

## Is Donald Trump King Cyrus in Isaiah 45?

For you my loyal subscribers, according to the Sensus fidei, I think many of you will be pleasantly surprised with this program because I am going to ask a very interesting question: is Donald Trump King Cyrus in Isaiah 45? And I think I'm going to show that he is indeed! Donald Trump is a very important person in Bible prophecy although I never thought so before, even when I endorsed him for that high office.

And I want to thank many people here on YouTube who have said that Donald Trump is King Cyrus in chapter 45 of Isaiah. However, most do not understand Apocalyptic Literature and there are quite a few rules that must be followed. For example, if King Cyrus is indeed Donald Trump, then all of the other proper names in chapter 45 of Isaiah also must symbolize something else. And one of the most important features of Apocalyptic Literature is that the verses very often must be rearranged in order to understand the prophecy and they are almost always rearranged in a sequence to indicate that the weapon Jesus will use to defeat the Antichrist is Mary's Rosary. And we find this in all of the vision chapters of Daniel. We find it in Ezekiel, we find in Zachariah, and perhaps most importantly, in our Lord's Olivet Discourse where He arranged the 18 verses of the Antichrist into a 666 sequence and the 15 victory verses, which follow those 18 verses, into a 555 sequence, again symbolizing Mary's Rosary; that is, the Joyful, Sorrowful and Glorious mysteries.

So, I have rearranged these verses in the following pattern. And there

<b>1.....4</b>	<b>5.....16</b>	<b>17.....26</b>
<b>2.....3</b>	<b>6.....15</b>	<b>18.....25</b>
	<b>7.....14</b>	<b>19.....24</b>
	<b>8.....13</b>	<b>20.....23</b>
	<b>9.....12</b>	<b>21.....22</b>
	<b>10.....11</b>	

are other possibilities; maybe you can come up with a better sequence yourself. I believe this is accurate and as we go through this chapter, I won't get it all done today, you will see that these verses explain each other when they are rearranged. On the left hand side you see the first four verses arranged one and two

on the left hand side of the column and four and three on the right hand side.

And when you read the verses, you read them 1 - 4 - 2 - 3. Now, this is a typical Jewish convention and it's called a chiasm. And the next 12 verses, which indicate the Antichrist, 6 plus 6, are arranged, 5 - 6 - 7 - 8 - 9 - 10 on the left hand side 16 - 15 - 14 - 13 - 12 and 11 on the

right-hand side. And once again, the verses on the right-hand side explain the verses on the left and you read them 5 followed by a 16, 6 followed by 15, etc. And the last 10 verses, 5 plus 5 indicating Mary's Rosary, are arranged in a similar fashion.

So now, let's begin by looking at those first four verses; I think we have time to do those on this program. And the first verse reads: **'Thus says the Lord to my anointed Cyrus** (This is a very amazing beginning. If Cyrus is indeed Donald Trump, God has anointed him; that means that he has given the Donald a divine mission) **whose right hand I have taken hold of** (God is personally going to direct the actions of Donald Trump. This is amazingly significant!) **to subdue nations before his face**'. This means that Donald Trump, as the 45th President, is not

1 Thus says the Lord to my anointed Cyrus, whose right hand I have taken hold of, to subdue nations before his face, and to turn the backs of kings, and to open the doors before him, and the gates shall not be shut.

2 I will go before you, and will humble the great ones of the earth: I will break in pieces the gates of brass, and will burst the bars of iron.

only going to be the leader of the free world but also the leader of the unfree world, and by the way, that's the first time we seen example significant numerology, one of the characteristics of End Times prophecy, and that is chapter 45 signifies the 45th President.

And I know, Barack Obama is the 44th president; I said he would be the last President but if you watch StillSmallVoice, she says the Lord told her that he is delaying Daniel

and that completely changes all of my timeline of these End Times. And it also changes Natan's timeline, that is the Jewish teenager who saw a vision of these End Times. All of these prophecies, all of my prophecies, as far as the timing goes, are being delayed. That doesn't mean they won't happen because they will eventually happen.

Continuing with verse 1: **'And to turn the backs of kings** (the King James Version says 'loose the loins of kings' and I think that is a little better. What that means is that all the kings of the earth will fear Donald Trump; he will be their commander-in-chief; for example, the nation of Iran. When Ronald Reagan was inaugurated president, Iran released 44 American hostages that same day and I think Iran is going to shape up very quickly with Mr. Donald Trump as president) **and to open the doors before him** (the King James translation says 'two

leaved doors', which I think is a little better, as we will see in a minute) **and the gates shall not be shut**'.

So, we begin this amazing End Times prophecy in chapter 45 of Isaiah fulfilling most of the requirements of End Times Hermeneutics. In other words, we've seen numerology, we've seen symbolism, we've seen that you need a co-prophet. We haven't seen Mary's Rosary yet but we will. Notice there are four actions in this first verse: 1) he turns the backs of Kings, 2) he subdues nations, 3) he opens the doors and 4) opens the gates. 'Four' is the most preeminent End Times number and we see that all throughout End Times Bible prophecy. And we even see that when Pope John Paul II added a fourth mystery to the Rosary, that is the Luminous mysteries. Four is the new three; it is another expression of Almighty God. In other words, God equals the Father plus the Son plus the Holy Spirit. Four is an End Times expression of Almighty God. Notice that all those items are also plural: nations, kings, doors & gates. That means that Donald Trump will be in charge of the entire world.

**4 For the sake of my servant Jacob, and Israel my elect, I have even called you by your name: I have made a likeness of you, and you have not known me.**

**3 And I will give you hidden treasures, and the concealed riches of secret places: that you may know that I am the Lord who call you by your name, the God of Israel.**

So now, let's look at the next verse in the sequence and that would be verse number 4: **'For the sake of my servant Jacob, and Israel my elect.'** Now, once again, if this is End Times Bible prophecy and if Cyrus symbolizes Donald Trump, then we must consider that Jacob and Israel are also symbolic. But, who do they symbolize? Well, Israel is 'my elect'. The 'elect' are a specific group in Bible prophecy; the elect are the remnant Catholics. And

we find this in Jesus' Olivet Discourse (Matthew 24:31) where He says he will **'send His angels to gather together his elect from under the four winds and from one end of heaven to the other.'** Those in one end of heaven are the Raptured Protestants; those in the other end of heaven are the Holy Martyrs. But the elect which He gathers under the four winds are the Protected Catholics and that is whom Isaiah is referring to here. These are the three armies gathered around Jesus at the Battle of Armageddon. So now, who is Jacob? For Jacob we again look at the adjective describing him, 'my servant', and we know from the book of Revelation (Revelation 7:3) that the 'servants' are the

Converted Jews, those who are sealed by the prophet Elijah, 144,000 from the twelve tribes of Israel. All four groups are those who reign with Jesus during the Millennium.

**'I have even called you by your name'**. Now, quite a few people on YouTube have pointed out that the name 'Trump' is very close to 'trumpet' and there are seven trumpets in the book of Revelation and it could very well be that Donald Trump is a representative of those seven trumpets. In fact, one of my subscribers pointed out to me that 777, as Donald Trump's number in Bible prophecy, does not refer to the Scarlet Beast, as I had claimed in my earlier video, but rather to the seven bowl angels, the seven seal angels, and the seven trumpet angels; very interesting and I agree! And in that same video, I pointed out that my number is 7777, and that would include the newly discovered seven herald angels. **'I have made a likeness of you'**. The King James Version instead of 'likeness' says 'surname' and there are other translations which say 'honored name'. I think in this case the Douay-Rheims version, which is what I am using for this program, the Catholic version, is correct, and it's taken from the Latin Vulgate, and the Latin phrase is 'assimilavite' which means 'I have compared you'. This is extremely interesting; it means that Donald Trump is an image of Almighty God! But how do you get the Trinity out of Donald Trump? Well, don't forget his three wives, and that would be: Ivanka, Marla and Melania. Does Donald Trump plus his three wives give us the number four which is the End Times expression of the Divine Trinity?

Now, I realize that's a very esoteric interpretation. However, don't forget in the Old Testament, a prophet (Hosea) was required to marry a prostitute! God is not telling you that you should marry prostitutes or that you should have three wives; he is telling us, I believe here, with his phrase 'likeness of you', that Donald Trump and his three wives symbolize Almighty God in these End Times and Almighty God's hand is on Donald Trump. According to this prophecy he is extremely important and it's also interesting that during this last campaign, all three wives of Donald Trump supported him; it was like one big happy family. All five of his children, by those three different wives, supported him. Compare that to Bill Clinton, for example, and his conquests: they all hate him. Don't you remember during one of the debates, Donald Trump brought in quite a few of Bill Clinton's conquests and they supported Donald Trump. I don't know what people are talking about when they say women don't like Donald Trump. How many men have

three wives and they all still support him like one big happy family? I think that is what the prophet Isaiah is saying here in this passage.

However, this last part of the verse is not so favorable for Donald Trump: **'and you have not known me.'** Donald Trump is a Protestant and God is saying he does not know Him. This would be like King Cyrus, a very good comparison. King Cyrus was a pagan; he did not know God's revealed religion at that time. Donald Trump is a Protestant; he does not know God's religion at this time. And you people who are saying that Cyrus is Donald Trump, you must accept all of the prophecy in Isaiah 45 and there's no doubt that Isaiah is saying that Trump does not know God. That does not mean he does not have a tremendous role to play just as Cyrus had a role to play.

So now, let's go on to verse number 2, which is next in the sequence: **'I will go before you and will humble the great ones of the earth** (very similar to verse number one) **I will break in pieces the gates of brass, and will burst the bars of iron'**. Now, what would be 'brass and iron'; what is the significance in this passage? This is another amazing prophecy. We know from quite a few other passages in the Bible that the 'brass' symbolizes the One World Religion and the 'iron' symbolizes the One World Government. Remember, in Daniel, chapter number 4, when the tree is cut down, the stump is banded by bands of brass or bronze and iron. The magnificent tree cut down and banded represents Western Civilization restricted by the OWR and the OWG.

Don't forget, in Daniel chapter 2, the feet of iron and clay of the statue is broken by the **'stone cut out from the mountain'**. As I've explained before, and Max Borges explained this to me, it's not really clay, it's tin and tin is an ingredient of bronze. The feet of iron/clay also symbolize the One World Government and the One World Religion. Could it be that Donald Trump is the 'stone cut from the mountain'? Well, I don't believe that; the 'stone cut from the mountain' is the remnant Catholic Church. The mountain is the Roman Catholic Church; but it sure looks as if my fellow Catholics and I are going to have to look to Donald Trump as our leader if indeed he is King Cyrus. Much Catholic prophecy talks much about a 'great monarch'. It could be that Cyrus represents someone else other than DT? But there's no doubt, this chapter 45 is an amazing End Times prophecy and 45 certainly looks like the 45th President. Of course, between now and Inauguration Day, it's very possible Barack Obama will fulfill his destiny as the last King of the South and provoke the last King of the North,

Vladimir Putin, into nuclear war and here's where I think the two leaved door, as we found in the King James translation, symbolizes the One World Government and the One World Religion.

So next, let's go ahead to verse number 3 which follows in this new arrangement of verses: **'And I will give you hidden treasures and the concealed riches of secret places** (1)(I believe this refers back to the verse we just read about the gates of brass and the bars of iron. I believe that refers to the hidden treasures and the concealed riches. Donald will be given control of the One World Religion's riches and the One World Government's riches) **That you may know that I am the Lord who call you by your name** (Donald Trump) **the God of Israel'**. And don't forget, 'Israel' symbolizes the remnant Catholics in this End Times prophecy.

So we see that chapter 45 of Isaiah follows all the rules of End Times hermeneutics. I know most other people haven't understood and that's why you need a co-prophet and, as a Catholic myself, I'm going to have to begin to recognize that Donald Trump is my leader, as the leader of the small 'stone cut out from the mountain' which will crush the OWR and the OWG if indeed he is King Cyrus. And I welcome your comments on this; I know a lot of you were very disturbed when I did a one eighty, so I'm doing another one eighty. I mean, I endorsed Donald Trump at the beginning of his campaign; I wrote two campaign songs for him but then I saw that mural in the Denver airport and I recognized those two figures as Donald and Melania Trump. However, I agree with some of you my subscribers who told me, why should I listen to what the Illuminati are saying in those murals? Why shouldn't I listen to what Almighty God is saying in the Bible? And I think that's a very valid point. Donald Trump does not have to follow the Illuminati who are trying to subvert him, who are trying to seduce him, who are probably trying to blackmail him. He can become and fulfill the amazing prophecies about King Cyrus in Isaiah 45.

*1) Since I wrote this, I've come to understand the tremendous spiritual significance of this passage. The 'hidden treasures and concealed riches' symbolizes the Body and Blood of Jesus in the Eucharist which will be given to Donald Trump and he will convert to the remnant Catholic faith which is the 'secret place'.*
