

Mary's School of Prophecy Which Abomination of Desolation in Bible Prophecy is a Warning for the Rapture?

I want to talk about the last of the four groups that must pay attention to the abomination of desolation, so that they know when to flee. As you know, there are four groups who will reign with Jesus during the Millennium, the raptured Protestants, the protected Catholics, the holy martyrs and the converted Jews, and each group has a specific abomination of desolation that warns them so that they will know when to flee. In the Olivet Discourse, Matthew 24, Jesus says, "When you see the abomination of desolation spoken of by Daniel the prophet", and then He gives four flight patterns for those same four groups I just spoke about. And if you go to Daniel, he talks about four different abominations of desolation. Now I'll show you the chart here, because we have already looked at three of these, and we are going to look at the fourth one tonight.

Before we start let's say the prayer to Our Lady of All Nations. Let's pray. In the name of the Father, the Son and the Holy Spirit, Amen. Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from degeneration, disaster and war. May the Lady of All Nations, the Blessed Virgin Mary be our Advocate; Amen.

So now I think we can start and I want to show you, first of all the chart.

ABOMINATION OF DESOLATION

Prophecy	Group Affected	Who Causes	Destination
Daniel 8 verse 13	Holy Martyrs	Antichrist	Heaven
Daniel 9 verse 27	Converted Jews	Prince Who Comes	Mountains
Daniel 11 verse 31	Raptured Protestants	Antiochus Epiphanes	Heaven
Daniel 12 verse 11	Protected Catholics	False Prophet	Desert

These are the four different abominations of desolations that Jesus spoke about which He warned about when we see these abominations. And on the left-hand column, you see the four different verses from Daniel. In the next column you see the four groups which are affected, and we've already looked at the holy martyrs in Daniel 8. I think we looked at that yesterday, and we can tell that has to do with the holy martyrs, because it's about the Antichrist and how he is going to kill a lot of

people. That's how I knew that Daniel 8 verse 13, that particular abomination of desolation had to do with the martyrs.

The next column down Daniel 9 verse 27, I knew that had to do with the converted Jews, the abomination of desolation that we find in that verse, because that entire chapter is all about Israel and the Jews. In fact the words "Israel" and "Jerusalem", those words are found in Daniel 9 I think it's there nine times, the same number of times as found in all the rest of Daniel, all of his other chapters. That's how you can tell that Daniel 9 has a specific warning to the End Times nation of Israel.

Then at the bottom you see Daniel 12 verse 11 which has to do with the protected Catholics. I was able to determine this back when I was trying to figure out which abomination of desolation each group had to pay attention to. And we discovered that when we understood the structure of Daniel 10 and Daniel 12, because Daniel 10:3 is about the Holy Eucharist being taken away by the False Prophet, therefore I knew that particular verse had to do with the protected Catholics. So therefore by a process of elimination, I figured out that the fourth time that Daniel talks about the abomination of desolation which is in Daniel 11 verse 31, that could only refer to the fourth group which is the raptured Protestants, because if it weren't for a process of elimination, you would not understand that is who Daniel is warning about.

Now I want to just review what we did, I think it was two nights ago, and I showed you how the abomination of desolation is affecting Catholics, and I showed you how this divorced president of Argentina and his mistress received Holy Communion in the Vatican. The Vatican is now giving Communion to people who are living in mortal sin. That means that the Eucharist in the Vatican, and in fact the city of Rome, whichever churches within the city of Rome where the bishop is the Pope, those Eucharist are invalid, and in the same way with Fatima.

And I showed you this bishop who very publicly gave Communion to people living in mortal sin. That invalidates the Eucharist and Fatima. So that is the abomination of desolation that has already come in. That is the first abomination of these End Times and it has already taken effect. And as I said, this is going much faster than I thought, and you have got to determine on your own, whether your parish, whether the priest is truly consecrating the Body and Blood of our Lord or not.

The second abomination of desolation has to do with Israel, as I showed you, Daniel 9:26 and 27. That is about to take place and the big peace plan that President Trump announced this week; that is part of the confirmation of the Covenant. And next, the Anointed One will be cut off, and following that, the prince of the people who will come will destroy the city and the sanctuary. That's the second abomination. The third abomination of desolation is when the Antichrist starts killing people. That's the martyrs in other words. That won't occur until he is revealed, so we might have a little bit of time before then, although he could be revealed tomorrow. We don't know. So now the fourth one, which I have not looked at, is the one that affects the raptured Protestants. So let's look at Daniel 11 verse 31.

“His armed forces”, this is King Antiochus Epiphanes; he is an historical figure and I believe this was like about 150 or 170 BC, something like that, **“will rise up to desecrate the temple”**; this is a prophecy from Daniel about Antiochus, but it's also an End Times prophecy; **“he will rise up to desecrate the temple fortress and will abolish the daily sacrifice. Then they will set up the abomination that causes desolation.”**

So the point is that this has already occurred several thousand years ago, but the terminology is all the same, in other words, the daily sacrifice is taken away. I mean you could say this applies to Catholics, because that's what's happened in the Catholic Church, the daily sacrifice has been taken away. That's why, by the way, Micah calls the Catholic Church the “robber”. We are the daughter of the robber. We, in the remnant Catholic Church, are the daughter. The Roman Catholic Church is the robber, and it's called a robber because it steals. It steals the Eucharist. That's exactly what Pope Francis is doing. So this terminology could refer to the Eucharist in the Catholic Church, but as you can see, it happened over 2,000 years ago, so I question this. I know this must refer to the raptured Protestants. That's the only group that we have not covered when I was figuring this out.

I said why would something that occurred over 2,000 years ago be a warning to Protestants of the Rapture? And it dawned on me that Jesus says over and over again that you cannot know the timing of the Rapture. You do not know when the bridegroom comes for the bride. He comes at midnight, and that's the parable of the five wise and five foolish virgins. So that's when I realized that the warning for the Protestants occurred a long time ago. You have to be ready, you remnant Protestants. You have to be ready at any minute. You don't know when you're Rapture is going to occur. And Jesus, if you read the Olivet Discourse, you know that He says that over and over again.

Okay thanks everybody so God bless all of you and may all of you have a very blessed evening.
