

World War 3 in Bible Prophecy

The topic for this program is the "who, what, where and when" of World War 3. Remember, World War 3 is next on the prophetic horizon. World War 3 is what will trigger the seven years of tribulation. Please don't listen to the false prophets who say that some kind of covenant between the antichrist and Israel will trigger the tribulation period.

Let's see what our Lord says about that in Matthew chapter 24: "And you shall hear of wars and rumors of war, see that you be not troubled for all the things much come to pass but the end is not yet". Our Lord here is referring to World War 3, and World War 3 will trigger the seven years of great tribulation. Remember, our Lord says that these things, which he is talking about here, are "the beginning of sorrows", and the "sorrows" are the tribulation.

Daniel will answer almost all of our questions about the "who, what, where and when" of World War 3, in his chapter number 11, as he writes: "And at the time of the end", that's the time we're living in now, "shall the king of the south", the "king of the south" is Barack Obama, because he came from Kenya, which is due south of Jerusalem, "shall push at him", the "him" is the "king of the north", who is the Premiere of Russia, and Moscow is due north of Jerusalem, "and the king of the north", that is, the Premiere of Russia, "shall come against him", that is, against the President of the United States, "like a whirlwind". Now, the "whirlwind" indicates air power, both planes and missiles.

And Daniel continues: "with chariots and with horsemen and with many ships", certainly, Russia has a great navy, "and he shall enter into the countries", that is, the Premiere of Russia shall enter into America and Britain, "and shall overflow and pass through".

In the book of Revelation, Saint John also talks about World War 3, which he describes as between the Whore of Babylon, which represents Britain and America, and the Scarlet Beast she rides, which represents international Communism. Let's look at chapter number 17: "And the ten horns on the beast shall hate the harlot", the ten horns represent all the leaders of the world, and as we know, most of the world does hate America, "and shall make her desolate and naked and shall eat her flesh", certainly, a nuclear war would cause the burning of people's flesh, "and shall burn her with fire".

This is one more description in the bible about World War 3. In Revelation 9, verse 15, Saint John writes: "and the four angels were

loosed for an hour, day, month and year for to kill the third part of men". Now, this refers to the second phase the World War 3, the invasion of Europe by the kings from the east. This two hundred million man army will raid Europe, especially the nation of Italy, the city of Rome, and the Catholic Church.

In Revelation there are numerous examples where Saint John talks about the destruction of Britain and America, which he calls the Whore of Babylon. "Babylon the great is fallen, is fallen. The two "is fallens" refer to the two nations that will fall, Britain and America. "render to her double, double, and to her double". Notice Saint John uses the word "double" three times, just as he used the phrase "woe, woe: three times. And, Saint John continues: "woe, woe, that great city Babylon". The two woes, again, refer to the two nations that will fall. This phrase is also repeated three times.

In chapter number 8, Daniel also describes World War 3 under hidden symbolism: "Behold a he goat came from the west". This goat symbolizes Communism; it comes from the west because Germany, where Communism was born, fathered by Karl Marx, is west of Jerusalem, "on the face of the whole earth and touched not the ground". This is very important, because when the goat does not touch the ground, that means that Communism's attack against the west will be by air power and by stealth. "And the goat had a notable horn between his eyes". This notable horn is Soviet Russia. "And he came up to the ram that had two horns". These two horns symbolize Britain and America.

And, he came up to the ram that had two horns, which I had seen standing before the river". The river is another indication of Capitalism. Remember, back in Revelation, Saint John sees the Harlot sitting on many waters. "And ran toward him in the fury of his strength". Communism's attack against the West will be very ferocious. And Daniel continues: "I saw him come close to the ram and he was moved with anger against him, and he struck the ram and broke his two horns". Russia will defeat Britain and America in World War 3. "And there was no power in the ram to withstand him and he trampled upon him".

Daniel also foretells this destruction of western civilization in his chapter number 4 when he analyzes the dream of King Nebuchadnezzar: "And the king saw a watcher and a holy one coming down from heaven saying, cut the tree down". This cutting of the tree

down is World War 3. "And destroy it yet, leave the stump in the earth with a band of iron and brass".

These bands of iron and brass symbolize the one world government and the one world religion which will restrict western civilization. "And let its' portion be with the beasts of the field till seven times pass over it". The beasts refer to the three beasts in Revelation: the beast from the abyss, the beast from the sea, and the beast from the earth. And "seven times", of course, refers to the seven years of tribulation.

In chapter number 7, Daniel further describes this one world beast: "Then I would know the truth of the fourth beast which was different from all the others, exceedingly dreadful, whose teeth were of iron and his nails of brass." Again, the iron and the brass symbolize the two constrictions which will be put on western civilization: the one world government and the one world religion.

Even the story of Daniel in the lion's den symbolizes these end times: "Then the king commanded and they brought Daniel and cast him into the lion's den". Now, this "casting" is world war three, and the lion's den symbolizes the seven years of tribulation. And, Daniel continues: "And a stone was brought and laid upon the mouth of the den and the king sealed it with his own ring and the ring of his nobles." These two rings are the same as the brass and the iron. They symbolize the sealing up of western civilization through the one world government and the one world religion.

Let's see what Daniel says in chapter number 7: "As for the other beasts", these are the three beasts, the lion, the bear and the leopard, in other words, Russia, Britain and America, "their power was taken away yet their lives were prolonged for a time and a time". In other words, these three nations will be subservient to the one world government but they won't be totally destroyed.

If the Lord is calling you to leave Babylon and to move to another country, by all means do so. But, what about the very poor? How will they be able to leave? I believe that God will protect the poor. "Leaving Babylon" means leaving her spiritually and morally, not just physically. If you do have an opportunity to move within the country my advice: get as far away from any abortion clinic as you can! In conclusion, let's remember, that God is telling us the "who, what, where and when" of World War 3, not to scare us but to prepare us.
