

## Norway Spiral - God's Warning to President Obama

Everyone has been asking me, is the Norway Spiral, a sign from Almighty God? and of course, this is a sign. You really do not need to ask me. This is one of the signs in the sun, moon and stars, as prophesied in the Bible. The only thing we need to do is to understand what the sign means. What is God trying to tell us? And we also need to understand that this sign has a historical reference, because it refers back to the miracle of Fatima.

Everything about this Norway Spiral was the same as the miracle of the sun at Fatima. Please Google Fatima if you do not know what I am talking about. This was also an image of the End Times comet, which will be a chastisement on mankind. If you don't know about the End Times comet, Google the Bayside Prophecies.

Notice that this Norway spiral was spinning in the sky. This is exactly how the sun appeared at Fatima on October 13<sup>th</sup> 1917 to the three shepherd children. Notice that this Norway Spiral was full of color. This is the same as the Fatima miracle on October 13<sup>th</sup> 1917. At Fatima, the Blessed Mother warned the world that Russia would spread her errors throughout the world. But this Norway Spiral was also a warning to Barack Obama. Barack Obama was in Norway to pick up the Nobel Peace prize. Of course everyone must realize that this is a big joke, but it is not a big joke to the One World people. They approve of Barack Obama's big surge in Afghanistan. They would like to see all American troops fighting in foreign wars.

Now let me close by explaining how this is a sign from Almighty God. I realize that this was a Russian rocket that got out of control. I fully realize that this was a human malfunction, but the Russians did not plan for this rocket to go up as a sign to Barack Obama picking up the Nobel Peace prize. The Russians did not plan for this rocket to blow up. They did not plan for it to make a circular spiral in the skies. All of that was God's working.

This was indeed a very important End Time sign in the sun, moon and stars, which is spoken of in the Bible. Now you won't find the false prophets explaining this to you. They have no idea what this sign meant. As I said, google Fatima, google Bayside, and you will understand that this was an image of the End Times comet which God is going to send to destroy America and the rest of the world,
