

## How Can Trump / Q Anon Give Pope a Terrible May?

I'm out here early in the morning so you can listen to my cat birds. They come back to this particular area every year. They must like this particular combination of bushes here, and I love to hear them because they imitate a lot of other types of birds. Unfortunately there are also a lot of mosquitoes around this morning, so you may watch me slapping them away.

I want to do one more video on the terrible May which Pope Francis is supposed to have according to Q Anon, and today is May 31st, so he's only got a few more hours to fulfill that prediction of Q Anon, and a little while ago, about 3 to 10 days ago, I said the Pope will not have a terrible May, because I think President Trump / Q Anon has bitten off more than he could chew. And here is what Q Anon originally posted; he said that those who backed the Pope will be pushed into the light, and I noted that according to WikiLeaks, people like John Podesta and Hillary Clinton and Barack Obama were the ones who initiated a coup within the Vatican, to take out Pope Benedict and to bring in a pope who was much more liberal, and that's exactly who they got; but after Q Anon posted that prediction, he showed this picture of a demon owl.

I showed you this before, and the demon owl represents the Illuminati and thus and Q Anon called this demon owl "the Guardian of the Pope". In other words Donald Trump is having a little more difficulty than he thought in exposing those who abet Pope Francis. And I pointed out in their video that even though Donald Trump has a tremendous mandate in Bible prophecy to defeat the One-World Government, that would be the gate of iron and the One World Religion, which would be the gate of brass, he does not have a mandate to crush Satan's head. The Blessed Virgin Mary has that mandate. If he wants to expose Pope Francis, as backed by demons and he wants to name names, he's going to have to get help, and that's where you and I come in.

And I want to read this very interesting letter I

got from Mark in New Zealand because I think he has a solution and I want to discuss this with you. **"Dear William, as a supporter and a keen disciple of Our Lady, I would like to promote the Rosary and use it as a means to support your apostolate."** Thank you Mark. **"Due to a road accident thirty years ago I am unable to write, therefore I am dictating this to my wife. I was brain damaged and would like to promote the Rosary as a weapon to support Donald Trump."** This is a great idea Mark. **"Through circumstances, I found a ready partner in praying the Rosary with Mike and Kate online."**

Well Mike and Kate, I looked them up and they do have a lot of videos praying the Rosary here on YouTube and I do like the way they pray the Rosary, but it's taped. I mean the videos have been posted many years ago some of them, and I never like praying Rosary to a recorded version. I really think the Rosary should be recited. Well anyway Mark continues; **"The immediate access means I can pray morning and afternoon, and pick up where I left off over the day. I say many complete mysteries that I would otherwise be not able to pray. On Google one can access the 15 promises that Our Lady makes to her faithful followers"**. And these are very interesting. Look them up. **"Promises 10 and 11 say that whatever you pray for, you will obtain, and if you promote the Rosary, you will be helped in all your difficulties"**. And I found that to be very true. I promote the Rosary based on personal experience also. **"I am asking you William to promote through your weekly talk on YouTube, the Rosary and to use it as your favorite weapon. As a brother in Christ, I pray you can do this immediately and often. Please pray for my family, my wife and 11 children, our faith and unity in Christ."**

And as I say, this is from Mark, and he sent this from New Zealand. So thank you Mark and I want to say, that I really do think I have already done quite a bit promoting the Rosary. If you do a search on YouTube under Mary's Rosary, and you refine your search by only those videos that have closed captions or in high definition, you will find that about a third of all the videos on Mary's Rosary here on YouTube have been posted by Yours Truly, and I'm very proud of that fact. But what Mark is suggesting I think is going to be a little more difficult, and that is to put a live Rosary on YouTube. And I have thought about this for a long time, and I would like to do this, at least I would like to try it. And there are many other people who are live streaming so it can't be too difficult, and even though I'm just one person here, I think it's possible that you

and I could pray the Rosary together through a live stream here on YouTube and I would love to have your participation.

Remember Jesus said, "Wherever two or more are gathered in my name, I will be there also". And I think what I would like us to pray for is for the conversion of President Donald Trump. He is not going to be taking on any demon. He is not going to be able to expose those who support Pope Francis, without help, without your help and my help. So let me know what you think. If I do decide to do a live streaming of the Rosary, I would like to do it every day if possible, when would be a good time? Would morning, afternoon or evening be a good time? Make your comment below. Let me know what would be a good time for you, and let me know what would be a secondary good time. And I will take into consideration all of your possibilities. I would say noon would be a good time for me, but maybe in the evening would be much better, because then I would be more apt to have a family praying along with me. And I think that the purpose of praying the Rosary for our president Donald Trump in this letter from Mark shows that even in New Zealand they are interested in supporting Donald Trump.

And remember Donald Trump defeating the One World Government and the One World Religion; that is a worldwide effort. I remember Donald Trump ending one of his speeches, he said "God bless America" and "God bless the world".

I have never heard a president say that, but Donald Trump understands that he has a very important mission, but he needs our help. He needs our help if he is going to defeat the evil entities of the End Times; that would be the Antichrist, the False Prophet and Satan. So, let me know what you think in the comments below, and thanks for watching, and thank you Mark for sending me a message all the way from New Zealand.
