

## Three Prophecies about Donald Trump and the Electoral Vote

I wanted to do to do this video because tomorrow is of course an extremely important date in American history. A lot of people are saying

*Donald Trump*

*Joe Biden*

that it's a turning point and that's when the Electoral College meets and decides who will be our next president, Donald Trump or Joe Biden, and it is up in the air. The media will try to tell you there's no question who will be the next president. They are rooting for the

socialist Joe Biden and his understudy who will soon take his place that's Kamala Harris, and of course we patriots are praying and hoping that Donald Trump will be inaugurated on January 20<sup>th</sup> which is only two and a half weeks from now or less than that.

So tomorrow is crucial and I thought we would talk about where it is found in Bible prophecy, which will I think give us a little better idea than what we are seeing all over the internet and what are mostly opinions, and I thought we could look at three prophets, two contemporary ones and one in the Old Testament and that would be Kim Clement the evangelical prophet, Dana Coverstone also an evangelical, who was actually more recent. I think Kim Clement died several years back. And then we go back and look at Micah, way back 2500 years ago because he also prophesies about Donald Trump, and he kind of sums up what Kim Clement and Dana Coverstone says in just two short sentences. It's really quite interesting but he does not contradict either one.

So let's take a look at this and I'm not really going to cover new ground on here. I've done videos on Dana Coverstone's dream which was the Data Dream. I think you'll remember that. I did a video on Kim Clement's prophecy about Esther, and of course I've done Micah in Isaiah 45. And remember as we're going through these, I have not done a video comparing all three. That's why I'm doing this. And as we go through these remember that symbolism is more important or overtakes literal interpretation, and that's true with all three of these prophecies. All three of these prophecies are apocalyptic literatures.

Now I've numbered these the same as they are when I went through them before, so they the numbering won't make a lot of sense. If you want to go look at my original videos you may and then you can understand why they are numbered. So this is the first part of Dana Coverstone's dream and what I call verse number 6. So let's read what Dana Coverstone's prophecy, and before this verse that I'm going to read, we see that there is an explosion of data and what Dana Coverstone calls "Discovery". I should say what the Holy Spirit says is "Discovery" through his prophet Dana Coverstone. And there's an explosion of this, and it comes to a peak, just before Thanksgiving as I predicted. By the way I said, just before Thanksgiving based on Coverstone's dream and that's when Sidney Powell released the kraken and it's when Rudy Giuliani also hosted a meeting with I think it was the Pennsylvania legislature, and that's when we first saw all the evidence that he was assembling. And that was Thanksgiving Eve, if you'll remember correctly. So now let's look at, which I call, verse number 6.

**1-6) "And then there was a countdown clock. There was no countdown clock at first but now on the other side of the Mississippi river there was a countdown clock, and it was scanning down 10, 9, 8, 7, 6, 5, 4, 3, 2, 1. When it reached '1' the eastern side of the Midwest started having the same flashpoints and the cities there began to smoke and the circuits were fried."**

So we see that this data stream which is heading towards Washington gets stronger and more powerful, and on the western side of the Mississippi, where it starts, there is a countdown of 10. And it does not say there's a countdown on the eastern side, but let me review what it said here. And in the **"eastern side of the Midwest started having the same flashpoints"**; so that's an indication that the eastern side of the Mississippi is similar to the west, and through trans extrapolation you can deduce that there are 10 days also to the west. So that's a total of 20 days, and in fact that's how I determined the great exposition of this data stream. In other words the discovery about the corruption of Biden and the Democrats would be on or around Thanksgiving, because if you subtract 20 days from December 17<sup>th</sup> and we'll see that date given in this

prophecy in a few minutes, you come to, well I think would be the day after Thanksgiving. As it turned out, they revealed the kraken just before Thanksgiving, So that part of the prophecy has already come true and that's very similar to Bible prophecy where there are two prophecies; a near time fulfillment and an End Times fulfillment. In this case the first part of the prophecy, the data stream and all the Revelations about the Democrat fraud; I shouldn't say fraud. That'll be bleeped out if I say 'fraud'. You have to understand there are certain obscene words on YouTube which is not the same as the "f" word that most people consider obscene.

So let's look at the next verse following this data stream. And verses 1 and 2;

**5-1) "Then the scene changed and I saw the Rotunda of the Capital and was a closed casket in the middle of the Rotunda and the sign on the casket stated that inside was the Democratic candidate for the office of President."**

Now of course the Democratic candidate for the office of President was Joe Biden. However remember symbolism takes precedence over the literal. This is not a funeral in the Rotunda even though many senators and congressmen are there. In fact Joe Biden's wife and son are there. This casket represents Joe Biden himself. He is the casket. He is not in the casket. In the casket is corruption. That's the body that's in the casket. In other words, and I explained this before, it's very similar to what Jesus called the Scribes and the Pharisees. He said you are whitened sepulchres. White and clean on the outside, but full of corruption and dead man's bones on the inside. Okay let's continue with that particular verse, verse number 2.

**5-2) "And there was a calendar hanging above that casket and it had the date specifically. It said December 17<sup>th</sup>. That date was clearly spelled out and I'm not going to say someone's going to die on the 17<sup>th</sup>."**

And of course we know no one did die on that date of December 17<sup>th</sup>. Quite a few people have told me that they say Dana Coverstone is a false prophet, because nothing happened on that date. Well they didn't

watch my video, because I told you at the time. Now remember this was about a month before Thanksgiving that this prophecy was published by Dana Coverstone. I told you at the time that was a time stamp, and I told you that 20 days before that, was when the corruption would be revealed through the data stream.

I've come to realize since then that it is also a prophecy after December 17<sup>th</sup>. In other words what happens when you add 20 days to December 17<sup>th</sup>? You get tomorrow January the 6<sup>th</sup>; in other words the first part of Dana Coverstone's dream has come true, and I believe this next part of his dream will also come true, and it is a perfect fit 20 days after December 17<sup>th</sup> is exactly January the 6<sup>th</sup> 2021. Therefore this following I believe is a description of what will happen tomorrow. So let's take a look at this; verse number 4:

**5-4) “There were many congressmen and senators from both parties in the room”**; this is the House of Representatives, **“and they all had their heads down looking at the floor.”** In other words they are not thinking Heavenly thoughts. They're thinking strictly earthly thoughts. **“And they were shaking them just violently, just making fists and shaking their heads violently.”**

That sounds like what's going to happen tomorrow, a lot of discussion, a lot of antagonism. I think Dana Coverstone's prophecy is right on the money. Let's continue.

**5-6) “And then a prominent senator stood up and demanded to see the body. And that's when the sergeant-at-arms rushed up, with several marines, by the way, and he said: There will be no viewing of the body today or ever again. There will be no viewing of the body today or ever again. “**

Now remember, the body is not Joe Biden. The casket is the body. The body is his corruption. And as you know Joe Biden says that he is the Democrat party. So what Dana Coverstone is prophesying here is that Joe Biden's corruption will never be revealed.

Now the question is, is the sergeant-at-arms simply relaying instructions from the White House? I believe we will see in a few minutes that he is.

And the question is therefore, does this mean that Donald Trump is not going to reveal Biden's corruption? The dead man's bones, that he stole the election, that's not going to be revealed? I suspect that's the prophecy. Does it mean that Trump is going to pardon Biden? Does it mean that Trump is going to let Biden win the presidency? In other words, will Donald Trump concede after this meeting of the Electoral College? Let's look at the next verse in Dana Coverstone's Data Dream prophecy.

**5-6) “And the senator sat down and collected himself. Then he walked over to that pile of shoes and he dug through all the shoes”;** they were all barefoot in the Rotunda, **”until he found his pair. He put them on and he sat there for a minute, looked around, and you could tell he was getting angry and he rushed out of the room and he was running like at a sprinter's pace to get out of there.”**

So I've been thinking about who this senator is. Evidently one of the senators fully expects Biden's corruption to be revealed, and I think you'll see that he is expecting Donald Trump to do that. Now this is how I have interpreted this. A lot of people say, 'Put a more positive spin on this', but I think my interpretation will prove to be true, and it fits the other prophecies as we see them; the prophecies of Kim Clement and Micah. So let's look at the next verse, verse 8.

**5-8) “Smoke was still rising outside and he's running towards the White House with both fists clenched like this. And his mouth is moving and I did not hear the words but I could see that he was cursing, not like swearing like cussing, he was cursing the White House. He was cursing the leadership. I don't want to put words out there because I did not hear what he was saying but he was obviously cursing.”**

So this senator, I believe, is going to go over and complain to the White House and say why isn't he prosecuting the corruption of Joe Biden and his family? Why is he going to pardon him? Or why is he going to let him be President? I suspect that this senator was maybe Ted Cruz? Maybe Josh Haley? There are quite a few senators now who are sticking their

necks out. They would be quite upset if Donald Trump let them down at this late stage. Donald Trump is giving many indications that he won't let them down. He is saying that it will all be revealed tomorrow. That the public will understand the corruption, and they will not accept the votes for Biden in the Electoral College. And Mike Pence says he is going to allow all of this evidence or as Dana Coverstone says "Discovery". He is going to let this all come out. So let's hope that it does come out.

Now some people have said that this senator who was going to complain is going to run over to someone like Chuck Schumer. I don't think so, but I don't think that fits the picture, unless Donald Trump is not going to pardon Joe Biden. Then I can see Chuck Schumer complaining, but that's why I don't think it's him, but some people have suggested that. So let's look at the next verse here.

**5-9) "He was upset with something that was going on. He was**

**intent on making a change and he stopped for a moment near the Washington Monument";** incidentally that word 'Washington' is found three times in the prophecy. That's usually a divine affirmation; **"and looked back. And when you look back there were about 20 to 25**

**other people who were following him, men and women. I can't tell you parties."** And that's just about the number of people who will contest the results tomorrow. **"I can't tell you who they were. I did not see these faces. The runner, yes I knew who it was; I'm not going to say."**

Well that's kind of fascinating that Dana Coverstone knew who this senator was that is rushing over to the White House to complain. I think the reason is that if he revealed who the senator was, that he would kind of let the cat out of the bag. If he revealed, let's say it was Ted Cruz, then you would know what he was going to complain about. If he said it was Chuck Schumer then you would know, but the Lord is not revealing that at this time. I think the reason is that we can still maybe affect what should happen.

I am praying for all those people who are going to Washington march tomorrow because I think they can have an influence on Donald Trump. If only a very few people show up in Washington tomorrow, Donald Trump may just throw in the towel. He'll say, "I do not have enough support to prosecute Biden". If he gets a mega march like they're talking, millions of people, I think then Donald Trump will prevail. But like I say it's very interesting that Dana Coverstone would not tell us who the senator was. Okay let's look at the next verse, verse 10;

**5-10) "But nonetheless 20 to 25 people are following after him", and those, I am sure, are the other people who were supporting Josh Haley, "but they're holding their shoes in their hands while they walked. He told them to hurry but they just continued their very steady almost cautious pace to get to him. And then he sneers at them and he sneers at the White House and he begins sprinting towards the White House as fast as he can."**

It looks more and more like Donald Trump has made the decision not to reveal Joe Biden's corruption, which I think is a huge mistake. For four years we've been listening to Q and saying that nothing can stop what's going to happen. Maybe something can stop what's going to happen. Let's look at the next verse in Dana Coverstone's dream.

**6-1) "And at this time I saw the man I'd seen in previous dreams."**

Now this is an angel he's talking about. **"He was standing in the place where the President gives the State of the Union Address."** Does everyone know where that place is? **"He was standing in the halls of Congress right there where everybody sees the President give the State of the Union Address every single year and he tapped the microphone."**

So this is obviously the House of Representatives, exactly where the Electoral College will meet tomorrow. So that's where this is taking place. That's why I say that this part of the dream, the second part of the dream is about what's going on tomorrow. Now let's look at the next verse.

**6-2) “It wasn't a Shure SM 58; it was a real thin, very professional microphone that was there. He tapped the microphone three times, one, two, three. And then he stated in a very loud voice, ‘A house divided against itself shall not stand’. And he emphasized the word ‘shall’. He said it like this: “A house divided against itself SHALL not stand’ and the emphasis was on the word ‘shall’.”**

So this is Almighty God's commentary on what is going to happen tomorrow. As you can see, the angel is not too happy about it. I don't think God is too happy about it. This is why I think that this dream is about Donald Trump not pursuing the presidency and letting Biden have it or at least pardoning him. And the angel is telling us that that will not bring unity. Is that what Donald Trump is going to do in the hopes of unity he will let Biden be President or he will let him off the hook?

The angel tells us that that is not going to bring unity. A house divided against itself shall not stand. Notice the angel speaks in a very loud voice. Notice that he uses a microphone. I believe that indicates that this is one of the Trumpet Angels in the Book of Revelation. He's one of the Heralds. There are seven Herald Angels in the Book of Revelation. Not too many people know that. I've talked about that on this program. There are seven seals, seven bowls, seven judgments and there are seven Herald Angels, and I believe this is one of them. And when he taps the microphone three times, notice that means that this message has divine importance. So let's look at the last verse in Dana Coverstone's dream.

**6-3) “And then he pushed the microphone down: just put his hand and pushed the microphone all the way down to the podium. And he walked to the door at the rear of the room. And on that wall there was a panel of probably 25 or 30 light switches, just your flip switch, and one by one he flipped them down, one by one, until every light in Congress, in that building, in that room went out.”**

Now when he pushes that microphone down, that means this is the last word. And the pardoning of Joe Biden or even letting him win, signals lights out for America. I think that's the message of Dana Coverstone's

dream. And I went over this before and I really haven't changed my interpretation at all. We'll soon find out.

And let's take a look and compare Dana Coverstone's dream with Kim Clement's vision which he received on March 25<sup>th</sup> 2011. He died five or six years ago. The prophecy that he received was about Esther, and I believe that Kim Clement in a way provides a solution to the problems raised in Kim Clement's dream, and that is that the Blessed Virgin Mary will save America, not Donald Trump, not Jesus, not the church. I believe that's the message that Kim Clement received, and notice that he received it on March 25<sup>th</sup> 2011 and March 25<sup>th</sup> is of course the Feast of the Annunciation.

*Kim Clement*

Now Kim Clement did not understand the significance of that date and I'm not going to read his entire prophecy, I've already done a video on that. I'm just going to read a few verses which explain again what's going to happen tomorrow in the aftermath, the solution to the problems written by Dana Coverstone. This is Kim Clement's prophecy.

**1-12 “Therefore the healing that is necessary for this nation shall come at a time in the middle of the presidency.”**

So now this is a time stamp. What exactly did he say? “The middle of the presidency”. Now Kim Clement said that Donald Trump will get two terms and therefore we are right in the middle of the presidency right now, roughly. The exact middle would be January the 20<sup>th</sup>, two weeks from now. I don't think ‘middle’ is that specific a term, in other words, well I would say any time now. And he said the prophecy is, that the healing that is necessary for the nation shall come at a time in the middle of the presidency. So my question is, will the tomorrow's meeting of the electors, is that what will bring healing? Well if we listen to what Kim Clement or what Dana Coverstone said, no it won't. It will bring about disunion. There won't be union. So let's continue with Kim Clement's prophecy. Verse 4:

**2-4 “God says, listen to me. At the beginning of the restoration,”** that would be the same as the middle of the presidency in the previous verse, in other words right now, **“as it begins”** so we can expect the

fulfillment of this prophecy any time now I would think, **“there shall be a woman that shall rise up. A woman that shall be strong in faith: virtuous. Beautiful in eyes and her eyes shall be so beautiful. Her eyes shall be round and big.”**

So now we see that a woman is going to save America, not Donald Trump, not the electors tomorrow, not Jesus by the way, neither the church. And this is really the thrust of Kim Clement's prophecy and this woman I am saying can only be the Blessed Virgin Mary. I'm saying that this is the same woman who appeared to George Washington in the amazing vision which he had. And the next verse:

**2-13 “There shall be a woman that shall come and God said there shall be oil that shall be poured upon the nation and they shall suddenly feel the healing and they shall say, ‘it is well with my soul, it is well with our soul.’”**

Does that healing refer to Covid-19?

**2-6 “For she shall have the oil of gladness for the pain and the mourning that has taken place, and she shall pour out the oil on this nation.”**

So I'm going to suggest that the pain and mourning is going to be the aftermath of what the electors do tomorrow, and in other words there won't be unity. There will be disunity. Could that indicate civil war? It's very likely there will be violence, no matter who is inaugurated on January 22<sup>nd</sup> and I think Kim Clement is prophesying that this violence, this pain and mourning, that can only mean death by the way, that it will take Mary to resolve this problem. It's very possible she will appear to Donald Trump, just like she appeared to George Washington. Let's look at the next verse 14.

**2-14 “For the soul of America has been corrupted;”** well we certainly see that don't we? **“The soul of this nation has been corrupted with bitterness and anger. And God said, she shall say, ‘no more bitterness, no more anger, no more division.’”**

**2-8 “Cartels shall be afraid of a woman”;** Cartels by the way, is a good description for organizations like Antifa or BLM, **“a woman anointed by God; a woman set aside. And God says, they will say ‘we hated her, but now we love her.’”**

Very interesting description and I certainly think that fits Mary. She is the one who is disrespected by many denominations. Of all the Christian denominations, which denomination gives Mary the most respect? Our own Catholic faith. Most denominations do not call her ‘Blessed’ as the Bible prophesies. The Bible prophecy is that **all** generations will call Mary ‘Blessed’. This is a clue that Kim Clement is talking about Mary when he says, ‘before we hated her, but now we love her’.

Kim Clement’s daughter posted a video today on YouTube. Her name is Donné Clement Petruska. She's kind of taken over his ministry and she's claiming that this woman is Amy Coney Barrett. I don't think so. Where has it been that Amy Coney Barrett was hated? I don't think so. Nobody has ever heard of her I don't think before she was voted on to the Supreme Court, and she doesn't have big round eyes. Elsewhere Kim Clement says that this woman has large eyes. Some say the woman is Ivanka Trump. I don't think she fits the prophecy either. So let's go on with what Kim Clement is prophesying here.

**3-5 “I have crowned her says the Lord, as I crowned Esther”** another key, **“and the people shall receive her.”**

**3-9 “For she shall take the oil of healing”** will she heal Covid-19?, **“and she shall pour it upon the scars of those left and those right and of the new party that has**

**come forth and emerged where they shall say, ‘Christ will reign and we shall not implement at all socialism.’”**

Now that's kind of interesting. We will not implement socialism. Does that indicate that tomorrow's electors will not nominate Biden? Because certainly his party represents socialism, and certainly his Vice President is on the far left. So this is a possibility that Kim Clement is suggesting that Donald Trump will get a second term, although it doesn't sound as if he is going to bring healing to this country. And when God says, “I have

crowned her”, where did God ever crown Amy Coney Barrett or Ivanka Trump? That's why I don't believe it's any contemporary person, but God did crown Mary.

If you read the Book of Revelation chapter 12, the woman clothed with the sun, and on her head a crown of twelve stars. It's kind of interesting that not only did Kim Clement receive this prophecy on March 25<sup>th</sup> which is the Feast of the Annunciation, which he did not understand, neither does his daughter. I put a comment on the video today. I don't know if anybody is going to comment on it or not. The Feast of the Annunciation is of course when the angel Gabriel appeared to Mary and told her that she would be the mother of our Savior.

And at the end of this prophecy, Kim Clement leads his congregation in saying yes to Esther. Now we know that Esther is a stand-in for Mary in the Bible. And how many times does he shout out yes to Esther? Well if you go to that video, you'll see he counts out 15 times, and of course that's prophetic. 15 is the number of decades in a complete original three Mystery Rosary. We also see that numerology in Genesis 3:15, which tells about Mary crushing the head of the serpent. So let's continue.

That was the end of Kim Clement's prophecy. So it seems to provide a solution to Dana Coverstone's prophecy, which ends on quite a negative note. And Kim Clement is not saying that Donald Trump won't be elected. He kind of implies that he will be inaugurated, but he will not be able to save the country. It's Mary who will save America and I've been saying that for a long time on this program, So now let's take a look at Micah or Micheas in your Catholic Bibles and I think Micheas is in just two short sentences actually sums up everything that we've seen so far in Dana Coverstone and in Kim Clement.

Micah chapter 5, verse number 5.

**5-5 “And this man,”** and Micah is prophesying about Donald Trump when he says that, **“shall be our peace, when the Assyrian”**, and any Bible scholar will tell you that the Assyrian symbolizes the Antichrist, **“shall come into our land, and when he shall set his foot in our**

**houses: and we shall raise against him seven shepherds and eight princes.”**

When I first read Micah, I understood that the prophecy was about Donald Trump, and I wondered if the land was the United States but I am beginning to think that the land that he's talking about is the church. I think Mary will save the land, that is, the United States, but Donald Trump will save the church. I think that's his mission. And when it says houses, I believe that refers to churches. The seven shepherds and the eight princes; I believe that refers to church men. The seven shepherds would be bishops, and one of my subscribers says the eight princes would be the princes of the church, and that would be the cardinals. So let's look at Micah 5-3.

**5-3 “Therefore will he give them up even till the time wherein she that travails shall bring forth:”**;so it's interesting that Micah says that Donald Trump will give them up. Isn't that exactly what Dana Coverstone is saying? Donald Trump will abandon us? Isn't that what Micah is saying here? And is that why Kim Clement says that a woman will save America? I think this is consistent in summarizing in one sentence what Kim Clement and Dana Coverstone are saying, **“and the remnant of his brethren shall be converted to the children of Israel.”**

So Donald Trump abandons us; gives us up until Mary reveals herself. That's the only way I can see what Micah is prophesying here. I believe this will happen at the warning. I mean remember Mary prophesies about the warning at Garabanda. I would not be surprised that Mary appears to Donald Trump, just like she appeared to George Washington. Notice also that “the remnant of his brethren shall be converted to the children of Israel”. That's the remnant of Donald Trump's Protestant brethren. That's what this is talking about. Micah says they will convert to the children of Israel. Israel is both Micah and Isaiah's code word for the remnant Catholic Church; now not the Roman Catholic Church. Donald Trump and his brethren will not convert to the Roman Catholic Church. The Roman Catholic Church has been taken over by the False Prophet as we know, and Mary prophesied at La

Salette that Rome will lose the faith and become the seat of the Antichrist. That has not happened yet, but I'm sure it soon will.

So if Donald Trump defeats the Antichrist, then he doesn't have to defeat Biden. The Antichrist is Biden's boss so to speak, or Kamala Harris's boss. If Biden wins and is inaugurated, why do we think that we can avoid one of the ten kings of the Antichrist as the leader of this country? The Book of Revelation says all the leaders of the world will have the same purpose. Well that is to destroy Christianity. Why do we think that we are the exception to that rule?

I think it would probably be easier for Donald Trump to save the church and defeat the Antichrist if he were President but it's not absolutely necessary, especially if Mary manifests herself. Then you'll find the Protestants, the supporters of the MAGA people, "where we go one, we go all", they will convert also, just as I believe Micah is prophesying here.

If Biden is appointed by Almighty God, we shouldn't be surprised because he also appoints the Antichrist. Are you aware that God actually appoints the Antichrist? We see that in Esther. In the Book of Esther, King Ahasuerus appoints Haman. Everybody knows King Ahasuerus represents God, or they should know by now, and they know that Haman represents the Antichrist and God appoints him.

And we see that also in Daniel; Daniel chapter 4, where God says I will appoint the basest man over them. God appoints the Antichrist, and He also appoints the False Prophet and we see that in Jeremiah 23 verse 15, where God says, I will feed them wormwood. And wormwood is another name for the False Prophet. So why should we think that the United States can escape this? And why should we be surprised if Donald Trump decides not to prosecute Biden, that he lets Biden become president? I mean I'm praying that this is not true. I'm praying that we can avoid this. I am I'm praying that so many millions of people go to Washington tomorrow, that even the Democrats will understand that America does not want a fraudulent election. That is all I have for this program.

I hope I didn't discourage people. The solution is that we have to pray and I pray that there will be a huge crowd tomorrow. I think that would be probably one of the best things that any of us could do, other than pray

Mary's Rosary, is to help out Donald Trump. Well we will soon find out won't we if my interpretations are correct and maybe I am not interpreting Dana Coverstone or Kim Clement correctly. Maybe what they said is not what I am interpreting, and I hope I am wrong. Anyway maybe I will see all of you tomorrow morning. We can pray and we will start a very momentous day tomorrow, and the best way to start, join me tomorrow and pray Mary's Rosary at 10am Eastern time. Until I do, see all of you then. May God bless all of you and may all of you have a very blessed day.
