

## Pope Honors Luther! Fulfills Wormwood Prophecy in Jeremiah 23! Pt 7

Before I get started, I suppose I should comment on the World Series which the Chicago Cubs won and I guess they were the best team in baseball: they had the best record. Unfortunately, they symbolize the bear; of course, bear cubs are offspring of the bear, and the Bear in Daniel symbolizes Russia, and the Bear is told to **'arise and devour much flesh'**. So, congratulations to you people in Chicago; I'm sure you are celebrating today. But, for the rest of us, the bear is not a good symbol.

So now, let's continue with this program which is part 7 in my series on Jeremiah's amazing End Times prophecies in his chapter number 23; and we've already looked at the first four lines in Jeremiah's cryptogram. And I should note that no other Catholic, Protestant or Jewish Bible scholars has ever understood the prophecies in chapter number 23, and the reason is because they did not understand that the Prophet sealed up his prophecy just as most of the other great End Times prophets have done in Scripture.

So now, let's look at line number five, which is the bottom line; and don't forget, this chapter is called **'Woe to the pastors'** and Jeremiah uses code words for the false Catholic, Protestant and Jewish pastors. Let's read verse number 5: **'Behold the days come** (that's an End

Times reference) ***says the Lord and I will raise up to David a just branch: and a king shall reign, and shall be wise, and shall execute judgment and justice in the earth.*** I'm sure, most Bible scholars will tell you this is one person in verse 5, but I'm here to tell you that Jeremiah is describing two people! In other words, the 'just branch' and the 'wise king' are two different individuals and when you find two people in the End Times, those are most often the two witnesses, Enoch and Elijah.

But which is which? Which is the 'wise king' and which is the 'just branch'. In the past, I have suggested that the two witnesses are the two 'Bens', that would be Pope Benedict and Prime Minister Benjamin Netanyahu. That is not written in stone; that's just my suggestion; you may have better suggestions. Notice that the 'just branch' has one characteristic; in other words, it is 'just'. Whereas the 'wise king' has four characteristics: 'shall reign', 'be wise', 'execute judgment' and 'execute justice'.

What's really interesting, is that the next verse, that would be verse number 10, on the bottom line of Jeremiah's cryptogram, also has the same number of characteristics and the same number of elements. And you would never understand that these two verses are related except it were for Jeremiah's Cryptogram because, as they are printed in your Bibles they are separated by quite a few different verses.

Verse number 10: ***'Because the land is full of adulterers, because the land has mourned by reason of cursing, the fields of the desert are dried up: and their course is become evil and their strength is not right.'*** So, here we find two different lands in verse 10, just as in verse 5 there were two people and the first land has one characteristic, just like the first person in verse number 5, it's 'full of adulterers', and the second land, just like the king in verse number 5, has four characteristics, that is 'cursing', the 'field becomes desert', 'their course is evil' and 'their strength is not right'. So now, is it possible, that if we can discover what these two lands represent in verse number 10, we can also discover which prophet is which in verse number 5; which prophet is the 'just branch' and which prophet is the 'wise king'.

Let's look at the first land which has one characteristic, it is 'full of adulterers' and Jeremiah himself tells us which land that is if you look

at verse number 14: **'And I have seen the likeness of adulterers and the way of lying in the prophets of Jerusalem.'** So obviously, the first land is the land of Israel in these End Times and the false prophets are the Jewish false prophets. Now, the second 'land', like the second 'king' of verse number 5, has four characteristics, two of which can be found in other Bible prophecy as referring to the Catholic Church. In the Olivet Discourse, the field which Jesus refers to, is the Catholic Church and in the book of Revelation, the desert which the seed of the woman flees to, that also refers to Catholics.

So, let's put two and two together. If the first land in verse number 10 is Israel then the first prophet in verse number 5, that the 'just branch', must be the prophet Elijah because Elijah's mission is to the 144,000 remnant of Israel. And incidentally, that gives credence to my suggestion that the prophet Elijah is actually Prime Minister Benjamin Netanyahu. And if the second land is the Catholic Church, that would mean that the second prophet in verse number 5 would be the Prophet Enoch because his mission is to the far off Gentiles and it gives credence again to my suggestion that this End Times prophet, Enoch, is actually Pope Benedict. Admittedly, a 'king' might more appropriately refer to Netanyahu.

Next, let's move on to verse number 15, the third verse on the bottom line of Jeremiah's cryptogram and this is the most important verse in the entire chapter because here Jeremiah is revealing who the False Prophet of the End Times is and we will find out that Cardinal Bergoglio, that is Pope Francis, fulfills this prophecy better than anyone else living today. And when he went to Sweden this week reaching out to the Lutherans, he was, in fact, fulfilling this verse, verse number 15, of Jeremiah's chapter number 23.

Verse number 15: **'Therefore thus says the Lord of hosts to the prophets** (now remember, 'prophets' is Jeremiah's codeword for the Protestant false pastors of the End Times) **behold I will feed them with wormwood** (now wormwood, just as in the book of Revelation, is another term for the False Prophet of the End Times and we will find out that Jeremiah is substituting the word 'wormwood' for 'priest' and therefore this person can only be a Catholic pastor of the End times) **behold I will feed them with wormwood** (this is amazing: Jeremiah is telling us that God Himself is going to appoint the False Prophet and this is very similar to Daniel, chapter 4, verse number 14, where

Almighty God appoints the Antichrist when He says: 'I will place the basest man over them'.

So, when Cardinal Bergoglio goes to Sweden to feed the Lutherans his poison, he is fulfilling God's mission. And the Lutherans and other Protestants have got to realize they cannot follow this false prophet) **and I will give them gall to drink for from the prophets of Jerusalem corruption has gone forth into all the land.'** Now it's interesting; why did Jeremiah add this reference to the false Jewish prophets? No novelist, for example, would ever tell you to add a second topic to a paragraph when an extremely important topic has already been discussed and that is, who the False Prophet of the End Times is.

But he did this for a very important reason and that is to include in this verse, verse number 15, examples of all 3 End Times false prophets: the false Protestant prophets, the false Catholic prophet, (THE false Catholic prophet, Pope Francis) and the false Jewish prophets. And the reason is because there are four verses in this chapter, and only four, in which more than one false prophet is mentioned and in those four verses all three false prophet denominations are referred to. You won't find any verse in this chapter in which there are only two types of false prophet mentioned.

In these following three verses, please note that Jeremiah uses the word 'priest' to denote the False Prophet of the End Times. 'Priest' is his code word for 'Catholic' and he always uses the word 'priest', in its singular form. There are never two or more false Catholic prophets. Again, that's because he is prophesying about one person, Cardinal Bergoglio. So, let's look at verse number 11: **'For the prophet and the priest are defiled: and in my house I have found their wickedness, says the Lord.'**

Now, here I want to make a correction to what I said in my first program in this series: I said that 'my house' symbolizes Christianity, and that's a mistake. 'My house' refers to Judaism or Israel and I should have known that because one of Jeremiah's key phrases to indicate his people, the Jewish people, is that phrase 'my', 'my people' is what he usually says, but in this case he says 'my house' and it's important to realize, that once again, here in this verse, Jeremiah is referring to all three denominations.

Let's look at verse number 33: ***'If therefore this people or the prophet or the priest shall ask you saying, what is the burden of the Lord...'***, again we see Jews, Protestants and Catholics referred to in this verse and he uses the word 'people' in this verse to describe the Jews and he usually uses that phrase more often than 'my house'. Next, look at verse number 34: ***'And as for the prophet and the priest and the people that shall say the burden of the lord I will visit upon that man...'***. Once again, Jeremiah uses all three code words for the three denominations.

And now, let's look at the critical verse which we looked at before, verse number 15. This is the focus, this is the climax of the entire chapter number 23 because Jeremiah is giving us a crucial revelation of these End Times in this verse: ***'Therefore thus says the lord of hosts to the prophets*** (the Protestant prophets) ***I will feed them with wormwood*** (wormwood is the gall He is going to feed to the Protestants through his false prophet, Cardinal Bergoglio) ***and I will give them gall to drink for from the prophets of Jerusalem corruption has gone forth into all the land.'*** And the 'prophets of Jerusalem feeding corruption to the entire land', I believe, in this case, the land refers to the entire planet; and this is also verified in Revelation where John describes Jerusalem as the 'great' city and, of course, Rome he describes as the 'holy' city, just the reverse of the times in which John lived and the reverse of the times in which Jeremiah lived in.

So, in the verse number 15, we know what 'prophet' symbolizes and we know what the false Jewish pastors symbolize but where is the word 'priest'? Obviously, Jeremiah has substituted a different word in this verse for the word 'priest' and that is 'wormwood'. As we have seen, in all four of these verses, where more than one pastor is referred to, all three types of pastor are referred to; therefore there must be one other word in verse number 15 which refers to 'priest' and that can only be the word 'wormwood'.

I've made a small chart which illustrates this a little bit better and sometimes charts are easier to explain. Let's take a closer look at this chart: at the top we have the four verses which I have been referring to and on the left-hand side of the chart we see the three denominations which Jeremiah refers to in these four different verses.

	verse 11	verse 33	verse 34	verse 15
Protestant	prophet	prophet	prophet	prophets
Catholic	priest	priest	priest	wormwood
Jewish	my house	this people	the people	prophets of Jerusalem

So, looking at verse number 11, we see the words 'prophet' for 'Protestant', the word 'priest' for 'Catholic' and 'my house' for the Jewish false prophets. Verse number 33: again we see 'prophet', 'priest' and 'this people'. Verse number 34: we see 'prophet', 'priest', 'the people' and therefore, if you look at verse number 15, we can see the similarities between all four verses.

Once again, on top we see the word 'prophets.' Now, this is plural. We never see the word 'priest' as plural; it's always singular. On the second line, where you would normally see the word 'priest', is the word 'wormwood'. It's pretty obvious that Jeremiah is relating the two words, 'priest' with 'wormwood' and, of course, that's because Cardinal Bergoglio is wormwood, he is the False Prophet. And on the bottom line we see the four references to the false prophets of Israel in these End Times, the prophets of Jerusalem. So, when we see Cardinal Bergoglio, better known as Pope Francis, going to Sweden and celebrating Martin Luther's breakup of Christianity, he is fulfilling Jeremiah's prophecy about 'wormwood' in his chapter number 23.

But now, I have to tell you that in addition to the bad news, there is some good news. Notice that the verse number of this very crucial verse is verse number 15 and 15 is Mary's Rosary number, that is 5 plus 5 plus 5. Remember, when Pope Benedict resigned, lightning struck the Vatican at exactly 5:55. That ushered in the False Prophet.

There is a relationship between Mary's Rosary and both the Antichrist and the False Prophet because we can defeat the machinations of these two evil people of the End Times. Don't forget, Benedict resigned at God's direction, and here in Jeremiah we see that it is God Himself who says 'I will feed wormwood' to the false Protestant pastors. And the Catholics also who are false will follow the False Prophet of the End Times. But the good news, we know from Revelation 8:11, only one-third will follow 'Wormwood'.

And so, in conclusion, I want to point out to you that you can go to my website and you can download Jeremiah's cryptogram. This is what it looks like, and, in fact, you can download the entire chapter 23 of Jeremiah with the verses printed in their proper order so you can see exactly what I've been talking about; and I hope to do one more program that will include the remaining verses on the bottom line of Jeremiah's cryptogram.
