

LEOPARD MEETS BEAR IN MOSCOW (OBAMA MEETS MEDVEDEV)

This week we will see Bible Prophecy fulfilled before our very eyes when the last king of the south, that is Barack Obama, pays a visit to the last king of the north, and that is the Premier of Russia, Dmitry Medvedev. As you know from Daniel chapter number 11 the last king of the south will provoke the last king of the north and the last king of the north will attack the last king of the south.

In verse number 40 Daniel writes, "And at the time of the end," now that refers to the time we are living in now, "shall the king of the south push against him," now this word "push" means provoke, "and the king of the north shall come against him like a whirlwind." That means the Russian attack against the United States will be by air power, "and with chariots and with horsemen and with many ships and he shall enter into the countries and shall overflow and pass through."

Now the countries in this passage refer to two countries especially and that it is Great Britain and the United States. Not only is chapter number 11 of Daniel being fulfilled this week in Russia but also chapter number 7 where three beasts come up out of the sea, and two of those beasts refer again to Obama and to Medvedev.

The bear refers to Medvedev because Medvedev means "bear" in the Russian language. And the leopard refers to Barack Obama because the leopard has a skin which is both black and white which reflects the racial makeup of our President, and the leopard has 4 heads and 4 wings. That refers to President Obama as being our 44th elected President.

In Chapter number 7 the three beasts, the bear, the leopard and the lion, the lion referring to the United Kingdom, all three of these beasts are supplanted by the final fourth beast. And this fourth beast is the final One World Communist Tyranny which will engulf the entire planet. Now this one world system will be Communist because Russia will win World War III. And I believe the seeds for this discord between the two great superpowers will be sown this week in the city of Moscow.

I am predicting right now that Obama and Medvedev will not get along the way Putin and Bush did. We need to understand that this last struggle between the king of the north and the king of the south, although it will result in Russia defeating the United States, only the

power of these two superpowers will be taken away from them and both nations will survive and ultimately be taken over by the Antichrist. So my advice this week is to read Daniel chapter number 7 and Daniel chapter number 11 because the events which the great Old Testament prophet Daniel describes are being fulfilled before our very eyes this week in Moscow.
