

Revelation 12 'Great Sign' is forming NOW!

Right at this moment I am extremely excited because I know that overhead in the Sun and around the Sun is forming the Great Sign of Revelation 12, and already the three planets are lined up, Mercury, Mars and Venus. Jupiter is, at this moment, being born through Virgo. The only part of the Great Sign that has not come into position yet is the moon and that is very close. And all of you should get the computer program, Stellarium, so you can see this amazing line-up of the constellations right now. And to me I am thrilled, and I wasn't planning to do this video, but I got so excited thinking about it. Next, I want to show you what the moon is like in the sign right now, the Revelation 12 sign, you see the moon will be at Virgo's feet and it's getting into position right now.

In fact, in Israel, the 23rd will start in about five hours and it's interesting that tonight, Donald Trump is addressing a rally in Alabama in support of a man named 'Luther'! Would you believe that? In fact, I think the candidate's name is 'Luther Strange'! I'm not making that up. As you know, I've been saying all along that the result of this Great Sign is that Donald Trump will convert from Protestantism to Catholicism. So now, the question is, will it be something good that causes him to convert or something bad? God gave us another sign in sports when the Cleveland Indians lost their 23rd baseball game after they had won 22 consecutive games and they've won every game since then. I think that is significant since 23 itself is an 'evil' number because it puts man (2) before God (3).

So now I want to read in Micah and Isaiah and, as you know, I am NOT a prophet, I'm a co-prophet; I interpret Scripture. And I see this Great Sign also described in Isaiah 45 and Micah 5. And I've read this before, in Micah chapter 5, verse number 3: **'Therefore will he give them up until the time** (that's the only place 'time' is mentioned in these two chapters) **wherein she that travails shall bring forth** (and that is a perfect description of the Great Sign this weekend) **and the remnant of his brethren shall be converted to the children of Israel.'** That's the remnant of both Jesus' brethren (Jews) and Donald Trump's brethren (Protestants).

Now Jesus' brethren, the Jews, certainly won't convert to the 'children of Israel' unless 'Israel' symbolizes something else and, as I've said all along, 'Israel' is Micah and Isaiah's code word for the remnant Catholic Church which is what they will convert to; that's what this prophecy is all about. So it may not be something good that converts Donald Trump, which I hope and pray it is. By the way, we should all be praying and fasting before this Great Sign. Here are the bad events that are mentioned in Isaiah 45 and Micah 5; could it be one of these that will occur this weekend? In verse number 1: **'Now shall you be laid waste O daughter of the robber, they have laid siege against us and with a rod shall they strike the cheek of a judge of Israel.'** This is persecution of the remnant Catholic Church and the martyrdom of Pope Benedict. I don't see those things happening this weekend but then again, that could be the bad events that will convert Donald Trump.

The next thing that occurs, which I think is more likely, as found in verse number 10 of Micah, chapter 5: **'And it shall come to pass in that day** (this is the only time 'that day' is mentioned in these two chapters and it would seem to refer back to the time of the Great Sign, in other words, September 23rd. Or it could refer to Armageddon. The Old Testament prophets often refer to Armageddon as 'in that day', so it doesn't have to be. But here's the rest of that passage: **'in that day says the Lord I will take away your horses out of the midst of you and I will destroy your chariots** (he's talking about the End Times nation of Israel) **and I will pluck up your groves out of your midst and will crush your cities.'** Is that what will happen this weekend? I believe that kind of event very likely could convert Donald Trump. He would realize that he does not have all the power and authority that he thinks he has. He really has to resort to a higher authority and the prophecy is that God will give him the **'hidden treasures and**

concealed riches of secret places' which refers to the dogma and doctrines of the Catholic Church.

And I hope he understands that very soon, maybe at the rally tonight, when he is supporting 'Luther'. And I showed you this in my last video; this is the image of Our Lady of Guadalupe.

This is the same as the Great Sign; she is crushing the serpent; that is Mary's prophecy back in Genesis 3:15. She is blocking out the Sun, the Sun God 'Ra', this is 'Hathor', the cow goddess. This is the symbol of the One World Religion that she is destroying. And you should pray Mary's Rosary and you should wear her Scapular; those are the weapons we have. We are not going to get much help, certainly from Donald Trump, and certainly not from anyone in the New World Order, until he converts. And as I have been saying all along, I think that will be the consequence of the Great Sign which is occurring right now up near the sun, except, as I say, for the moon and that will soon move into place. I believe it is directly under the feet of Virgo on Saturday morning about 10 o'clock Eastern Daylight Time. But there's a window of opportunity there, about 20-24 hours. So it could occur later than that. In any case, I'll see you after the Sign.
