

The RFID Chip Will Drag You to Hell!

Happy Thanksgiving to all of you living in the United States and that includes myself, and the reason I say that is because this is very likely our last Thanksgiving. And I don't like to be the bearer of bad tidings and we are lucky to be getting this Thanksgiving because Jesus is shortening the days as He promised but I am not sure how much longer He will give us. Let's hope it is much longer than one more year.

In any case, on this program I want to talk about the AIDC technology, also known to the scientists by its acronym A.I.D.C., however, that does not mean Automatic Identification and Data Capture as they would like to have us believe. The real meaning is 'Antichristus Ideologia Deum Contra' and that was revealed to Ines Krupa by the Holy Spirit and I will put a link below to her two most recent videos, part 3 and part 4 in her series on 'How to Get Out of the Maze'.

And you really should subscribe to her channel because I believe the Holy Spirit is going to reveal many more things about our current technology which has to do with the taking of the Mark of the Beast.

**Antichristus
Ideologia
Deum
Contra**

First of all, let's look at what the scientists claim AIDC means and we'll look at the Wikipedia definition. '**Automatic identification and data capture' (AIDC) refers to the methods of automatically identifying**

objects, collecting data about them, and entering that data directly into computer systems (i.e. without human involvement). Technologies typically considered as part of AIDC include bar codes, Radio Frequency Identification (RFID chips), biometrics, magnetic strips, Optical Character Recognition (OCR), smart cards, and voice recognition.'

Ines Krupa has revealed in part 3 of her series that Almighty God showed her the real hidden meaning of the acronym A.I.D.C. and He put the Latin words in front of her face. Antichristus would be the Antichrist, Ideologia would be Ideology, Deum means God, and Contra is against. So let's run this phrase through the Google Translator. I've already typed in the Latin phrase 'Antichristus Ideologia Deum Contra' so I slide my cursor over and click on English for the correct translation: 'Antichrist Ideology Against God'.

So now we understand that this AIDC Technology, as revealed to Ines from the Holy Spirit, comes from the Antichrist. It is an ideology and it is against God, and I'm really not that surprised. I can tell from all the nasty comments that I get on my videos from Atheists that their god is Science. Now let's look at the definition of ideology from Dictionary.com. 'Ideology,' first definition: **'the body of doctrine, myth, belief, etc., that guides an individual, social movement, institution, class, or large group.'** Second definition: **'such a body of doctrine, myth, etc., with reference to some political and social plan, as that of fascism, fascism was a precursor of the Antichrist system) along with the devices,' for example, the RFID chip, 'for putting it into operation.'**

And now we understand, through the Holy Spirit's revelation to Ines Krupa, why the taking of the RFID chip under the skin will cause us to be damned into Hell and the reason is because this RFID and AIDC technology is a religion. It is a religion worshipping Satan, and like any ideology, it has its own doctrines, its own belief systems, it even has its own saints. These Atheists who comment on my videos, I can tell how much they look up to people like Charles Darwin. This AIDC ideology has its own sacraments. The most important sacrament in Christianity is the Holy Eucharist and that is where we take our Lord into our bodies, and with the RFID chip, we take that device into our bodies instead. And what is the result? Instead of a communion with our Lord, we have a communion with Satan. This AIDC technology has its perverted doctrines, its perverted saints, and its perverted Holy

Communion and soon, communion with Satan will be the only communion available to us.

As you know, the False Prophet in the book of Revelation has two major goals. First of all, he takes the daily sacrifice away from the Prince, and by the way, please don't listen to the false prophets who say that that has something to do with a rebuilt third temple in Jerusalem or revived ritual animal sacrifices. Those are lies from the pit of Hell. The False Prophet, when he takes the daily sacrifice away from the Prince, will remove the Eucharist from all Christian Churches throughout the world, and as a substitute, he will bring in his number two goal, the false Eucharist, which is the mark of the beast. He will **'cause everyone great and small, rich and poor, free and slave'** to take the RFID chip under the skin which will be their communion with Satan!
