

Gay Bars! Plane Crashes! God Warns Obama!

Over the weekend, Almighty God gave another very significant warning to the United States of America and to Barack Obama and that was at the terrorist shooting at that gay bar in Orlando, Florida where 50 people were killed: 49 victims and one shooter, and 53 were hospitalized. Nobody, as far as I know, has explained the significance of the numerology because that was not just a terrorist attack, it was a warning from Almighty God.

That Pulse bar symbolized Barack Obama and that's because gay rights and transgenderism and LGBT, all that sort of perversion, is a hallmark of Obama's administration. As they say, John F Kennedy wanted to put men on the moon and Barack Obama wants to put men in women's restrooms. That's how far he has degraded America. The number 50 signifies the 50 United States of America. That's because we are going to be destroyed as God says in His Bible prophecy. And I told you this eight years ago: Daniel 11 would be fulfilled. However, there is a silver lining: the 53 who were not killed, who were only injured, that symbolizes Mary's rosary because there are 53 Hail Marys in one complete Rosary and that is also the message of Daniel 11.

This is the third warning Almighty God has given us in a space of 30 days. Remember, less than a month ago, that flight 804, EgyptAir flight crashed. 66 people were killed; more very significant numerology. That flight left on May the 18th; that would be 6 plus 6 plus 6. None of this is accidental. God speaks to us through significant numerology.

A few weeks later, Barack Obama was at the graduation ceremonies of the Air Force Academy Colorado. One of the flying jets in that demonstration, number 6, crashed and Obama was there. That was a warning to our president. At the same time, a few hours difference away, in Tennessee, one of the Thunderbirds crashed, number 6. Those planes hardly ever crash. I think the previous one was 10 years ago. That was all very momentous: a very significant warning to America and to president Barack Obama.

And what happened just before this gay bar incident? Christina Grimmie, a pop singer, was killed also in Orlando, another significant tragedy. Both events occurred in the same city; and what was the date of her death? She died on June 11th. That references Daniel 11, which I've been telling you about for years and that is what all of these events

point to: the fulfillment of the Daniel 11 prophecy in Scripture. And in that Bible prophecy, 444, which represents Obama, is defeated by 666, which represents the Antichrist, who in turn is defeated by 555, which represents Mary's Rosary.

I think we can see where all three of these events point to Daniel 11. And now I want to conclude by saying that we should not, as Christians, say that these 49 homosexuals deserved to be killed. What would Jesus say? There was a very similar event in Bible prophecy: Jesus referred to it as the parable of Siloam and that is when 18 people were killed in a building collapse, and of course 18 is 6 + 6 + 6.

God has been using this significant numerology for 2,000 years. And what did Jesus say to the people whom he was talking to? He said; ***'do you think those 18 were more guilty than anyone else in Judah? I tell you no, but unless you repent you likewise will perish'*** (Luke 14:4-5). And I am asking you who live in America, and Barack Obama: those 50 who died in Orlando, were they more guilty than any of the rest of us? I tell you no, but unless you repent, you likewise will perish!
