

Mary's School of Prophecy

Coronavirus is an Attack on the Roman Catholic Church

Welcome once again everyone to Mary's School of Prophecy. I'm your professor William Tapley, and as I told you this morning I wasn't sure what I would be talking about on this program but we found out that President Trump would hold a press conference this afternoon. I think it started about 3:30 and it occurred to me to look and see where President Trump is found in Bible prophecy namely in Isaiah 45 and Micah 5 and is there any indication in there that he takes on or confronts a plague which is what the coronavirus is? I couldn't find any.

There are lots of indications that he takes on the kings of the world. There are lots of indications that he defeats the One World Government and the One World Religion but nothing specifically as far as the virus goes. And I got to wondering if there is anything as far as the Catholic Church goes, and the reason I say that is because Italy has been very hard hit. In fact here is a quotation from President Trump at this news conference which he held this afternoon. He says Italy has relatively the toughest position of all the countries in the world. And I thought why would this be? I mean Italy, specifically Rome is the home of the Roman Catholic Church, and I think this is a test from Almighty God to allow Satan to test the Catholic Church, for we Catholics, for us to understand that we have big problems in the Catholic Church.

So I thought we could look at some of the pertinent verses from Micah 5 and Isaiah 45 to show that Donald Trump has the right reaction to the coronavirus, and the Catholic Church has practically no reaction. It's a confused reaction, and I think this is exemplified by the fact, for example that they are denying Communion on the tongue, in many places. And how is that going to stop the coronavirus? Are there any instances where the coronavirus was passed on by Communion on the tongue? I don't think so.

There is nothing to indicate that that is going to be a way to save mankind from the coronavirus, but when my sister wanted to receive Communion on the tongue the priest, this past Sunday rammed the host in her hands and said, "Take it", so he was, I guess in his mind, doing his part to stop the coronavirus. And there's no scientific evidence whatsoever that Communion in the hand is better than Communion on the tongue, so I think what this lesson the Lord is letting Catholics realize is that the Catholic Church has been taken over by the Antichrist in Rome and that's why Italy is suffering through this coronavirus much more than this country.

Well first before we get started, let's say our prayer to the Holy Spirit to guide us in this program. In the name of the Father, the Son and the Holy Spirit. Amen. Come Holy Spirit, fill the hearts of thy faithful and enkindle in them the fire of thy love. Send forth Thy Spirit and they shall be created and thou shalt renew the face of the earth.

So I thought Donald Trump gave a very, I would say, reassuring press conference. He had a lot of health care professionals behind him. He answered all of the

newspaper reporters' questions. Some of them of course get very testy because they want to try to embarrass the President. The President just discounts those people. They're not really looking for answers. They just want to make him look bad and there are a lot of people like that in the press, but for the most part I thought they asked reasonable questions. The one question I thought somebody would ask and nobody did, and that is, if he is going to cancel any Trump rallies, and I didn't hear him say anything about that.

He did make an interesting point that this coronavirus is not nearly as bad as the swine flu back in the Obama administration when I think he said 12,000 Americans died, which was a failure. And he really is quite candid in this press conference. He said that our system of addressing a pandemic like this in this country was totally inadequate, and it took him three or four days to find that out, and he got his people together and they are working on a completely different approach, and he's gotten industry in it. He's got Walmart, Walgreens, a lot of companies are going to have these mobile testing units, and I believe that this is an excellent exercise. I don't think that coronavirus is that serious, but it is very good to have these systems in place. And I would like see the Catholic Church try to do something along the same lines except in a spiritual realm.

What is their spiritual response that we have had from the Catholic Church? Zero, as far as I can see. Have we had any crowd saying that we should say for example a particular Novena? Practically everybody at this press conference said we should wash our hands more. Did we have any bishops come out and say we should say the Rosary more? The response has been practically nothing, and I think Micah and Isaiah explain why this is. So let's take a look at some of these verses. I've gone through these verses before. This is where Donald Trump is found in Bible prophecy, but also those of us in the remnant Catholic Church. And I'm going to start with Micah chapter 5 verse number 1.

Micah 5:1 ***“Now shall you be laid waste, O daughter of the robber: they have laid siege against us, with a rod shall they strike the cheek of the judge of Israel.”***

So who is the daughter of the robber? And I know you, my good students already know that the robber is the Roman Catholic Church, and it's called a robber because it takes away the Eucharist. That's the whole purpose of Communion in the hand is to degrade the Eucharist; to give it less and less honour. I haven't seen any improvement in that aspect from the Catholic Church. That's why it's called the robber because eventually the Eucharist, the validity of it, will be taken away from Catholics. That's exactly what Micah is prophesying here.

The “daughter of the robber” is those of us, the remnant Catholic Church who will maintain the Eucharist. Let me go back to that verse again: ***“they have laid siege against us”***. That phrase is what reminds me of the coronavirus because the Antichrist will lay siege against the Catholic Church. This coronavirus I believe is a prefiguring of this siege, and as far as I could see the Pope and the hierarchy has failed in response to this siege.

Let's go back to look at Micah chapter 5 verse number 1: “.. **with a rod shall they strike the cheek of the judge of Israel.**” I have discovered to understand this passage, you actually have to go to Isaiah chapter 45 verse number 11.

Isaiah 45: 11 “**Thus says the Lord the Holy One of Israel**”; now Israel is the remnant Catholic Church, “**his maker**”, this is Donald Trump's maker. The Lord is the maker of course, of Donald Trump. “**Ask me of things to come, concerning my children, and concerning the work of my hands give you charge to me.**’

Now who would be the Lord's children, and what is going to happen? This is a prophecy. So now we go back to Micah 5:1, and we find what he means when he's talking about children. The “**daughter of the robber**”; these are part of the children, the remnant Catholic Church that Isaiah is talking about in his chapter 45 verse number 11.

So now let's look at the next verse. Now this sequence following verse number 1 of Micah, we go in a Rosary sequence to understand the prophecy. And of course I've discussed many times with you on here that you must unseal the prophecy before you interpret it. To understand these verses, you have to rearrange them. In this case you rearrange them in a Rosary sequence, in other words 1 5 3. Therefore let's look at verse number 5 which is next in Micah chapter number 5.

Micah 5:5

And this man shall be our peace, when the Assyrian shall come into our land, and when he shall set his foot in our houses: and we shall raise against him seven shepherds, and eight principal men.

Micah 5:5 “**And this man**”, this is Donald Trump; that's the prophecy, “**shall be our peace**”, “that is what Donald Trump was doing an hour ago. He was giving Catholics peace. Remember this is prophecy to the “daughter of the robber”. That's who “our” is talking about, the remnant Catholic Church here. This is a prophecy.

Donald Trump will be our peace, “**when the Assyrian**”; the Assyrian is the Bible's code word for the Antichrist, and that's what this coronavirus is. It's a prefiguring of the Antichrist coming into our land. At first I didn't know what “our land” refers to, but this is a prophecy to remember the daughter of the robber, that is the remnant Catholic Church. So “our land” is our church; “**and when he shall set his foot in our houses**”, that is when the Antichrist shall set his foot in our churches, “**and we shall raise against him seven shepherds, and eight principal men.**” That's a total of 15. That refers to the Rosary.

So Donald Trump is our peace, not some Pope or hierarchy. Isn't that interesting that when the Antichrist lays siege against our remnant Catholic Church, Donald Trump is our peace. And this is the expression that we saw today. Donald Trump's response which he just gave, a half hour ago was much more reassuring than anything that anybody in the hierarchy or certainly the Pope has said. Closing churches; how can that bring peace to people? Not giving Communion on the tongue; degrading the Eucharist even more, which is the liberal response. That was not peace, and as Micah is saying here, that it is Donald Trump who is going

to bring peace to our remnant Catholic Church. That is this prophecy. Let's look at verse number 3 which follows verse number 5 in Micah chapter 5.

Micah 5:3

Therefore will he give them up even till the time wherein she that travails shall bring forth: and the remnant of his brethren shall be converted to the children of Israel.

“Therefore will he give them up”; now this is Donald Trump. He is going to abandon us, **“even till the time wherein she that travails shall bring forth;”** this is Mary who is going to convert Donald Trump and his brethren, the Protestant brother, **“and the remnant of his brethren”**, that's the Protestants in this country, **“shall be converted to the children of Israel.”**

And Israel is both Isaiah and Micah's code word for the remnant Catholic Church. The “children” would be those of us in the remnant Catholic Church and, as Kim Clement says, and it's verified here in Micah, Donald Trump and his brethren are going to be converted by the intercession of Mary.

Now this has not happened yet. I believe that Donald Trump who is planning to take on the Deep State, and he says the storm is going to come soon, I don't think he's going to quite be able to handle it. This is going to be very, very difficult. That's why we need to pray our rosaries for Donald Trump, especially at this time, and as we've been doing on here.

So the next verse is verse number 7, and you'll have to take my word that this is the correct sequence. I've explained it before, and Micah 5 verse number 7.

Micah 5:7

And the remnant of Jacob shall be in the midst of many peoples, as a dew from the Lord, and as drops upon the grass, which waits not for man, nor tarries for the children of men.

“And the remnant of Jacob”, now this is different than the remnant of Israel. Remember those of us in the remnant Catholic Church, we are called, the children of Israel. The remnant of Jacob is the Jews and now this whole verse is to give a timing of these events. The timing is when the remnant of Jacob, that is the Jews, who are going to be saved, **“shall be in the midst of many peoples.”** And of course this has

been going on for many centuries, **“as a dew from the Lord, and as drops upon the grass, which waits not for man, nor tarries for the children of men.”**

So this is the timeframe that Micah is giving here. When will all these occur? When will the Catholic Church be a robber? That is, take away the daily sacrifice from the Prince? **“and with a rod shall they strike the cheek of the judge of Israel”**. That is when I am predicting that the judge of Israel, that would be the true Pope, in this case Pope Benedict, is struck with a rod. And I believe that Pope Benedict will be martyred. And when does this occur? This occurs at this time, when the Jews are the remnant of Israel and are scattered throughout the world, as Micah is prophesying here.

So now after those four verses of Micah, 1, 3, 5 and 7, we go back to Isaiah chapter 45 and verse 17 comes next.

Isaiah 45:17

Israel is saved in the Lord with an eternal salvation: you shall not be confounded, and you shall not be ashamed for ever and ever.

“Israel is saved in the Lord”. Now Israel, what is Israel? Israel is our remnant Catholic Church. We are the daughter of the robber; **“with an eternal salvation: you shall not be confounded, and you shall not be ashamed for ever and ever.”** The coronavirus is not going to have an effect on us, and Donald Trump remember is going to be our peace. Let's look at verse 22 of Isaiah 45.

“Be converted to me, and you shall be saved, all you ends of the earth: for I am God, and there is none other.” In other words the ends of the earth must join our remnant Catholic Church.

Verse number 2 comes next. **“I will go before you,”** now this is going before Donald Trump, **“and will humble the great ones of the earth:”** remember both of these chapters, Isaiah 45 and Micah 5 are primarily about Donald Trump. **“I will go before you, and will humble the great ones of the earth:”**, and certainly he is doing that with all of the kings of the world, and **“I will break in pieces the gates of brass and will burst the bars of iron.”** The gates of brass refer to the One World Religion. Brass symbolizes religion in the Bible. And **“burst the bars of iron”**. Iron symbolizes secular society, in this case the One World Government. They are the two metals. Remember in Daniel 4, the two bands around the stump of the tree. The tree which is cut down symbolizes decadent Western civilization. The two bands are a band of brass and a band of iron. They represent the One World Government and the One World Religion which puts a stricture on the stump of the tree which is cut down, and Donald Trump is going to break those two bands. That's what this is a prophecy about.

So let's look at the last verse I want to look at today, verse number 4. **“For the sake of my servant Jacob, and Israel my elect”**; so we've already discussed what the servant of Jacob and the elect of Israel refer to. The servant of Jacob refers to the remnant Jews who will be saved. Israel refers to the remnant Catholics, who will be saved, and we saw that code word “elect”, and in my last two programs we found that in the Book of Revelation and also where Jesus talks about the elect when He sends His angels to gather His elect from under the four winds. That refers to the Catholics, the remnant Catholics. That's both Micah's code word and Isaiah's code word here, and the code word for Jesus Himself in the Olivet Discourse when He sends his angels to gather his elect.

Israel is the newer name for Jacob. Jacob is his older name. Israel therefore represents the Catholics. Jacob represents the Jews, and that term “servant”. That's a code word which we have been talking about on the last two programs in the Book of Revelation remember? It's the servants who are sealed; the 144,000, 12,000 from every tribe of Israel.

“I have even called you by your name:” this is God calling Donald Trump. ***“I have made a likeness of you, and you have not known me.”*** And I have been saying all along on here, Donald Trump does not know God but he will, because I don't think I have this on a slide, but God says to Donald Trump, ***“I will give you the hidden treasures, and the concealed riches of secret places: that you may know that I am the Lord who call you by your name, the God of Israel”***, the God of the remnant Catholic Church.

And I am convinced that the hidden treasures and the concealed riches refer to the Eucharist, the Body and Blood of our Lord. Secret places refer to the tabernacles of Catholic Churches where the Eucharist is still valid. In many churches the Eucharist is no longer valid as I've explained on here many times.

So I think that is all I wanted to say this afternoon and I kind of worked up this program at the last minute. I probably could have done a better job but I do think that the President's address was much more reassuring than anything coming out of the Vatican, and that's my point in this lesson and we find that prophesied in the Bible.

Okay everybody well thanks so much. So until I see all of you again, may God bless all of you and may all of you have a very blessed evening.
