

Mary's School of Prophecy The Whore of Babylon Pt 1 "Go Out From Babylon My People"

We will start a new program, maybe a series and we'll cover a new topic on this program and that is the identity of the Whore of Babylon in the Book of Revelation also known as the harlot. And there have been a lot of misconceptions about the identity of the whore and that's because there are many, many false prophets as Jesus prophesied there would be, who come in His name, in other words claiming to be Christian. And the typical interpretation is that the Whore of Babylon refers to the Catholic Church, and that is a huge error, but the false prophets love to say that because their followers would like to hear it. And the reason they like to hear it is because, then they can say, "Well I'm not a Catholic so I'm safe. I'm not going to participate in her plagues or her sins because I'm not a Catholic." And that viewpoint is, as I say, very popular. I think it was started by Dave Hunt. I think he wrote a book called, "A Woman Rides the Beast", and it's filled with error, but as I say, in the End Times people with itching ears would go after error, as prophesied by our Lord.

Now before we get started I can tell you where you can find these in my volumes. I think Catholic Crusader mentions it as volume 1 page 102 in middle of the page, and I think that's where the title of my video is. In fact I have a [link](#) to it if you want to watch it afterwards, "Mystery Babylon's Four Locations Reveal Her Identity", and none of the false prophets have ever understood that Mystery Babylon has four locations. They believe her location is on seven hills. That's not just a poor interpretation, it's poor reading skills because the seven hills belong to the Scarlet Beast, not to the harlot. And let me see, the other volume it's also in, is volume 2 pages 44 to 61. I talked not only about the harlot but also other manifestations of the Whore of Babylon.

The Whore of Babylon is our own decadent western culture, and ask any of those people who say that the Whore of Babylon is the Catholic Church, ask them who is the Scarlet Beast that she rides and which destroys the Whore of Babylon? I haven't heard anybody tell you who that is. The Scarlet Beast represents international communism. It's actually a continuum of tyrannies, world tyrannies. That's why it has seven heads and ten horns.

So on this program we will identify who the Whore of Babylon actually is, and that you must go out from her, as St. John says you must, if you want to avoid her plagues. And if you read the Book of Revelation you realize that there are many plagues which will be afflicted upon the Whore of Babylon for three major sins, abortion greed and the occult. And we are seeing the rise of the occult only recently, but those are the three sins for which the Whore of Babylon will be punished.

Okay so let's first of all say our prayer to Our Lady of All Nations. She has become the patroness of this particular program thanks to Catholic Crusader. So let's recite the prayer to Our Lady of All Nations. In the name of the Father, the Son and the

Holy Spirit. Amen. Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from degeneration, disaster and war. May the Lady of All Nations, the Blessed Virgin Mary be our Advocate. Amen.

So I think the best thing to do would be to go through chapter 17 of the Book of Revelation. Maybe this has to do with Q; 17 is Q's number because Q is the 17th letter of the alphabet. So let's read the first three verses. Now remember as we're going through these, Babylon has four locations, and the title of my previous video which I think I did over ten years ago here on YouTube is "Mystery Babylon's Four Locations Reveal Her Identity". And remember wherever John uses those terms "sit" or "sits", that's one of her locations. So in these first three verses of Revelation 17, we'll see that John uses the word "sits" twice.

Verse number 1: **"And there came one of the seven angels who had the seven vials and spoke with me, saying: Come, I will show you the condemnation of the great harlot, who sits upon many waters".**

So there's the first location of the Whore of Babylon, is "upon many waters". Now "waters" can be literal. Literally it would be waters like let's say the Mississippi River or maybe the Atlantic Ocean or any large body of water in my opinion, but of course in End Times prophecy you always look at the symbolic interpretation first. That's one of the best, perhaps the most important hermeneutic rules of interpreting End Times prophecy, and we should know by now that "waters" is another term for peoples, nations and tongues. That's what "waters" symbolize, "peoples". And therefore in this particular verse, verse number 1, the Whore of Babylon sits on many peoples, nations and tongues; now that could refer to the Catholic Church because the Catholic Church is found in most countries in the world. So as far as that goes, it could be, but capitalism also is found in many, perhaps most of the nations of the world. We still have to go out from her. We'll find out how.

Verse number 2: **"With whom the kings of the earth have committed fornication. And they who inhabit the earth have been made drunk with the wine of her whoredom."**

So these are sexual terms that "the kings of the earth committed fornication" with the Whore of Babylon, and of course Jesus tells us at the End Times, the major sins of the End Times would be sexual sins, so we shouldn't be surprised and all you have to do is look at the garbage that comes out of Hollywood, and I think the United States is considered the number 1 exporter of porn in the world. Now you think we can avoid being judged by Almighty God? I don't think so. So let's look at verse number 3.

"And he took me away in spirit into the desert. And I saw a woman sitting upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns."

So here's the second location. The Whore of Babylon is sitting upon a scarlet coloured beast. The scarlet colored beast as I said indicates international communism. The Whore of Babylon indicates capitalism, the decadent West in other words, as personified specifically by Britain and America, but there's actually a third location here, and which is not indicated by "sitting", not especially anyway.

Let me read that again verse number 3. **"And he took me away"**, this is the angel. The angel takes St. John away, **"in spirit into the desert."** So this is Babylon's third location and that is, that she is in a spiritual wasteland. Both the Whore of Babylon and the Scarlet Beast she rides are unworthy entities. Neither one will survive into the Millennium. They are both decadent. They are both in a spiritual wasteland. So that's the three of the four locations.

In the very first verse of chapter 17, we've discovered that the Whore of Babylon sits upon many waters. That means many nations. That she sits in a spiritual wasteland. That's her second location and thirdly she sits upon the scarlet coloured beast, and that means that she controls communism. Capitalism at the moment controls communism. Of course this will not continue. So now let's move on to the next verses in Revelation chapter 17, verse number 4.

"And the woman was clothed round about with purple and scarlet," and I wanted to mention this. Dave Hunt says, well because she's clothed in purple and scarlet, she must represent the Catholic Church, because bishops and cardinals wear purple and scarlet. Well, he doesn't understand the hermeneutics of End Times prophecy. If you're writing End Times prophecy or apocalyptic literature, you would never symbolize purple and scarlet clothing with purple and scarlet clothing. That's the last thing you would interpret it as being and besides, the second reason that it can't be the Catholic Church is, because if you were to pick any two particular colours that would represent the Catholic Church, in my opinion the first one you would pick would be white, because that's what the Pope always wears and black because that's what priests always wear. So it's true that bishops and cardinals wear purple and scarlet, but that's not what St. John is indicating here.

Well I might as well tell you what it indicates, as long as we're here. The purple indicates royalty. It always has, and that symbolizes the form of government of Britain, in other words, the Queen, the Queen of England. The scarlet colour indicates of bloodshed, and that was how our government was formed, and that was through the bloody American Revolution. That's why John uses those two colors, purple and scarlet. So let's look at the rest of verse 4.

"and gilded with gold and precious stones and pearls, having a golden cup in her hand, full of the abominations and filthiness of her fornication." And Dave Hunt says, well that golden cup, that's got to be the chalice that a priest uses at a Catholic Mass. And the Dimond Brothers were supposed to be Catholic, but they interpret it the same way, and that's not true because where's the symbolism? The golden cup, full of abominations symbolize well particularly, the arts that we produce in Hollywood, the porn and so on. It's very slick and glossy on the outside, very professional-looking, but on the inside it's full of filth and fornication. Then the movies coming out of Hollywood, they promote abortion, contraception, sterilization

transgenderism, any kind of perversion you can think of is promoted in Hollywood movies, adultery, divorce, things like that. Shiny on the outside, in other words very professionally produced, but filthy on the inside. That's exactly what that golden chalice represents, in other words it's symbolic. It's not actual as Dave Hunt seems to think. Verse number 5:

“And on her forehead a name was written: A mystery: Babylon the great, the mother of the fornications and the abominations of the earth.”

So once again, the name written on her forehead is a mystery. In another words St. John does not understand it. If the word “Roman” were on her forehead, he would understand that. He knows that's where the church was in Rome at the time. If the word “Catholic” were on there, I think he would understand that, but that's not the phrase that he sees on mystery Babylon's forehead. He probably sees a phrase like “United States”, and that would be a mystery to John, or “Great Britain”. He wouldn't understand that either. I'm sure that is what he sees, and that's why he calls it a mystery. Let's look at that the rest of that verse; **“the mother of fornications and the abominations of the earth.”** again we have sexual perversion referring to the decadent West. Let's look at verse number 6.

“And I saw the woman drunk with the blood of the saints and with the blood of the martyrs of Jesus. And I wondered, when I had seen her, with great admiration.”

Now “the blood of the martyrs”, it doesn't explain it here, but it explains it elsewhere in verse number 11. The souls under the altar are aborted babies, and that's what “the blood of the saints” that is referred to here. Saints represent one of the four groups of people, who will survive into the Millennium, and many saints and representatives of all four groups have been aborted, and their lives have been cut short. In this country, 60 million babies, and incidentally where are they now, the souls of those 60 million unborn children? John says, “Under the altar”. I used to say they're in Heaven but John says, “Under the altar”. I think that's probably more accurate. In any event, they're not praying for America. They are praying for vengeance on America. They are doing that right now as we speak. They are praying for vengeance on America, and you can be sure that God will listen to their cries.

And at the finish of verse number 6, and John says here, **“I wondered when I had seen her, with great admiration.”** So this let's look at the next verse, verse number 7

“And the angel said to me: Why do you wonder? I will tell you the mystery of the woman and of the beast which carries her, which has the seven heads and the ten horns.”

Now it's interesting John will say that if you wonder at the beast, your name is not written in the Book of Life, so I'm sure John, after he understood this, his name was written in the Book of Life. And you have to also, if you want your name written in the Book of Life. You can't wonder after the identity of the Whore of Babylon. A

lot of people who believe that it's the Catholic Church, their names are not going to be written in the Book of Life because you can't wonder after this Whore of Babylon, the woman. Verse number 8:

“The beast which you saw, was, and is not, and shall come up out of the bottomless pit and go into destruction. And the inhabitants on the earth (whose names are not written in the book of life from the foundation of the world) shall wonder, seeing the beast that was and is not.”

So I'm sure you want to know the identity of the Beast. I'm sure you don't want to wonder who the Scarlet Beast is, and I don't think any of the false prophets who try to tell you that the Whore of Babylon is the Catholic Church, even take an attempt to tell you who the Scarlet Beast is.

And the Scarlet Beast “was, and is not,” and shall go to destruction. “Was” refers to the previous manifestations of tyranny on this planet starting with I think Egypt. Let me see if I can get them all, Egypt, Persia, that would be the same as Babylon, the Assyrian Empire, Greece, and then I think Rome is the sixth of the ancient empires or tyrannies which ruled from a centralized location. The Whore of Babylon is not ruled from a centralized location. The Scarlet Beast always is. Those six manifestations represent “was”.

“Is not”, that refers to well, let's see. The fifth would be the Roman Empire. The sixth would be international communism beginning in 1917. “Is not”, refers to the collapse of the Soviet Union. That's the era we are in right now, but it will be revived as the eighth beast in the Book of Revelation, and it will go to destruction as I said. Neither the Scarlet Beast nor the Whore of Babylon is worthy. Neither one are worthy to enter into the Millennium. First, the Whore of Babylon, that is Britain and America must be destroyed by the Scarlet Beast, and then the Scarlet Beast, the eighth beast, the same as the fourth beast in Daniel 7 will be destroyed by Jesus at Armageddon. Let's look at verse number 8. and I'll read that part we just did.

“And the inhabitants of the earth (whose names are not written in the book of life from the foundation of the world) shall wonder, seeing the beast that was and is not.”

So none of you have to wonder because you now know who the Scarlet Beast represents, but a lot of people **will** wonder because they listen to the false prophets. I mean how many people are watching this program right now, 47. There are thousands upon thousands of people out there who believe the Whore of Babylon is the Catholic Church, which is a big lie from the pit of Hell. Satan does not want you to know who the Whore of Babylon represents because he doesn't want you to leave her. You have to go out from her if you want to avoid her plagues.

So we've already discovered three of her locations. In a few minutes we'll discover her fourth location. And verse number 9:

“And here is the understanding that has wisdom.” Now the Scarlet Beast has seven heads, and John tells us who they are.

“The seven heads are seven mountains, upon which the woman sits, and they are seven kings.”

So the false prophets look at that and they say, “Oh look, the Whore Babylon sits on seven mountains, therefore it must be Rome”, but those seven heads belong to the Scarlet Beast. It's the Scarlet Beast that will be headquartered in Rome. The Whore of Babylon sits on the Scarlet Beast, and that is what John is saying here, that the seven heads belong to the Scarlet Beast.

And we know that Rome will lose the faith and become the seat of the Antichrist, because Mary prophesied that at La Salette, so John is saying the exact same thing here that the headquarters of the Scarlet Beast will be in Rome, the eighth beast which is of the seven. They will be communist. So that is verse number 9, and that's one of the locations which are upon the seven heads or the seven kings, in other words the Whore of Babylon controls the Scarlet Beast. Let's look at verse number 10:

“Five are fallen, one is, and the other is not yet come: and when he shall come, he must remain a short time.”

And I just went over that. The five that have fallen are the first five I mentioned starting with Egypt and Babylon and the Persian Empire, Greece and Rome. I think those are the five. **“Five are fallen, one is.”** That would refer to international communism, **“and the other is not yet come: and when he shall come, he must remain a short time.”** That's the eighth beast. The eighth beast that **“was and is not”** is the same also as the eighth and is of the seven and goes to destruction. In other words the One World Government will grow out of this beast system which is communism. Right now it's controlled by capitalism. That's what John is talking about here, but it will defeat capitalism. It will be burned, the Whore of Babylon with fire within one hour, then when it does, then it will be the eighth beast, the final beast, the One World Tyranny.

Verse number 12: **“And the ten horns which you saw are ten kings, who have not yet received a kingdom: but shall receive power as kings, one hour after the beast.”**

The number 10 is a number of completion. I think it means that most, if not all of the kings of the world will have one and the same goal as John says here, also in the Book of Revelation, and that's what he is talking about. They will all support this beast from the abyss, the Scarlet Beast. This One World Communist Tyranny will be supported by all. A lot of people say that they represent the ten countries in the European Union, and that's a pretty good interpretation, but it's not limited to them.

I think that's the end of our class for today everyone. May God bless all of you and may all of you have a very blessed day.
