

## Jewish Teen Reveals New Testament Prophecy

On this program I want to continue taking a look at this amazing prophecy which the Jewish boy, Natan, received a couple months ago regarding the destruction of Israel in World War 3 and there is no doubt in my mind that what Natan saw was the Abomination of Desolation spoken of by Daniel the Prophet. Natan is verifying, not only the prophecies of Daniel and Ezekiel and Zachariah, but also prophecies in the New Testament by John in the Book of Revelation and our Lord in the Olivet Discourse. One of the questions I always had about the Olivet Discourse was when Jesus says, **'When you see the abomination of desolation spoken of by Daniel the Prophet, then let those who are in Judea flee to the mountains'**. What 'mountains' was Jesus talking about? We now know from Natan's testimony that he was talking about the Mount of Olives.

So now, let's begin where we left off on the last program where Rabbi Levi, who conducted this interview, so to speak, asked Natan in English, **'Who is it?'** That is, the leader of the forces that come against Israel, Gog in other words, and Natan says, **'Obama'**. And then Rabbi Levi asks: **'How long will this war take?'** And he says, **'All of the bad things will take two weeks.'** Well, that's very interesting! And then Natan adds: **'In those two weeks, what is the bad thing? More than a few million people will die.'** There is no doubt that is the Abomination of Desolation the Jews must flee from to the Mount of Olives. **'The only thing that saves them that I understood is only if they repent.'** I have been here on YouTube for seven years and a lot of that time I have been telling Israel they must repent. I hope you people will now listen to one of your own because I believe Natan, a 15 year old Jewish boy, received true prophecy.

And I want to warn you, by the way, don't listen to the false prophets like John Hagee. They say all Israel needs is more weaponry. That is not what will save them in these End Times, and a few will be saved, a remnant of Israel. And here's what Natan recommends: **'If a person learns Torah and performs acts of kindness that is what will save him from this thing.'** And what does he mean by **'this thing'**? He

means the Abomination of Desolation spoken of by Daniel the Prophet.

Read Daniel 9:11, notice that verse number, by the way, 9:11, that tells you exactly what is about to happen to Israel. And Natan continues: ***'Now what I also saw is that Har HaZeitim next to Jerusalem,'*** now Har HaZeitim is the Mount of Olives, ***'well, those who have the merit to be saved...so that the mountain will split in two.'*** Now this is a fulfillment of Bible Prophecy, ***'Har HaZeitim splitting in two'*** is found in the prophecies of Zachariah, ***'And at that moment the mountain splits in two, in that second, the Mashiach will be revealed to everyone meaning before everyone.'***

As I explained in my last program, the Mashiach that Natan saw is not our Lord, Jesus Christ. He saw what I call the 'Eleventh Hour Mashiach', in other words, the Prophet Elijah. Scripture says that Elijah will ***'appear before the great and terrible day of our Lord'***. Jesus is the 'Midnight Messiah' because he comes at the very End. ***'Everyone will simply see that it's the Mashiach, will understand it's the Mashiach. Here he is, revealed to everyone. And the moment that the mountain splits in two, in that second, the Mashiach will be revealed to everyone, before everyone.'***

Now, as I say, this Mashiach is the ***'anointed one'*** found in Daniel 9:27. This is not the final Messiah, Jesus Christ; who we all know is the Messiah for the entire world. ***'And he will stand at the entrance there to Har Hazeitim and will say who can enter and who cannot.'*** What is Natan talking about here? He is referring to the 144,000 from the Twelve Tribes of Israel who John says the two Prophets, Enoch and Elijah, will seal. So now we see that Natan is expanding upon and explaining not only an important passage from the Olivet Discourse but also this amazing passage from the Book of Revelation.

These are the things that tell me Natan received a true vision from Almighty God. ***'Anyone who doesn't have the merit to enter will stay outside and die.'*** I hope you people in Israel are listening to this warning. ***'So two of the dead people will arise.'*** And Natan doesn't realize it but he is talking about Enoch and Elijah, the two witnesses in the Book of Revelation. ***'Two dead people will come back to life. One from here and one from there and it will split in two.'***

So, Natan is explaining the Olivet Discourse and the Book of Revelation and the **'mountain splitting in two'** is the Mount of Olives. On one side Elijah will be raised from the dead. On the other side Enoch will be raised from the dead, and that also is exactly what is said in the Book of Revelation. **'And what I saw was simply that the Mashiach** (this is the Prophet Elijah) **is first of all someone who can't sin, someone who repented, who didn't commit any transgressions'**. Of course, Jesus never had to repent, another clue that he is talking about the Mashiach of Daniel 9.

**'Now, it can be someone who we actually know very well.'** I have been saying this all along here on YouTube. The Prophet Elijah, the one who we should know all along, is in fact clothed in sackcloth. His identity is hidden. **'Lots and lots of people know him, according to what I understood. But everyone will be very surprised'**. I have been saying for a long time that this Mashiach in Daniel 9 is Benjamin Netanyahu. In fact, Natan says that he does not himself even know who he is and that could be very possible. **'Also, now, this Mashiach, I mean the Mashiach** (well, I think he's right the first time) **this Mashiach, he will fight against Obama.'**

That's not surprising really because there is no love lost between Obama and Netanyahu. Netanyahu is one of the very few leaders of the world who is not approved of by the One World Government people. Everyone else, all of them, will be considered the ten kings of the Antichrist. They will all fall in the End Times into Hell whereas here, if I am correct, if Netanyahu is in fact one of the two witnesses, he will be raised from the dead and he will seal the 144,000 from the Twelve Tribes of Israel.

This is amazing stuff and we should be very grateful that our Lord is giving one last warning to the Nation of Israel through the Prophet Natan and he is also explaining the Bible to all of us Christians. And Natan continues: **'I also saw that the moment that Har HaZeitim splits into two, then the Mashiach will stand at the entrance but he won't see who is religious or who has a beard** (this is how the Jews will be judged, the 144,000 from the Twelve Tribes of Israel) **He sees according to a person's holiness. He will smell each person.'**

This is very interesting; and it's not unusual that great saints are in the odour of sanctity and this is completely new, a new addition to revealed prophecy and I believe Natan is correct. **'If he is pure, if he**

**does mitzvot** (that is good deeds) **if he performs acts of kindness** (these are the things that Elijah will see whether a person is holy enough to enter in the safety of the split open Mount of Olives) **to see if he really has true fear of heaven and not just fear of punishment. He won't say, 'here you are, you have a kippah and a beard so, like that, it won't be if you have the externals of religion.'** By the way, a kippah is like a yarmulke or a skull cap. **'I mean really, he will have a certain....** (I'm not sure what that words says) **ability, he will be able to feel what is inside a person.'** What Natan is obviously describing to us here is how the great prophets, Enoch and Elijah, will seal the 144,000 from the Twelve Tribes of Israel.

And now the Rabbi wants to stop Natan. **'One second, one second. I just want to say something here.'** Here Rabbi Levi interrupts Natan. He wants to ask him some more questions about Obama being Gog, the leader of these forces against Israel and I want to save that for the next program. I want to continue looking at this amazing prophecy. This is a true vision Natan received. It's critical for the Jews living in Israel and it's also very informative for those of us Christians who want to know about the Book of Revelation, the Olivet Discourse as well as the great Old Testament prophets.
