

My Response to You Crazyies Who Hate Obama

Today I want to respond to those crazyies on You Tube who are claiming that Barack Obama is the Antichrist. You are out of your minds. Barack Obama is not the Antichrist. However he will be defeated by the Antichrist, and there's a big, big difference.

And we in America must be very concerned about the situation we now find our country is in. I am also responding to my critics on my previous program, in which I explained Barack Obama is indeed found in Bible prophecy. Barack Obama is the personification of the 'leopard', which 'comes up out of the sea' in Daniel chapter 7, and he is 'the last King of the South' as prophesied by Daniel in chapter number 11.

Both these prophecies are critical in our understanding of the End Times, which we are now entering into. Let's take a look at Barack Obama in bible prophecy. In chapter 11, Daniel prophesies almost exclusively about our president Barack Obama. For example, the first 12 verses are divided up into a 4-4-4 sequence. That number 444 is Barack Obama's number. He is the 44th president, elected on the 4th of November.

Obama's number is not 666. 666 will defeat Barack Obama's number, which is 444. Following the first 12 verses, in Daniel chapter 11, are found 18 verses, divided up into a 6-6-6 pattern. That is the number of the Antichrist. Barack Obama is not the Antichrist. Please remember, he will be defeated by the Antichrist.

This must be our major concern as Americans in these End Times. The Antichrist will defeat Barack Obama and the United States, as well as Britain and Russia, in World War 3. He is working, even today, behind the scenes trying to foment World War 3.

In Daniel, chapter 11, verse number 40, Daniel describes World War 3. 'And at the time of the end shall the King of the south', who is Barack Obama, because his ancestors came from Kenya, in fact, a lot of people believe he was born in Kenya, 'will push against him'. Now, 'push' means provoke and 'him' is the premier

of Russia. President Obama is going to provoke the premiere of Russia into World War 3.

'And the King of the North', that is the premier of Russia, 'shall come against him', that is President Obama, 'like a whirlwind', that means with air power, planes and missiles, 'and with chariots', that of course means tanks and armour, 'and with horsemen', that's the infantry, 'and horsepower and he shall enter into the countries', that is Britain and America, 'and shall overflow and pass through'. He is going to decimate the West.

In other words, the King of the North, the premier of Russia, is going to decimate the King of the south, Barack Obama, and Britain and America, in World War 3. Now, why will Barack Obama provoke World War 3? Because I believe his honeymoon with the American people will soon be over, and the news media, along with the Democrats in Congress and Obama himself will need some kind of diversion to draw attention away from his failed policies.

And that is why I urge Conservatives and Christians, do not attack our duly elected president, President Obama, or you are going to be blamed for his loss in popularity. You must pray for President Obama. No more of these crazy attacks on You Tube. Remember you cannot hate someone you pray for.

Let me repeat that: you cannot hate someone you pray for. You must pray for our nation and for President Obama. Now the consequences of World War 3 are also prophesied by Daniel in chapter number 8 where the ram with two horns is defeated by the goat with one horn. The two horns on the ram symbolize Britain and America, The single horn on the goat symbolizes Russia.

Remember the Antichrist brings down all three horns and all three nations will be subject to the One World Government after World War 3. Remember the 4-4-4 sequence of verses and Daniel 11, is followed by the 6-6-6 sequence. In other words, the Antichrist will defeat the 444 number of Barack Obama.

The other amazing prophecy about Barack Obama is found in Daniel chapter number 7, where he sees a vision of three beasts

coming up out of the sea; a bear, a lion and a leopard. The lion is Britain, the bear is Russia and the leopard is the United States of America.

But the leopard is also an individual. Daniel makes it clear, that the symbol of the leopard means both a country, and the leader of that country. Let's look at what Daniel writes, 'after this I beheld and another beast like a leopard which had upon its back four wings like a bird and the leopard also had four heads and dominion was given to it.' The four heads on the leopard symbolize the four branches of American government, the Senate, House, President and the Supreme Court. The four wings symbolize our four branches of the military, the army, navy, air force and the marines. All have powerful air forces and dominion certainly has been given to the United States of America.

The skin of the leopard symbolizes the racial makeup of America. The leopard is both black and white. But the leopard also symbolizes Barack Obama. Like the United States, he reflects both our black and white cultures. He is like the leopard. And the four wings and the four heads? That symbolizes Barack Obama, because Barack Obama is the 44th President of the United States.

Let me make one more thing clear. I want your negative responses. I want you to disagree with me, because I hope and pray that you are right and I am wrong. I hope Barack Obama is not the leopard in Daniel. I hope the United States is not the leopard in Daniel, but I know it is, and unless you and I pray and fast enough, America's fate will be the same as that of the Whore of Babylon in the Book of Revelation. We are going to be burned with fire. We will lose World War 3. Barack Obama will be the last president of the United States and the last King of the South.
