

Russia, WW 3 and Four Blood Moons

This is part three in my series on the prophetic Four Blood Red Moons which will begin next month and they are a prophecy that 666, that is the Antichrist, is about to take over the entire planet because these four lunar eclipses are separated by exactly 6 lunar months, And Dr. Hagee has written a book saying that Vladimir Putin is going to be defeated by Almighty God and that is wishful thinking. Those are cushions. Dr. Hagee wants to be a popular prophet and you are not a popular prophet if you tell the truth about the End Times.

A lot of my subscribers have been asking me about Vladimir Putin and the Russians moving into the Ukraine, and if you think they are going to stop at the Crimea, again you like cushions and pillows. This is the beginning of the Kings of the East invading the West as prophesied in the book of Revelation. And you won't believe this but Dr. Hagee in his book 'Four Blood Moons' says that Almighty God is going to defeat Vladimir Putin and that is one of the biggest cushions of all. Let me

read what Dr. Hagee says on page 121: *'The point is this, God Almighty created the Jewish State and has sworn to defend it. Anyone, politicians from Haman to Hitler, military giants from Goliath to Iran, or any tormentor from Pharaoh to Putin that presents an existential threat to Israel will utterly be destroyed by the hand of God.'* Dr. Hagee, your pillows are leading the people astray.

The only thing a prophet really should be doing is telling Israel and America to repent, and that is what God is telling us with these Four Blood Moons; but nowhere in your book, Dr. Hagee, do you tell Israel they must repent.

And why should they? If God is going to defend them come hell or high water, there is no incentive for them to stop breaking the Ten Commandments. And here is how you say God is going to defeat Putin miraculously, as you write on page 23: *'The fact that God hurls stones from heaven to*

defend Israel in Joshua 10 is living proof that God will use stones as a weapon of war to crush the invading Iranian and Russian forces coming against Israel. This will happen as recorded by the Prophet Ezekiel in chapter 38.' Dr. Hagee, you are making a grave error. Events in the Middle East are not leading up to the Ezekiel 38 War, they are leading up to the Daniel 9 War.

But now, let's look at Ezekiel 38 and see if we can find Iran and Russia as you claim. Ezekiel 38, verse 3: **'And say, Thus said the Lord God; Behold, I come against you, O Gog, the chief prince of Meshech and Tubal.'** Now I agree with you Dr. Hagee, in Ezekiel 38, God will do the fighting against the enemies of Israel. But Gog is the Antichrist. Are you saying that Putin is the Antichrist? And Meshech and Tubal are parts of Turkey. Are you saying that Turkey, currently in the Middle East, is a threat to Israel? Ezekiel 38, verse 5: **'Persia, Ethiopia, and Libya with them; all of them with shields and helmets.'** Yes Dr. Hagee, Persia does include Iran, but are you saying that Libya and Ethiopia, which today is the Sudan, are also threats to invade Israel?

In fact, in your book you say that Germany is going to invade Israel. I have never heard Prime Minister Netanyahu warn Israel that Germany is about to invade them. Let's look at what you say on page 160: *'The next major prophetic war that is coming to the Middle East will be the Gog Magog War.'* Wrong! The next war coming to the Middle East is World War III. *'Among those nations coming against Israel is Germany who will follow Russia and Iran.'* Well, I totally disagree Dr. Hagee. *'They will be joined by Ethiopia, Libya, and Turkey,'* and then you reference Ezekiel 38.

Well let's look and see if you are correct. Ezekiel 38, verse 6: **'Gomer, and all his bands; the house of Togarmah of the north quarters, and all his bands: and many people with you.'** Now I admit, Dr. Hagee, some Bible scholars say that Gomer symbolizes Germany, although I disagree. They also say that Togarmah and the northern parts symbolize Russia; again I disagree; I believe that refers to Turkey. However, I am going to give you that interpretation. But, that does not explain 'all the bands' and 'many peoples.' You say specifically Iran and Russia and that is correct. They are the threats to the Nation of Israel today, but 'many peoples,' I don't think so. Ezekiel is prophesying about Armageddon when all the nations of the world will come against Jesus as he arrives on Mount Zion.

And now, let's look and see what you say on page 225 because you say that Israel cannot be defeated and that's not correct. Those are cushions, Dr. Hagee. *"The Old Testament prophets clearly state that when the Jewish people return from their second exile, they will never be removed from their covenant homeland again. Therefore, China, (now you're adding China! Certainly, China is not anywhere in Ezekiel) Iran, Russia and the uprising of the Arab Spring will not remove the people of Israel from the land or the land of Israel from the earth."* Well, I agree with that, but the people in Israel will flee as Jesus prophesied in Matthew's Olivet Discourse and Israel will be ruled by her enemies.

And now Dr. Hagee, I want to show you where Iran and Russia are found in Bible prophecy. Daniel 9:26, **'...The people of the prince that shall come shall destroy the city, (this is Jerusalem) and the sanctuary; and its end shall be with a flood.'** Now, here we do find Vladimir Putin in the End Times prophecies of Daniel. He is the 'prince who will come'. He will set up the Abomination of Desolation from which those who are in Judea must flee to the mountains, and God is not going to throw stones at Vladimir Putin. He will succeed in directing his Iranian allies in their invasion of Israel and no one will stop him, just as no one will stop Putin from going into Ukraine.

And you, Dr. Hagee, are continuing to lead your people astray. Let's read what you say on page 111, *'God never breaks covenant. The above body of scriptures proves beyond all reasonable doubt that God gave to the Jewish people a specific piece of real estate that was to be theirs and was forever sealed by a blood covenant. That covenant cannot be rescinded by Russia, Syria, Iran, and its radical legions: Hamas, Hezbollah or even the United Nations and America. God will crush any nation that tries to drive the Jewish people off their sacred soil called Israel.'* Well, actually I agree with you. You are correct, God never breaks covenant. But have you forgotten about the covenant which God made with Israel? If they abandoned Torah, they would be ruled by their enemies? You can read about that in Daniel 9, verses 11 and 12. And how has Israel broken the laws of Moses? By promoting homosexuality and abortion. As John says in the book of Revelation, Jerusalem has become an Egypt and a Sodom.

And now I want to show you somewhere else in the Old Testament where it is prophesied Iran and Russia will successfully invade Israel. II Kings, chapter 2, verse 23: **'And as he was going up by the way (this is the Prophet Elisha) there came forth youths out of the**

city, and mocked him, and said unto him, Go up, you bald head; go up, you bald head.' These youths who make fun of the Prophet Elisha symbolize the End Times Nation of Israel. They do not like true prophecy. They prefer the pillows and cushions of someone like John Hagee. II Kings, chapter 2, verse 24: **'And he turned back, and looked on them, and cursed them in the name of the Lord. And there came forth two she bears out of the woods, and tore up 42 of the youths.'** The two she bears which come out of the woods symbolize Iran and Russia in these End Times. In fact, the bear is a symbol for Russia.

Why do the 42 youths symbolize the End Times Nation of Israel and why should the number 42 symbolize End Times prophecy? The reason is, first of all, the Antichrist reigns for 42 months. But more importantly, 42 symbolizes Israel specifically, and that's because 4 symbolizes the 4 thousand years of the Old Testament and 2 symbolizes the 2 thousand years of the New Testament. This is one way we know God has a purpose for Israel in these End Times. God is going to punish Israel for accepting sodomy primarily, also abortion, and this is one of the ways they will come to know that they have abandoned the laws of God because they will be defeated by the two she bears, Russia and Iran.

I am not going to give Israel and America pillows like you, Dr. Hagee; I am going to prophesy the truth because this is where Iran and Russia are found in Bible prophecy. They're not found in Ezekiel, they are found in Daniel 9 and in II Kings. And this incident of the two she bears attacking the 42 youths was verified more than 2,000 years later as an End Times prophecy by Almighty God during that horrific forest fire in Israel in the Fall of 2010 when 42 youths were burned alive in a tour bus. *"Israeli forest fire 'an unprecedented' disaster, 40 prison guards,(and these were all young cadets) killed as bus burns during rescue."*

And you can see the burned-out frame of the bus here in the background. And two more prison guards died later that weekend to bring the total to 42, and in fact, a week later, another died and a week after that another for a final total of 44 deaths.

Israeli forest fire an 'unprecedented' disaster; 40 prison guards killed as bus burns during rescue

An Israeli medic walks near a charred bus that was trapped in a huge forest fire that raged out of control near Israel's northern city of Haifa.

Both those numbers are significant. Of course, the 42 youths who died hearken back to II Kings. It was an End Times warning to the modern Nation of Israel. I don't live in Israel but I would be surprised if a lot of Rabbis were not fully aware of the correlation between these two incidents. One is found in the Old Testament and one is found in December, 2010, at the beginning of Hanukkah.

So in conclusion, Dr. Hagee, you are wrong to place Iran and Putin in Ezekiel 38 but they are found in Daniel 9 and II Kings, and God is not going to stop Putin. That is a fantasy, or as Scripture says, those are pillows, those are cushions. You are leading the people astray Dr. Hagee, and that's why your books are so popular. And if you would like to know and understand all of the great prophecies of Daniel, you need to go to my new thirdeaglemedia.com website. You need to download those PDF files. You need to reassemble the five vision chapters of Daniel because those prophecies in your Bible are sealed up. You need to reassemble the verses and the chapters in order to understand the truth about what is going to happen to Israel and America in the very near future.
