

## Prophecy of Mary's Rosary in Holy Scripture

I'm inviting all of you my subscribers to pray the Rosary with me this afternoon at 5 pm Eastern Daylight Time because I have a new studio set up which I think you will like. And I got this idea from Chrissy Chrissy, one of my subscribers, and here's what she wrote to me yesterday; she said: ***'May I offer a suggestion, Mr. Tapley: a traditional altar to Our Lady with a lit candle and maybe some flowers would be lovely for Mary. You could then sit with your back to us or sideways with your attention focused on Our Lady's altar. This would make our viewing more conducive to prayer too. May God bless you for doing the Rosary. You are in my prayers'***.

Well thank you so much Chrissy Chrissy. I've taken your suggestion; I have set up an altar.

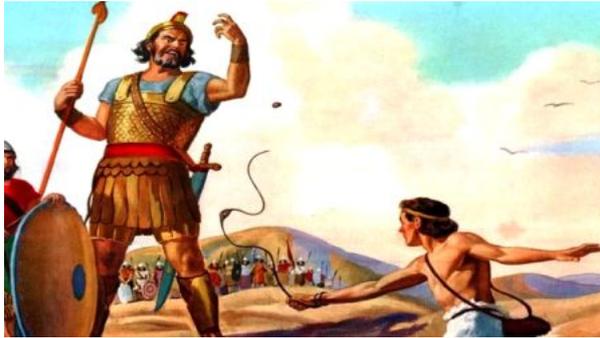

I'm working at it. I've got to pick some flowers this afternoon and I think it's quite attractive and for those of you who have not yet joined me, please join me this afternoon. You really need to learn how to pray Mary's Rosary. The Bible prophesies that Mary's Rosary is the weapon Jesus will use to defeat the Antichrist. Don't listen to Satan who for hundreds of years has been telling you otherwise. Way back in Genesis 3:15, Mary is prophesied to crush the head of the serpent. Notice that Rosary numerology: Genesis 3, that represents

the three original mysteries of the Rosary, the Joyful, the Sorrowful and the Glorious. And 15, that's the total number of decades in the three mysteries.

And please pay attention to the prophecies in the book of Esther. Esther gives us the chain of command in these End Times. In the End Times, the Jews symbolize we Christians, especially Catholics. And we are to pray to Mordecai who represents the last Pope, Petrus Romanus. He appealed to Esther, who symbolizes Mary in these End Times. She appealed to King Ahasuerus who symbolizes Jesus. Jesus hung Haman, who symbolizes the Antichrist, and his ten sons on a 50-cubit high scaffold. Those 10 sons symbolize the ten Kings of the Antichrist; the fifty cubit high scaffold symbolizes the 50 Hail Marys in a

five decade Rosary. None of that numerology or symbolism is accidental.

And don't forget David; he slew Goliath with five smooth pebbles. He only needed one. Why did he choose five? It represents the Rosary. Everyone knows that David symbolizes Jesus in the End Times; Goliath symbolizes the Antichrist. Don't forget those five smooth pebbles: they

symbolize Mary's Rosary. And Jesus does not pray the Rosary. So what does all that prophecy mean? It means that WE must pray the Rosary; that's our job. We are the 'seed of the woman' who will crush the seed of the serpent.

So please join me this afternoon at 5 pm, Eastern Daylight Time, as usual, and check out my new altar arrangement. This was given to me by Richard Bucci from Syracuse, oh, about 20 years ago. He's passed on now. At the time I said, 'what am I going to do with this altar'? So now I know; and I think you not only will appreciate praying the Rosary with others, that's why I am live-streaming the Rosary, and you not only should, you really need to, if you want to defeat the Antichrist, as we find in Bible prophecy.
