Daniel 4 Pt 2 – The Burning of America was Ordered by Heaven

Welcome everybody to Mary's School of Prophecy. I'm going to continue talking about Daniel 4 tonight and how it relates to the burning of America, and I just watched part of a video from Minneapolis, of all the places that were burned down. And I mentioned in the last program that how we, as Christians should react, and there's a lot of indignation that this is happening in America and a lot of patriotic Americans are very upset. And I'm a patriotic American myself but as a Christian we understand why the harlot must be destroyed and will be destroyed. And America and Britain represent the harlot, the Whore of Babylon in the Book of Revelation, and we are also represented by the great tree in Daniel chapter number 4. And I don't like to think that I should rejoice at the burning of America but that is what the Bible says we should do. We should rejoice, because this is God's judgment and what God does is true and just.

So let's start with where we left off yesterday. Actually I think I will review some of the numerology because it's very important and the numerology is the same as in all of Daniel, and that is in all of Daniel we know that 6 6 6, the Antichrist is followed by 5 5 5, which represents Mary's Rosary. That's how the Antichrist will be defeated. In some of Daniel, in chapter 11 and in chapter 4, those series of numbers are preceded by three 4's, which represents as I say, the harlot, primarily the United States: 4 4 4 is followed by 6 6 6, the Antichrist and as I said on my program last night the first three beasts in Daniel 7 have already come up out of the sea, and come and gone, the lioness, the bear and the leopard. How many people on YouTube are telling you that? None of them, understand that.

All we are waiting for now is the fourth and final beast which is the Antichrist and he is coming to power. Now first he has to have a lot of chaos, so that people will embrace his solutions, and of course his solutions would be for example the Mark of the Beast. He will say that we can control all these hooligans that you see destroying property if we chip them all. That will be his solution to the problem and people will buy that, you watch. Anyway, before we start we should pray the Holy Spirit Prayer, so let's pray that.

In the name of the Father, the Son and the Holy Spirit. Amen. Come, Holy Spirit, fill the hearts of thy faithful and enkindle in them the fire of thy love. Send forth Thy Spirit and they shall be created. And thou shalt renew the face of the earth. And now we'll pray our special prayer to Our Lady of All Nations. Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations that they may be preserved from corruption, disaster and war. May the Lady of All Nations who once was Mary be our Advocate. Amen.

And we're going to find out tonight that it's not all bad news because America will be restored, because eventually the roots of the tree are restored. There is a band coming upon America now and Western civilization, the band of iron and the band of brass which represent the One World Government and the One World Religion but you know Donald Trump in Isaiah is prophesied to break those two bands. On the other hand Almighty God showed us that the Isaiah 45 train was smashed into

by a democrat garbage truck, but the train won that particular battle, although it had to go return to its original point of departure. So even though Donald Trump is prophesied to smash the One World Government and the One World Religion, prophecy can be changed. So let's look at Daniel 4 and I'll review what we did last night.

DANIEL 4 (KJV NUMBERING)

1 Nebuchadnezzar the king, to all peoples, nations, and tongues, that dwell in all the earth, peace be multiplied unto you.

2 The most high God hath wrought signs and wonders toward me. It hath seemed good to me therefore to publish

3 His **signs, because they are great:** and his **wonders, because they are mighty:** and his kingdom is an **everlasting kingdom,** I and his **power to all generations. (4)**

The important one here is verse number 3 because we see Daniel first use numerology, and he lists four attributes of Almighty God: His signs, because they are great; great signs, mighty wonders, everlasting kingdom and power to all generations, and that is a description of the Trinity. Remember as I have told you many times in the End Times, 4 is the new 3, and here we see the Trinity, God the Father, Son and Holy Spirit described as the number 4. That's because the first phrase there, great signs; that refers to God as a Trinity. In other words all three persons of the Trinity are great.

Then we see the three individuals; mighty wonders. Mighty would be God the Father. Everlasting kingdom; everlasting refers to time. I mean that's an attribute of the second person of the Trinity. That would be Jesus Christ; His power to all generations. "Generations" is a key there. Who does that describe? Which person other Divine Trinity is described by "generations"? If you know my study of Trinities you'll know that the reproductive Trinities refer to the Holy Spirit. Therefore in this very first beginning verse number 3 of Daniel chapter 4, we find an End Times definition of Almighty God. You're not going to find that anywhere else on YouTube, no. It disturbs me no end because if you type in Daniel chapter 4, I don't think you'll find any of my videos come up. A lot of other videos come up. What can I say?

Okay we looked at the four items in verse number 3. Four verses later in verse number 7 we see four more elements. "... diviners, wise men, Chaldeans and soothsayers". These are the false prophets of the End Times because this is an End Times prophecy. All of Daniel, all of his prophecies are End Times prophecies.

4 I Nebuchadnezzar, was at rest in my house, flourishing in my palace:
 5 I saw a dream that affrighted me: and my thoughts in my bed, and the visions of my head troubled me.
 6 Then I set forth a decree, that all the wise men of Babylon should be brought in before me, and that they should show me the interpretation of the dream.
 7 Then came in the **diviners**, the **wise men**, the **Chaldeans**, and the **soothsayers**, and I told the dream before them: but they did not show me the interpretation thereof: **(4)**

Four verses later in verse number 11, we see four more elements.

8 Till their colleague Daniel came in before me, whose name is Baltassar, according to the name of my god, who has in him the spirit of the holy gods: and I told the dream before him.
 9 Baltassar, prince of the diviners, because I know that you have in you the spirit of the holy gods, and that no secret is impossible to you: tell me the visions of my dreams that I have seen, and the interpretation of them.
 10 This was the vision of my head in my bed: I saw, and behold a tree in the midst of the earth, and the height thereof was exceeding great.
 11 The tree was **great**, and **strong**: and the **height thereof reached unto heaven**: the sight thereof was **even to the ends of all the earth**. **(4)**

11: **“The tree was great, and strong: the height thereof reached unto heaven: the sight thereof was even to the ends of all the earth.”** And we're talking about actually Western civilization. This great tree is symbolic of Western civilization.

The three fours, the 4 4 4 refers to the United States. That's how we know that this is a prophecy about the United States primarily, 4 4 4. The United States is 4 4 4 in Bible prophecy because we have four heads. That would be the President (1), that's the head of the Executive Branch, the head of the Judicial Branch would be the Chief Justice of the Supreme Court (2), the head of the House of Representatives is the Speaker (3), and the head for the president of the Senate is the Vice-President (4). Those are the four heads.

The four wings represent the four branches of the military which sit on the Joint Chiefs of Command, the Army, Navy, Air Force and Marines. Let me give you the other characteristics of the United States in Bible prophecy. That's how we know

that Daniel is talking about us in the U.S. Not only 4 4 4 but dominion is given to the United States and also our racial mix, our racial configuration, black and white like a leopard.

So following 4 4 4 which refers to the United States primarily, we come to the Antichrist, because after the sovereignty of America, comes the reign of the Antichrist and we find that in verses 12, 14 and 15. We see the six elements in each of those verses and I won't review those because I went through them all yesterday, but if you count those you'll see that they have all six elements in each of those verses.

12 Its leaves were most **beautiful**, and its **fruit exceeding much**: and in it was **food for all**: under it dwelt **cattle, beasts of the field**, and in the branches thereof the **fowls of the air** had their abode: and **all flesh did eat** of it. **(6)**

13 I saw in the vision of my head upon my bed, and behold a watcher, and a holy one came down from heaven.

14 He cried aloud, and said thus: **Cut down** the tree, and **chop off** the branches thereof: **shake off** its leaves, and **scatter** its fruits: let the **beasts fly away** that are under it, and the **birds from its branches**. **(6)**

15 Nevertheless **leave the stump of its roots in the earth**, and let it be tied with a band of **iron**, and of **brass**, among **the grass, that is without**, and **let it be wet** with the dew of heaven, and let its **portion be with the wild beasts** in the grass of the earth. **(6)**

And the last verses that we went through, we started the sequence of five verses because as I say 4 4 4 represents America, 6 6 6 represents the Antichrist which will follow America and then we have 5 5 5 which defeats the Antichrist. And Daniel gives us three verses with five elements each.

19 Then Daniel, whose name was Baltassar, began silently to think within himself for about one hour: and his thoughts troubled him. But the king answering, said: Baltassar, let not the dream and the interpretation thereof trouble you. Baltassar answered, and said: My lord, the dream be to them that hate thee, and the interpretation thereof to your enemies.

20 The **tree which you saw** which was **high and strong**, whose **height reached to the skies**, and the **sight thereof into all the earth**: **(5)**

21 And the **branches thereof were most beautiful**, and its fruit **exceeding much**, and in it was **food for all**, under which the **beasts of the field dwelt**, and the **birds of the air had their abode** in its branches. **(5)**

22 It is you, O king, who are grown great and become mighty: for your greatness has grown, and has reached to heaven, and your power unto the ends of the earth.

Let me review those verses.

Verse 20: **“The tree which you saw which was high and strong, whose height reached to the skies, and the sight thereof into all the earth”**: five elements.

In verse 21, there are five more elements there, and this is where we stopped yesterday. So now we are up to speed and we are going to look at Daniel chapter 4 verses 23, 24 and 25.

23 And whereas the king saw a watcher, and a holy one come down from heaven, and say: Cut down the tree and destroy it, but leave the stump of the roots thereof in the earth, and let it be bound with iron and brass among the grass without, and let it be sprinkled with the dew of heaven, and let his feeding be with the wild beasts, till seven times pass over him. (10)

24 This is the interpretation of the sentence of the most High, which is come upon my lord the king.

25 They shall cast you out from among men, and your dwelling shall be with cattle and with wild beasts, and you shalt eat grass as an ox, and shalt be wet with the dew of heaven: and seven times shall pass over you, till you know that the most High rules over the kingdom of men, and gives it to whomsoever he will. (7)

Verse number 23: **“And whereas the king saw a watcher, and a holy one”**.

Most the false prophets will tell you that's one person but it's not. The watcher I am sure is the prophet Enoch and the holy one is Elijah, and here's what they say. This is their judgment on the United States primarily Western culture. **“Cut down the tree and destroy it, but leave the stump of the roots thereof in the earth, and let it be bound with iron and brass among the grass without, and let it be sprinkled with the dew of heaven, and let his feeding be with the wild beasts”**, these were the wild beasts compared to the domesticated cattle, **“till seven times pass over him.”**

This is the judgment on the tree but it's actually the judgment on King Nebuchadnezzar, and kings and kingdoms are interchangeable in Bible prophecy. Therefore this judgment on the king symbolizes the judgment on the United States primarily. And how many items did we find in there? There are ten items. We saw five items, and then five items and this verse 23 we have ten items, which is very interesting.

So we had 4 4 4, 6 6 6 and now we have 5 5 5 5. This is one of the very few places in prophecy where the Rosary is represented by the number 20 rather than the number 15. And of course I don't think I have to tell you what that means. That means that Daniel is prophesying here about the Luminous Mysteries, in other words the Joyful, the Sorrowful, the Glorious and the Luminous; 20 different decades. That's what Daniel is prophesying about here. The only other place where there are 200, is in the parable of the miraculous draft of fishes where the

boat is 200 cubits from shore. That's the other symbolism of the Luminous Mysteries, so if somebody tells you the Luminous Mysteries are not valid; tell them to read Daniel chapter number 4 and the miraculous draft of fishes. Okay now verse number 24.

24: **“This is the interpretation of the sentence of the most High, which is come upon my lord the king.”** Daniel is warning King Nebuchadnezzar here and here's what Daniel says is going to happen to the king.

25: **“They shall cast you out from among men, and your dwelling shall be with cattle and with wild beasts”.**

So this is both types; domesticated cattle and wild beasts. The wild beasts, as I said yesterday, refer to the Antichrist, and the False Prophet; the beast from the earth and the beast from the sea; **“and you shall eat grass as an ox, and shall be wet with the dew of heaven: and seven times shall pass over you, till you know that the most High rules over the kingdom of men, and gives it to whomsoever he will.”**

And we'll find out in a minute who he will give the kingdom to. God gives the kingdom to the Antichrist as we'll see in a minute. So now here, there are seven items; so why would there be seven items? Daniel has completed his prophecy. He's completed the 4 4 4, the 6 6 6 and 5 5 5 5. Why does he start another set of, in this case, seven items? Well what he's going to show us, is that the other numbers were not accidental. He's completed that prophecy. So he no longer has to give us a prophecy and he shows us here that it's not accidental because he goes 7, 6 and 5. This is a proof that the previous numerology is not an accident. He knows what he's doing. There's seven items in there, and now let's look at verse 26.

26 But whereas he commanded, that the stump of the roots thereof, that is, of the tree, should be left: your kingdom shall remain to you after you shall have known that power is from heaven.

27 Wherefore, O king, let my counsel be acceptable to you, and redeem your sins with alms, and your iniquities with works of mercy to the poor: perhaps he will forgive your offenses.

28 All these things came upon king Nebuchadnezzar.

29 At the end of twelve months he was walking in the palace of Babylon.

30 And the king answered, and said: Is not this the great Babylon, which I have built to be the seat of the kingdom, by the strength of my power, and in the glory of my excellence?

26: **“But whereas he commanded, that the stump of the roots thereof, that is, of the tree, should be left: your kingdom shall remain to you after you shall have known that power is from heaven.”**

So this is very encouraging, it should be, to those of us living in the harlot, the Whore of Babylon. The kingdom shall remain to us until we learn that power is from Heaven.

Verse 27: **“Wherefore, O king, let my counsel be acceptable to you, and redeem your sins with alms, and your iniquities with works of mercy to the poor: perhaps he will forgive your offenses.”**

There is God is offering us a solution here in Babylon. We have to redeem our sins with alms and our iniquities with works of mercy to the poor. We can perhaps put off this judgment from Almighty God. It has begun. The judgment has begun. All you have to do is look at the streets of Minneapolis. And then Daniel says in verse 28; by the way this is one of the probably the only chapter written in the Bible by a pagan:

28: **“All these things came upon king Nebuchadnezzar.”**

29: **“At the end of twelve months,”** 12 is an End Times number. It means the very end; 12 is the last hour of a day, midnight. It's the last month in a year, the twelfth month, **“he was walking in the palace of Babylon.”**

30: **“And the king answered, and said: Is not this the great Babylon, which I have built to be the seat of the kingdom, by the strength of my power, and in the glory of my excellence?”**

And is that a description of America or what? Don't we consider ourselves the cat's meow or whatever? I mean we don't think anything can defeat us. We are full of all that pride and arrogance, just as John described of us in the Book of Revelation. What exactly is the phrase that he uses? “I sit a queen and will not see sorrow”, and that's exactly the attitude of most Americans. We will not see sorrow. There are going to be many widows and orphans and widowers. All right, let's move on to the next verse. Now I mentioned before, remember the seven items? So let's see how many items there are in the next verse.

31: **“And while the word was yet in the kings mouth, a voice came down from heaven: To you, O king Nebuchadnezzar, it is said: Your kingdom shall pass from you.”** That's what Daniel warned him about.

32: **“And they shall cast you out from among men,”**: notice there are six elements in this verse, **“and your dwelling shall be with cattle and wild beasts:”** the wild beasts, as I said before, are the two beasts of the End Times: **“you shall eat grass like an ox, and seven times shall pass over you, till you know that the most High rules in the kingdom of men, and gives it to whomsoever he will.”**

31 And while the word was yet in the king's mouth, a voice came down from heaven: To you, O king Nebuchadnezzar, it is said: Your kingdom shall pass from you,

32 And they shall **cast you out** from among men, and your **dwelling shall be with cattle and wild beasts**: you shall **eat grass** like an ox, and seven times shall pass over you, till you know that the **most High rules** in the kingdom of men, and **gives it to whomsoever** he will. **(6)**

33 The same hour the word was fulfilled upon Nebuchadnezzar and he was **driven away** from among men, and did **eat grass** like an ox, and his body was **wet with the dew** of heaven: till his **hairs grew like the feathers** of eagles, and his **nails like birds' claws**. **(5)**

34 Now at the end of the days, I Nebuchadnezzar lifted up my eyes to heaven, and my sense was restored to me: and I blessed the most High, and I praised and glorified him that lives for ever: for his power is an everlasting power, and his kingdom is to all generations.

So as I put in bold print there, these six items here. So does that make sense? We had a 7 and now we have a 6 and then we'll see a 5. Now he does that to show that before, when he had 4 4 4, 6 6 6 and 5 5 5, none of that was accidental. Now he's showing that he does not have to give a numerical prophecy, he's free to make it 7, 6 and 5.

Verse 33: **“The same hour the word was fulfilled upon Nebuchadnezzar,”** and notice that “hour” by the way. In the Book of Revelation, Babylon is burned with fire in one hour; **“and he was driven away from among men, and did eat grass like an ox, and his body was wet with the dew of heaven: till the hairs grew like the feathers of eagles and his nails like birds' claws.”**

Five elements so we have 7, 6 and 5. That's one way that Daniel is telling us that the previous numerology was not accidental.

Verse 34: **“Now at the end of days”**, this is a verification that this is an End Times prophecy: **“I Nebuchadnezzar”**, Nebuchadnezzar remember is writing this chapter, **“lifted up my eyes to heaven, and my sense was restored to me:”** so this is a prophecy of America. Our sense can be restored to us, **“and I blessed the most High, and I praised and glorified him that lives forever: for his power is an everlasting power, and his kingdom is to all generations.”**

Let's look at verse 35: **“And all the inhabitants of the earth are reputed as nothing before him: for he does according to his will, as well with the powers of heaven, as among the inhabitants of the earth: and there is none that can resist his hand, and say to him: Why have you done it?”**

And now there are a very interesting number of elements in verse 36, and we have a unique number. There are eight elements here and I should ask my students, "Why are there eight elements?"

35 And all the inhabitants of the earth are reputed as nothing before him: for he does according to his will, as well with the powers of heaven, as among the inhabitants of the earth: and there is none that can resist his hand, and say to him: **Why have you done it?**

36 At the same time my **sense returned to me**, and I came to the **honor and glory** of my kingdom: and my **shape** returned to me: and my **nobles**, and my **magistrates** sought for me, and I was **restored** to my kingdom: and **greater majesty** was added to me. **(8)**

37 Therefore I Nebuchadnezzar do now praise, and magnify, and glorify the King of heaven: because all his works are true, and his ways judgments, and them that walk in pride he is able to abase.

36: **"At the same time my sense returned to me,"** number 1, **"and I came to the honour of my kingdom"**, number 2, **"and the glory of my kingdom"**, number 3, **"and my shape returned to me:"** number 4, **"and my nobles sought for me,"** number 5, **"and my magistrates sought for me"**, number 6, **"and I was restored to my kingdom:"**, number 7, **"and greater majesty was added to me."** (8)

Do you know why there are eight numbers there? Eight in Bible prophecy is a number of new beginnings. Okay, so that's what we have here. This is Nebuchadnezzar's new beginnings and as I say, this offers hope to the United States, that we also can have new beginnings.

Verse 37: **"Therefore I Nebuchadnezzar do now praise, and magnify, and glorify the King of heaven: because all his works are true, and his ways judgments, and them that walk in pride he is able to abase."**

And that will happen to America, what happened to the tree. It is cut down by order of the watcher and the holy one, by order of Heaven. And what you're seeing in America now, the fires, the burning of America, this is ordered by Almighty God and that's because we don't deserve any better.

Now I just want to show you these verses, and verse number 20 which had five elements. And I want to show you that Daniel used five elements on purpose, and he shows you that this is not accidental because he repeats almost verbatim verse number 11, which had four elements. So what does he do to verse number 11 which has only four elements, the same four elements to get five elements? Well he adds one. Why didn't he just repeat verse number 11? And I'll let you read that.

You can see that the words, “great”, “strong”, “heaven”, and “all the earth”; those are the four elements in verse number 11, but he adds, “The tree which you saw”; that's a fifth element to the tree. So yes obviously, he purposely added one element to verse 11 to get five elements in verse 20.

20 The tree which you saw which was high and strong, whose height reached to the skies, and the sight thereof into all the earth: (5)

11 The tree was great, and strong: and the height thereof reached unto heaven: the sight thereof was even to the ends of all the earth. (4)

18 And the branches thereof were most beautiful, and its fruit exceeding much, and in it was food for all, under which the beasts of the field dwelt, and the birds of the air had their abode in its branches. (5)

12 Its leaves were most beautiful, and its fruit exceeding much: and in it was food for all: under it dwelt cattle, beasts of the field, and in the branches thereof the fowls of the air had their abode: and all flesh did eat of it. (6)

And now in verse 18, there are five elements, but how did he get the five elements here? He repeated almost exactly verse number 12, but there are six elements in verse number 12, therefore to get five elements, he had to take one out. And if you read all those, **“the branches thereof were most beautiful”, “exceeding much”, “food for all”, “beasts of the field”, “fowls of the air”**, you'll see in verse number 12, there's one additional element, **“all flesh did eat of it”**, but when he repeated that verse, I mean it's almost word for word, he left off that last element. Why did he do that? Because he wanted five elements in verse number 18. So he very clearly is showing to us that the numerology of those previous verses is not accidental, and this is how he does it. He repeats two verses but he adjusts the numerology to get the 5 5 5 which represents as I say Mary's Rosary.

And now I want to show you what our reaction should be, and this is in the Book of Revelation, and I know people don't want to hear this but Revelation 18 verse 20.

“Rejoice over her, you heaven, and you holy apostles and prophets; for God has judged your judgment on her.”

Revelation 19 verse 2: **“For true and just are his judgments, who has judged the great harlot which corrupted the earth with her fornication, and has revenged the blood of his servants, at her hands.”**

I want you to notice two words there: “revenged” and “the blood of his servants”. What does that refer back to? This is chapter 19, almost near the end of the Book of Revelation. This refers back to chapter number 6 and I claim that in chapter number 6 it's the aborted babies that God is going to grant vengeance to, and as I say in 19:2, God has revenged the blood of his servants. And “servants” in this

case is a code word. It's actually a code word for the Jews in the Book of Revelation, but there are four groups of babies who are aborted and one of them would be Jewish babies, so he uses "servants" in this case, as we will see, as a word indicating all four groups. The four groups are brethren (the converted Jews), prophets, saints and martyrs.

So let's go back to Revelation chapter 6 verse number 9: **"And when he had opened the fifth seal, I saw under the altar the souls of them that were slain for the word of God, and for the testimony which they held."**

A lot of people don't think these can be aborted babies, but there is such a thing as a silent testimony. They are innocent. They're like Jesus as far as that goes.

And Revelation 6 verse number 10: **"And they cried with a loud voice"**, these are the millions of babies that are aborted. What are they doing right now? They are saying, **"How long, O Lord (holy and true), do you not judge and revenge"**, notice that word "revenge", **"our blood on them that dwell on the earth?"**

Thank God is going to grant these aborted babies vengeance. These are not your typical martyr. Well Jesus set the example. He said, "Father, forgive them for they know not what they do". These martyrs seek vengeance. Do you know any famous well-known martyr who sought vengeance on those people who were tormenting him? Saint Stephen, the first martyr, he said, "Lord do not hold this crime against them." These are not typical martyrs. As I say, these are aborted babies and this is how you know. They seek vengeance. They were not allowed to be martyred. They were not given that choice even.

Revelation 6 verse number 11: **"And white robes were given to every one of them, and it was said to them, that they should rest for a little time, till their fellow servants"**; so this word "servants" is representing all four groups, and then here's how we know that, because he says, **"and their brethren"**, and I've explained that before many times. The brethren represent the converted Jews; the prophets would be the Protestants, the saints are the Catholics and martyrs are the fourth group. Those four groups reign with Jesus during the Millennium: **"till their fellow servants and their brethren who are to be slain even as they should be filled up."**

So that is my exposition of Daniel chapter number 4 and you may not like me leaving on a downer note like that, but nonetheless that explains what's happening to America. Four years ago, the Republicans controlled the House, the Senate and the Presidency, and they could not even defund Planned Parenthood. And I'm telling you just as John says in the Book of Revelation, abortion is going to be our downfall; the shedding of innocent blood. That's what gives Satan and Satanists their power. So I'd prefer to be positive, but things are going to get worse. They're not going to get better; until when? Until man finally acknowledges that God rules in the affairs of men, as Daniel says in his chapter number 4.

Okay everybody thanks so much for attending class and so until I see all of you tomorrow, may God bless all of you.
