nose. You can see his forehead and you can see his double chin. He's a little overweight.

The other side is a picture of; maybe you can see it, Moses.

Notice his chin. Notice his kind of smashed in nose. Let me show you that. I'll break it down if I can show you these two separated. This is what it looks

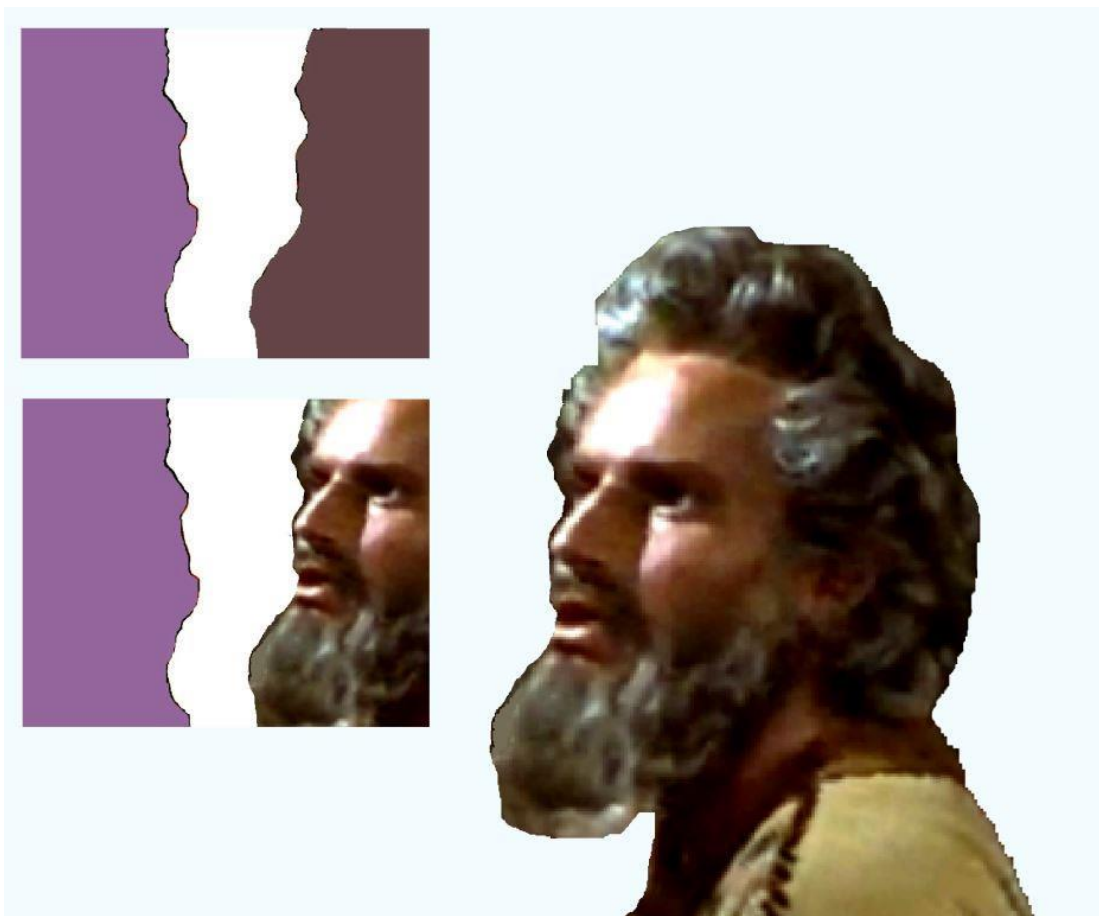

like when I have separated the lightning strike, and I think you can see that that is Donald Trump, an outline of our president, and the wind is picking up here (*filming*)

outside) because Satan does not want you to know this. Satan does not want you to know that Donald Trump is prefigured in this lightning strike. Take a look.

Now remember this lightning struck the day that Pope Benedict announced his resignation, and this was February 11th 2013, almost seven years ago Pope Benedict resigned, in fact a little over seven years ago. And they said, "Oh, Pope Benedict resigned because he is in such terrible health. He's lucky if he's going to live another six months". And I told you at the time that was all phony baloney. Pope Benedict was and is in good health. He may be frail and feeble. I mean he's 90 years old, but he should never have resigned. He was forced out and Almighty God told us through this lightning strike on the Vatican that his resignation did not please Heaven, but also God told us how He is going to overcome the taken-over Vatican.

In other words, He hit the Vatican with an image of Donald Trump. That's his profile. Now on the other side Sister Reneé Mauser who's also a member of our Rosary Network said that if you look in the other direction, on the other side of the profile, you get Moses. And you can see his heavy brow up here. He's got a kind of a smashed in nose, and there's this big beard. Take a look. See if Sister Reneé is not correct. I think she is. Just like Mary Galen is correct that the other side of the lightning strike showed Donald Trump.

Charlton Heston as Moses in the movie, The Ten Commandments (1956)

So why is God telling us that Donald Trump it's like Moses? Well he's going to lead us out of the swamp. The swamp is Egypt. Just like Moses led the Israelites out of Egypt, Donald Trump is going to part the Red Sea. The Red Sea is Communism, and this prophecy is also found in Micah 5. Micah tells us that Donald Trump is going to save the Catholic Church and I've been saying for years on here now that Donald Trump is going to convert and become a Catholic. And that's not my prophecy, that's Isaiah's prophecy in his chapter 45, which is about our 45th president. So let me read to you where Micah prophesized that Donald Trump will save the Catholic Church, and that's what God is telling us with this lightning strike on the Vatican.

Micah chapter 5 verse number 5:

“And this man”, that's Donald Trump; it's Cyrus originally, but it's a prophecy about Donald Trump, **“shall be our peace, when the Assyrian”**, that's Micah's code word for the Antichrist, **“shall come into our land.”**

At first I thought, “our land” was the United States, because that's Donald Trump's land, but in this case it's the Catholic Church, and Jesus uses the same kind of terminology when he talks about the Catholic Church in Matthew chapter 24 when He said that those who are in the field leave when they see the abomination of desolation and not go back to take their cloak. Jesus is talking about the Roman Catholic Church when He says, “let those who are in the **field** not go back to take their cloaks.

The Roman Catholic Church has lost the faith and that was prophesied by Mary at La Salette. Rome will lose the faith and become the seat of the Antichrist and the forces of the Antichrist are in the Roman Catholic Church right now. We have the False Prophet, Pope Francis. He's also known as Wormwood. It's not an asteroid by the way. Don't listen to the false prophets here on YouTube. And Wormwood, that is Pope Francis, the False Prophet feeds us bitterness not sweetness. Sweetness is following the Lord's commandments. Bitterness is doing your own thing and that's what we see of course across this country. That's because we are descending into lawlessness which is a characteristic of the Antichrist.

Let me continue what Micah says here chapter 5 verse number 5.

“And when the Assyrian shall come into our land”, that's the Antichrist when he comes into our church, **“and when he shall set his foot in our houses:”** that refers to our Catholic churches; and we see that now. The Eucharist has been taken away from us. It's been degraded. You can't even receive our Lord on your tongue any longer. That's because the forces of the Antichrist through his False Prophet, Pope Francis has entered in to the church; **“and we shall raise against him”**, that's the Antichrist, **“seven shepherds and eight princes”**. That refers to the people who will defend us until Donald Trump is able to defend us.

Now Trump can't defend us until he converts and becomes a Catholic which is soon I am sure, because that's also in prophecy as Isaiah says. God speaking through Isaiah says that I will give him hidden treasures and concealed riches of

secret places that he may know I am the Lord, who called him by his name, the God of Israel.

Israel as Isaiah's code word for the remnant Catholic Church. Remember Donald Trump will not become a Roman Catholic. He will become a remnant Catholic and he has a glorious mission as you can tell by this lightning strike son of Anakin his glorious mission will be to defeat the taken-over Vatican.

Donald Trump is like Moses and not only have many others understood this but Almighty God Himself verified this seven years ago when He struck the taken-over Vatican with a sign from His own hand; this lightning strike which showed us the Donald Trump is like the great Israelite leader Moses.
