

Bible Prophecy in 'Four Blood Moons'

On this program I want to talk about the 'Four Blood Moons' because they are beginning this April, on the 15th, on Passover, and they will conclude on September 28th, which is Sukkoth, next year in 2015. And in the past, when we have had four blood moons which occur on Jewish holidays, usually very important historical events affect the Jews and the Nation of Israel. Some of these events have been good for Israel but some have been very bad. I believe these four blood moons are very distinct warnings of the upcoming Daniel 9 War which will destroy Jerusalem.

And I want to take a look specifically at John Hagee's book because his book is filled with a lot of false prophecies. Some of them are inconsequential but others are very, very serious errors on his part. And one of my subscribers sent me a copy of Dr. Hagee's book called 'Four Blood Moons' and I thought we could, first of all, take a look at the

inconsequential false prophecies in this book. And we turn to page 164, and if you have a copy you may want to look this up yourself; and it is very likely you do have a copy because this is an extremely popular book. It's on the Amazon bestseller list but it is also important for me to point out where Hagee is in error.

On page 164, he writes: ***'The tribes of the earth are the same people who will give celebratory gifts to each other when the Prophets Elijah and Enoch are killed in the streets of Jerusalem by the Antichrist.'*** Well at least Dr. Hagee, you have the two witnesses correct, they are Elijah and Enoch, however, they are not killed by the Antichrist. This is not a big deal but let's read where John talks about the two prophets being killed in his Revelation, chapter 11, verse number 7: ***'And when they***

shall have finished their testimony the beast that ascends out of the bottomless pit, some Bibles say 'the abyss', ***'shall make war against them and shall overcome them, and kill them.'***

The beast from 'the bottomless pit' is not the same as the Antichrist. Now, they are similar, in fact, in the book of Daniel, the fourth beast that comes up out of the earth and the sea in his chapter number 7, symbolizes both the Antichrist and the One World Government. However, here in Revelation, John is specifically saying that it is the Beast from the abyss, not the Beast from the sea that kills the prophets, and that Beast, the Beast from the bottomless pit, is the One World Government.

Let's look at another error in Dr. Hagee's book, again this is not a really serious error, and it is a very common error among the false prophets, in fact, on my own videos many people have commented that the 144,000 converted Jews will preach the gospel to the rest of the world. This is not found anywhere in Scripture; however, here's what Dr. Hagee says on his page 116: ***'God Almighty has not replaced the Jewish people because in Revelation 7, he chooses 144,000 Jews to be witnesses for Him during the Tribulation.'*** This is nonsense Dr. Hagee. And on page 146 he writes: ***'During the reign of the Antichrist, the Gospel of the Kingdom will be preached all over the world.'*** This is not in Scripture anywhere. ***'It will be preached by the 144,000 from the Twelve Tribes of Israel who will be sealed on their foreheads to protect them from the power of the Antichrist who desires to destroy them.'***

Well, Dr. Hagee, here is the Scripture that you reference, Revelation chapter 7, verses 3-4. Let's take a look at that passage because it does not say anything about those converted Jews preaching the gospel: ***'Saying, hurt not the earth neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads.'*** This does refer to the Jews who will be converted by Enoch and Elijah. ***'Then I heard the number of those who were sealed: 144,000 from all the tribes of the children of Israel.'*** Dr. Hagee, I have read that passage many, many times and no where is John saying that those converted Jews will preach the gospel to the rest of the world. That is a pure fabrication, not just on your part, but all the false prophets. So what will those 144,000 converted Jews be doing? I will tell your Dr. Hagee, they will be running for their lives. As Jesus says in Matthew's Olivet Discourse, they will flee to the mountains of Judea.

And now, I want to look at a far more serious error on your part and that's where you claim that the Antichrist will sign some kind of a peace treaty with the Nation of Israel. On page 147 of your book you write, **'During the Tribulation Israel will sign a seven-year peace treaty with the Antichrist which will guarantee their national security from all the hostile nations that now surround them.'** This is a total misreading of Daniel 9:27. Let's take a look at that passage because it is crucial in these End Times: the confirmation of a covenant is not between the Antichrist nor with the entire Nation of Israel. This is a confirmation of the New Testament with the remnant of Israel which the Prophets Enoch and Elijah will confirm with the 144,000 Jews. Let's look at Daniel 9:27: **'And he shall confirm the covenant with many for one week,'** the 'many' means only the remnant of Israel, and Daniel does not say who the 'he' is here. He expects you to understand who the 'he' is by the other passages in Scripture where a covenant is confirmed with Israel. And there are three or four at least, and all of them are End Times covenants and they are not a peace treaty with the Antichrist, but rather they confirm the New Covenant with a remnant of the Jews.

And Daniel continues, **'...and in the middle of the week he shall cause the sacrifice and the oblation to cease.'** Again, you have to look at the context. This is a new 'he', this is the False Prophet (1) who takes the Daily Sacrifice away from the Prince. Again, Daniel expects you to know who this 'he' is from other passages in Scripture. And then Daniel concludes this passage from 9:27 with a third action: **'and for the over spreading of abominations he shall make it desolate.'** Now we are talking about the Antichrist. This is a third 'he' in this passage and again Daniel expects you to know who this 'he' is. He does not explain it from the context.

Who is it that will set up the Abomination of Desolation in the temple? It is the Antichrist, but the temple which he sets himself up in to be worshipped is not some kind of a rebuilt temple in Jerusalem with re-instituted animal sacrifice. The temple which the Antichrist sets himself up in is the Catholic Church. And the sacrifice, which will be taken away, is not some kind of ritual animal sacrifice, it will be the Holy Eucharist. That is the Daily Sacrifice which will be taken away from the Prince, and the Prince, of course, is our Lord, Jesus Christ.

And now, I have saved your worst blunder for last, Dr. Hagee, and that's where you claim that the next prophetic war for Israel will be the

Ezekiel 38 War. And there are false prophets all over YouTube who claim the same thing and this is very, very serious. Let's look at your page number 60 in your book where you write: **'The next major prophetic war that is coming to the Middle East will be the Gog-Magog War,'** and you reference Ezekiel 38. The reason this is very serious is because the Ezekiel 38 War comes at the end of the tribulation. This is where God saves Israel; but before the Ezekiel 38 War comes the Daniel 9 War and this is the war where Jerusalem is destroyed.

Let's look at chapter 9, verse 26: **'The people of the prince that shall come,'** now this is the Prince of Persia, and as I have explained on other videos, this is Vladimir Putin; the people who come with him are the Muslim neighbors of Israel, **'shall destroy the city,'** the city that will be destroyed is Jerusalem, **'and the sanctuary,'** that would be the Temple Mount, **'and the end thereof shall be with a flood.'** This will be a very sudden disaster to the Nation of Israel.

Let me ask you this, Dr. Hagee: if as you say, the next prophetic war for Israel is the Ezekiel 38 War, when does this Daniel 9 War occur? This Daniel 9 War must occur before the Ezekiel 38 War. And is this an End Times war? Absolutely, read a couple of verses earlier, verses 9:24 and 9:25. They make it very clear that the Daniel 9 destruction of Jerusalem is an End Times event and it must occur before the Ezekiel 38 war.

You are giving your readers cushions, Dr. Hagee. In Ezekiel 38 the prophet talks about the false prophets of Israel who like to give the people false hopes. They like to give them 'cushions' or 'pillows' as he says. They did not want to tell the Israelites the harsh reality of where their sins were taking them. **'Thus says the Lord God: woe to them that sew cushions under every elbow,'** Dr. Hagee, you are sewing cushions, **'and make pillows for the heads of persons of every age to catch souls.'** You are the one making pillows and cushions. You want to be popular Dr. Hagee. Your book is on the Amazon bestseller list because you are not preaching the truth, not only to Israel but to your own country of the United States of America, and neither am I going to give cushions or pillows to the people.

Actually, the Daniel 9 War, the destruction of Jerusalem, could occur before the first of these four blood moons. That's what has happened in the past. The blood moon tetrad has occurred after the historical

event. And Dr. Hagee, you totally forgot that these four blood moons are separated by exactly 6 lunar months, yielding the Antichrist number of 666. None of this is accidental.

And as always, if you would like to understand all the great prophecies of Daniel, you need to visit my new thirdeaglemedia.com website where I have unsealed the last great 6 vision chapters of Daniel. Don't forget, you cannot understand his prophecies as they are printed in your Bibles because they are sealed up. You must rearrange both the chapters and the verses if you want to understand the great prophecies of Daniel which not only will affect Israel in these End Times, but all the nations of the world.
