

## **Court Okays Gay Marriage! God's Wrath is Next!**

Much as it is distasteful to me, I do feel a need to report on the Supreme Court today legalizing the crime of sodomy, and they call it gay marriage, which is of course an absurd euphemism. But what does the Bible say about gay marriage and homosexuality and sodomy? Well, Jesus said it would be a sign of the End Times, along with Noah and the Ark.

Here's what the scripture says: "**as it came to pass in the days of Noah so shall it be in the days of the Son of man.**" In other words, when Jesus returns, and this is Luke chapter 17 verse 26. And verse 27; "**they did eat and drink, they married wives, they were given in marriage until the day that Noah entered into the ark, and the flood came, and destroyed them all.**"

And now Jesus talks about Sodom and Gomorrah. "**Likewise as it came to pass in the days of Lot; they did eat, and drink, they bought and sold, they planted, and built; and in the day**"; Notice that a specific time; in the day; "**that Lot went out from Sodom**"; that is a prediction of the Rapture, Lot is saved from this destruction, as was Noah, "**it rained fire and brimstone out of heaven and destroyed them all.**" That includes the United States of America in its prophecy. In fact, this is very similar to what happens to the Whore of Babylon in the Book of Revelation. Jesus here is prophesying about what will happen to the United States because of today's Supreme Court decision.

**"Even thus shall it be in the day when the Son of man shall be revealed."** This is very interesting, because the Whore of Babylon in the Book of Revelation is destroyed by the Scarlet beast and who does the Scarlet beast represent? In these End Times it's the Soviet Union. In other words, the Soviet Union, today's Russia opposes gay marriage. God is going to make it clear, that he is destroying a country that legalized gay marriage by a country that opposes gay marriage. This is very significant. Everyone in the world will understand why America was punished. Maybe you remember when President Obama sent a homosexual delegation to the Winter Olympics. What did Vladimir Putin say? He said, "Let them come. Just keep them away from our children."

Vladimir Putin suggested that people of all sexual orientations are perfectly welcome in Russia ... as long as they don't go after the children.

Vladimir Putin's destruction of the United States as the last King of the North is found in Bible prophecy. It fulfills the words of Jesus. The Supreme Court decision may make a few people happy, but it will bring the wrath of Almighty God on the rest of us.
