

## God Warns Obama: Let Israel Defend Itself!

---

This past Friday, a tragedy occurred in Pakistan when one of their airliners crashed and killed all 127 people on board. When I read about this, I realized immediately this was very likely a warning from Almighty God because the number 127 has biblical significance. It is found three times in the book of Esther and the book of Esther is an End Times Prophecy. This Pakistan air crash was a warning to President Barack Obama from Almighty God about his policy in the Middle East especially in regards to the Nation of Israel.

First, let's take a look at what the book of Esther is all about. Esther commemorates the great feast of Purim where the Jews turned the tables on their enemies and executed a great slaughter of them. At first, King Ahasueras wanted to kill the Jews at the bequest of his Prime Minister, the evil Haman. Haman is a precursor in Bible Prophecy of the Antichrist; however, Queen Esther persuaded the king to change his mind. The king hanged Haman but he could not change his decree that allowed the Jews to be killed, but he could issue a second decree. He allowed the Jews to defend themselves and to kill their enemies.

And thus we come to the significance of this Pakistan plane crash. The number of 127 killed clearly points to the prophetic book of Esther, but what is really amazing is that this crash occurred exactly 44 days after this year's feast of Purim, and as you, my regular subscribers know, 44 is Barack Obama's number in Bible Prophecy. He is the Leopard in Daniel 7:6 that has 4 heads and 4 wings. He is America's 44th President. What's even more amazing is that this year, Israel's President, Benjamin Netanyahu, gave President Obama a copy of the book of Esther on the feast of Purim.

Now, I don't believe any of this is coincidence, but before you accuse me of blaming God for killing these 127 people, that is not how it works. This tragedy was caused by human error, and as I have said many times before, a perfect example of this is found in the gospels where Jesus warned people about the Tower at Siloam. As you may remember, there were 18 people killed in that particular tragedy but Jesus did not say it occurred because the people who died were evil, but rather it occurred as a warning to everyone else: ***“unless you repent, the same will happen to***

**you.**" I believe this Pakistani plane crash which killed 127 people and which occurred exactly 44 days after the feast of Purim was a verification from Almighty God of President Netanyahu's gift to Barack Obama of the book of Esther.

And what was the significance of that gift? Why did Netanyahu present a book of Esther to the President? I believe he was letting him know that he should let the Jews defend themselves just as King Ahasuerus allowed the Jews to defend themselves. He was saying to Barack Obama, you are no different than King Ahasuerus. You are the leader of the entire world but you must change your Middle East Policy. You must let the Jews defend themselves. This is also the message from God to President Obama.

So, in conclusion, Mr. Obama, if you are restraining the Nation of Israel so that you can bomb Iran, so that you can time this bombing for your maximum political advantage, you will lose and be defeated. The Bible prophesied that you will lose World War III by provoking Russia. You Mr. Obama are the Leopard as found in Daniel 7:6. You are the Last King of the South as found in Daniel 11:40, and you are the Lion as found in Jeremiah 50 verses 41-44. The Bible says you will lose World War 3.
