

Revelation 12 Sign Fulfilled! Red Dragon Next

Yesterday was reading a very interesting article on Life Site news, they are a terrific website by the way, about these 62 Catholic Bible scholars who are accusing Pope Francis of heresy; and just this morning it dawned on me, that was the fulfillment of the Revelation 12 Great Sign! Those 62 Bible scholars represent the remnant Catholic Church. And I have said all along that the Woman clothed with the sun, with the moon under her feet, on her head a crown of twelve stars, and being in labor and bringing forth the man-child, that represents both Mary and the remnant Catholic Church.

I'm going to read part of that article but first I want to mention that I also watched this morning a video by Steve Cioccolanti, one of my subscribers recommended it, and he tried to debunk the debunkers by doing a parody and it's very hard to use sarcasm; people don't understand sarcasm. A lot of them are always going to think that you are telling the truth and that wasn't Steve's purpose and I laud his effort. But he did make a very interesting comment; he said that these three hurricanes and the Mexican earthquake, which was the worst we've had in a hundred years in Mexico City, preceded this great sign and he said the acronyms of the hurricanes were Harvey, Irma and Maria, in other words, H-I-M, and I agree with him, those hurricanes came from 'Him', they came from God Almighty. But, before I get to that article, which I'm going to read part of, I want to read to you from Revelation the verse that immediately precedes the Woman clothed with the sun, and that is Revelation chapter 11, verse 19: ***'And the Temple of God was opened in heaven and the Ark of his Testament was seen in his temple and there were lightnings and voices and an earthquake and great hail.'*** This is what immediately precedes the Great Sign. Except for the 'voices' those are all natural disasters and I think that's what Steve was talking about, the H-I-M, that fulfills Revelation 11:19.

So now, I want to show you how the Revelation Great Sign was fulfilled exactly to the day and perhaps even to the hour. And, as I say, this is an article from Life Site news and I'll show you the headline:

<https://www.lifesitenews.com/news/breaking-62-scholars-correct-pope-francis-for-propagating-heresies>

'Over 60 Scholars Correct Pope Francis for Propagating Heresies". Well, I've been saying that all along. And the dateline is Rome, September 23rd. Rome would be very close to the time zone of Jerusalem; this may have been issued exactly at the hour that the moon was under

the woman's feet. And here's what the article says: **'Expressing profound grief and filial devotion Catholic clergy and lay scholars from around the world have issued what they are calling a filial correction to Pope Francis for propagating heresy. The filial correction in the form of a 25-page letter** (now I haven't read this letter yet, I'm going to read it and I hope somewhere in there they give credit to Mary for inspiring them; as I say I will read that and report back in a few days, I hope) **bears the signatures of 62 Catholic academics researchers and scholars in various fields from 20 countries** (now 62 is an interesting number; 6 plus 2, of course, equals 8 and that is the number of new beginnings in the Bible. I believe these 62 Bible scholars represent the beginning of the remnant Catholic Church, and they are in labor, just as the woman in the constellation was in labor) **They assert that Pope Francis has supported heretical positions about marriage, the moral life and the Eucharist and they are causing a host of heresies and other errors to spread throughout the Catholic Church** (how true that is) **The correction was delivered to the Pope at his Santa Marta residence on August 11th 2017** (that's six weeks ago) **no similar action has taken place within the Catholic Church since the Middle Ages when Pope John the 22nd was admonished for errors which he later recanted on his deathbed. With profound grief, but moved by fidelity to our Lord Jesus Christ, by love for the church, and for the papacy, and by filial devotion toward yourself, we are compelled to address a correction to your holiness on account of the propagation of heresies affected by the apostolic exhortation Amoris Laetitia and by other words, deeds and omissions of your holiness.'**

Well, I have been saying for quite a few months that Amoris Laetitia is the 'Manifesto of the One World Religion'. And I've been showing you this on my programs recently: this is the logo of the One World

Religion (cover of 2017 Missalette) and you can find this in Catholic churches throughout the United States.

And by the way, if you turn this upside down it looks to me like that is a demon or an alien, the same thing. So these 62 Catholic Bible scholars represent the remnant Catholic Church and they fulfilled the September 23rd prophecy of the woman in labor to give birth. They will give birth to the man-child who is raptured; that represents the 144,000 Protestants. I believe these 62 Bible scholars are going to inspire them to become Catholic when they realize that we in the remnant Catholic Church are opposing Pope Francis, the False Prophet, and I do believe that president Trump will be converted also.

And I got a message this morning from Gladys and she asked me about the timing of these events. Well, immediately after the woman comes the great red dragon, and in the first half of the Great Tribulation, the woman flees, and that means that she flees from something, in this case the Roman Catholic Church and she flees for 1260 days. In the second half of the Great Tribulation, she flies to her place in the wilderness, she flies to her refuge. So I believe there is a first half and a second half. I've always said that the seven years of Great Tribulation end in the fall of 2017 with Armageddon. You can go back and watch my videos since 2008 and a lot of my critics said no, the Great Tribulation begins in the fall of 2017; I now see that is very likely. In order to get everything fulfilled in Bible prophecy, I think we do need all those seven years. And as I say, following this Great Sign, which has been fulfilled and was fulfilled exactly to the day by these 62 Bible scholars who represent the remnant Catholic Church, next comes the great red dragon; that will appear in heaven as the

prophecy goes and it will also be expressed here on earth, just as the remnant woman, the remnant Catholic Church was expressed in both the constellations and here on earth.

Well, that's my message for today; we are certainly in extremely interesting times. These are exciting times and we really should not be worried about it; we are in God's hands and don't forget to pray Mary's Rosary; God has placed her in charge of crushing the head of Satan and he has put us, the remnant Catholic Church, the seed of the woman, in charge of crushing the seed of the serpent which is the Antichrist and the One World Government.
