

Satan Will Try to Debunk the Great Sign

In the last couple of weeks I have been considering that we are not home free as far as the Great Sign coming up on this September the 23rd which is a fulfillment in the book of Revelation of the Woman clothed with the sun, with the moon under her feet, on her head a crown of 12 stars, and she is in childbirth and we will see that in the constellations. I've been thinking that Satan will try to debunk that Great Sign. In fact, that's one of the proofs that it is the Great Sign: that he will try to debunk it. And I've been thinking that there are four major ways he may try to do this, and you may have some suggestions yourself, which I would be interested in hearing about.

Number one: I think he will use the false prophets who are all over YouTube at the present and as soon as the Great Sign occurs they will misinterpret it. For example, Scott Clarke likes to say that the woman represents Israel. That is false! The woman represents Mary and the remnant Catholic Church. And he was at a prophecy conference, I believe out in Boise, Idaho, a couple of weeks ago and he made another incredible statement: he said that the father of the man child is God the Father, and he would make that mistake because he thinks the woman is Israel. The father of the man child is the Holy Spirit and that's because, of course, the woman represents Mary and the remnant Catholic Church. So that's the first way, I believe, that Satan will try to debunk the Great Sign.

The second way is epitomized by the false prophet, LA Marzulli. He is publishing a book this month and he says that the great 'Miracle of the Sun' at Fatima was a 'harbinger of deception', his words! LA Marzulli, do you realize that you are committing the unforgivable sin? That is blasphemy! Blasphemy against the Holy Spirit is unforgivable and that is when you assign a work of the Holy Spirit to Satan; that is the unforgivable sin. And he will do the same thing, he and others like him, after September 23rd, whatever happens on that date; I'm not sure exactly how it will be manifested. He will say that it is a work of Satan; a huge blasphemy! Now it's possible that both Scott Clarke and LA Marzulli and others will change; they will have a change of heart and I hope that they do.

The third way in which Satan could debunk or maybe co-opt this Great Sign, is to stage a manifestation of his own. And I had a thought about a kind of a humorous example; Satan would write up in the sky, in the clouds, 'Sola Scriptura', and a million Protestants would immediately say 'that is the Great Sign' and instead, that would be a lie from Satan; even the Bible itself does not say anything about 'Sola Scriptura'. And the fourth possibility I thought of would be that Satan would have his people in the One World Government stage a false flag or maybe, for example, have an occurrence in Israel, maybe some kind of a peace treaty would be signed, and, of course, many, many false prophets would jump on that and say the Antichrist has signed a peace treaty with Israel, that is the Great Sign. Of course, it would not be, because the Antichrist is NOT prophesied to sign a peace treaty with Israel: it is the 'good guy', the 'anointed one' in Daniel 9:26 and 9:27 who confirms a covenant with Israel which is a previous covenant.

So let me just review what I say will happen on September 23rd and that is conversion. The man child being born out of the woman is being reborn, this is the remnant Protestants who are going to be raptured; they will see the light on that day, they will be converted, although very few, maybe one out of a thousand Protestants. Maybe I gave the idea before that all Protestants will be converted; that is not true. Only 144,000 are prophesied to be converted; they are the ones who will be raptured and they will be persecuted by the Protestants who are not converted, including the false prophets I just mentioned. There will also be 144,000 Jews converted although they are not the man child, but they are referenced later on in chapter 12 when John says they 'keep the commandments of God'. And the Catholics are also mentioned because they have the 'testimony of Jesus Christ'.

And another sign that this woman cannot be Israel is because her seed have the 'testimony of Jesus Christ' and she flees into the 'wilderness'. That's the remnant Catholic Church, that's not the Jews. The Jews are prophesied to flee into the mountains. And so, those are the four possibilities that I came up with this past couple of weeks about how Satan will debunk this Great Sign which all of us are going to be very much aware of on September the 23rd. And I've also said that President Trump will be converted at that time, because he will, so to speak, lead those Protestant who are converted. And if you have any other suggestions, please let me know.
