

Israel Promotes Gay Tourism: Spends \$88 Million

Several amazing headlines recently showed that the nation of Israel is fulfilling Bible prophecy, but, not the way the false prophets would have you believe. They think that the renewed Middle East peace process will lead to some kind of covenant between the Antichrist and Israel. This is another lie from Satan, because the Antichrist does not appear until the second half of the Tribulation period. Remember his reign is for 42 months, and that won't begin for at least three and one-half years from now.

The headlines that I am talking about, refer to the fact that Israel has allocated \$88 million to promote gay tourism in the city of Tel Aviv. This is a fulfilment of Bible prophecy. Let's take a look at that amazing headline.

“A new website has also been built, Gay Tel Aviv. It starts off with a sentence encapsulating the very essence of the campaign: 'Rising from the golden shores of the Mediterranean, stands one of the most intriguing and exciting new gay capitals of the world.' And the article continues; Etti Gargir, director of the VisitTLV organization, said that the Tourism Ministry and Tel Aviv Municipality invested NIS 170 million shekels, (about \$44 million), each in the project.”

Notice the 44 End Times number. Not only do the false prophets miss this amazing article about Israel spending \$88 million to promote gay tourism, they are also pounding the drums, for the United States and Israel to attack Iran. They don't understand, that this is the first Gog Magog war in Revelation, and that Israel and America will lose this war.

The reason is, because Israel has lost the blessings of God. The Covenant which did re-establish Israel has been broken by Israel, because they have broken Torah. They no longer follow the Ten Commandments, as we can see with their promotion of gay tourism.

Revelation 11:8 'And their dead bodies,' now these dead bodies refer to the two prophets Enoch and Elijah, **'shall lie in the street of the great city,'** notice St. John does not call this city, which would be Jerusalem, the holy city. That's because they have killed the two prophets Enoch and Elijah. **' which spiritually is called Sodom and Egypt, where also our Lord was crucified.'**

Notice in this passage that St. John first calls Jerusalem, and by extension Israel by the name of Sodom, and then by Egypt. That means that the Sodom comes first, and we have already seen that with Israel supporting gay tourism.

Next will come the Egypt part, and that is when Israel is defeated in World War 3. As we see, that the false prophets, not only misread Daniel 9:27, which they believe is a covenant between the Antichrist and Israel, but they don't see a real fulfilment of Bible prophecy, such as Israel spending \$88 million to promote gay tourism. The false prophets also misread Ezekiel, and they believe that the United States and Israel should launch an attack against Iran.

Now this false prophecy, that America should attack Iran, appeared on a Catholic website by the name of Courlisius, and the so-called prophet's name is Maurice Sklar. I believe he is a Messianic Jew. He says, that God told him, that if America does not launch a pre-emptive strike against Iran, then we will be hit with nuclear weapons. I believe exactly the opposite is the truth. If we launch a war against Iran, we will lose that war. Let's see exactly what he said on the Courlisius website:

'Concerning Iran:' Now supposedly, this is God speaking to Maurice Sklar; **If America does not join in Israel in a pre-emptive attack upon Iran and Israel has to go it alone, America will experience nuclear attack through terrorism. YOU MUST ATTACK WITH ISRAEL NOW, OR YOU WILL BE ATTACKED.'**

So let me warn the Catholic website called Courlisius, and the false prophet by the name of Maurice Sklar, that God never told you for America to launch a pre-emptive strike against Iran. America and Israel will not win this war. America will lose this war, as prophesied in the Book of Revelation. This is not the Gog Magog war in Ezekiel. That war is Armageddon. This war will be World War 3.

The false prophets have got to come to understand that Israel won the first three major wars, because God was on their side, just as in the Old Testament, but also just as in the Old Testament, Israel has lost the blessings of Almighty God. Why? Because they have not fulfilled the covenant. They have turned away from Torah. They do not follow the Ten Commandments. They are thwarting God's will, and God's blessing has left Israel. They will not win this war they are proposing with Iran. They will lose this war. This is not Armageddon as found in

Ezekiel. This is World War 3. This is found in Revelation and it is the defeat of the West and Israel.

So in conclusion, let me warn you false prophets. You should not be telling America and Israel to attack Iran. You should be telling America and Israel to repent. That is the only way there will be peace in the Middle East, or peace in the world. That is the only way we are going to be able to avoid World War 3.
