Middle East Peace Plan Confirms the Covenant in Bible Prophecy

On this program I want to sum up the last six or seven programs about Donald Trump's Middle East Peace Treaty and I should say Benjamin Netanyahu's Middle East Peace Treaty because he is really the author of this peace treaty and just about all the features of it he convinced Donald Trump to support him on. And the reason I emphasize that is because I don't believe Donald Trump is the Anointed One in Daniel 9:26, but I do think Benjamin Netanyahu is. He is the one who is confirming the covenant, and I don't really like doing review programs like this because I'm kind of repeating what I've already said for the last seven, eight or nine days, but on the other hand the false prophets have been out here, for what 30 to 40 years now telling you that the Antichrist will sign a peace treaty with Israel and that is total phony baloney, and they still are telling you that huge error

In fact I watched a video, I think it was JD Farag; he's still saying that; Irvin Baxter, he's still saying that. None of them have got it right, and the reason they get it wrong is because they don't understand you have to unseal the prophecies of Daniel before you can interpret, and fortunately I have been doing that for the last 11 years here on YouTube, and that's because I do have a gift from the Holy Spirit as what I call a co-prophet. In fact all of the prophecies of Daniel are sealed up. You must unseal and understand the structure of the prophecy before you can interpret it, and we've been going over for example 9:26 and 9:27, which are extremely important because they are the most important verses of all of the Bible about End Times Israel.

They are a warning to what is going to happen to Israel. They are very concise and they are very precise, although I'm not sure if we will understand totally any End Times prophecy until the Millennium, and we will look back on for example the Book of Revelation, and then we will understand it much better than we do now. It's just like we look back on Isaiah now, and we can see how his prophecies about the coming of our Lord Jesus Christ and His first coming was all prophesied, and we can understand Isaiah much better. And we will understand the Book of Revelation much better during the Millennium. It will still be discussed a great deal just as Isaiah is discussed, but it will be discussed through hindsight, and the same way with Daniel 9:26 and 9:27.

And we've been talking this week also about the Jewish teenager Natan and the near-death experience he had. In fact I have the [link](#) to his video, and he had a vision of the Messiah, and he told us quite a few things which verified what I've been saying, and that is that the Mashiah is actually the Anointed One in Daniel 9:26 but he's also the prophet Elijah, although I don't think Natan said that, but that's who he's talking about. And he will save the remnant of Israel, and they will flee to the Mount of Olives. And we learned that the mountain that Jesus says that those who are in Judea must flee to; that mountain is the Mount of Olives. And we learned that as I say from the Jewish teenager Natan.

We also discussed the four blood moons this week. That's also extremely important. In fact on this program I want to continue my discussion of the book the

“Four Blood Moons”, by John Hagee. He has a lot of errors in there. I want to correct some of those.

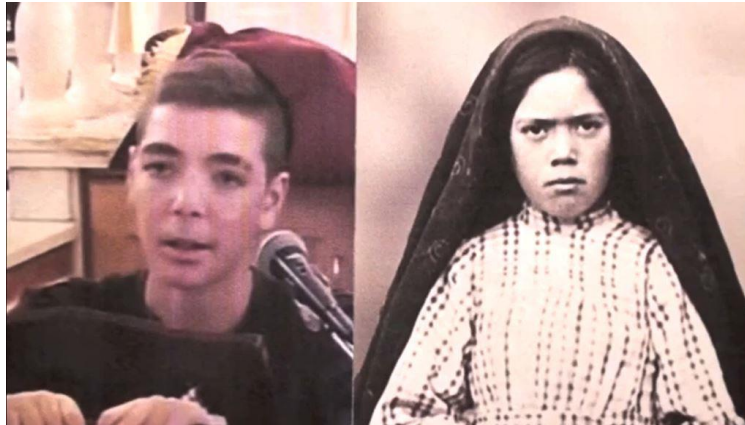

The peace plan that Donald Trump presented on January 28th was presented exactly four years and four months after the fourth blood moon. That was not an accident. That shows that it is related. And it's John Hagee and quite a few others, Mark Blitz, Paul Begley, JD Farag, Irvin Baxter and so on, and myself too. We talked about the four blood moons a great deal before the last one occurred. Since the last one occurred on September 28th 2015, none of those other people have acknowledged that the Four Blood Moon prophecy was fulfilled. It was fulfilled by the Jewish teenager Natan, when he received that near-death experience and vision of the future of Israel, and none of them wanted to acknowledge that. I don't know why. Maybe they thought God would give them the vision, but anyway none of them acknowledged that the prophecy did indeed come true.

And we also talked about the abomination of desolation, primarily as it affects Israel. That's also found in Daniel 9:26 and 9:27, but also as it affects Catholics because the AOD as it affects Catholics comes before the AOD as it affects Israel. And Jesus said, when you see the abomination of desolation as spoken of by Daniel the prophet standing in the holy place, and then it gets four responses. Those four responses refer to the four groups who will reign with Jesus during the Millennium. And the first the first group which is affected in the End Times are the remnant Catholics, and we have already received our abomination of desolation when Pope Francis said that those who are living in mortal sin may receive Holy Communion, as he said in his apostolic exhortation *Amoris Laetitia* footnote 351.

And what that does, is that invalidates the Eucharist by any priest who supports the pope. And more and more priests are going to do that and that is in fact the purpose of the Amazon Synod, which was to bring in married priests as I told you ahead of time. That was the purpose of it, and we will see that very shortly. In fact I believe that Life Site News, they have some of the new apostolic exhortation from Pope Francis which has been leaked. Several bishops I guess leaked it, and you can see the paragraph that will allow celibacy to become optional in the Catholic Church. And of course that shows that the One World Religion has taken over the Vatican as Mary prophesied in La Salette. Rome will lose the faith and become the seat of the Antichrist, and of course Pope Francis' job as the False Prophet is to announce the Antichrist, just as John the Baptist announced our Lord Jesus Christ.

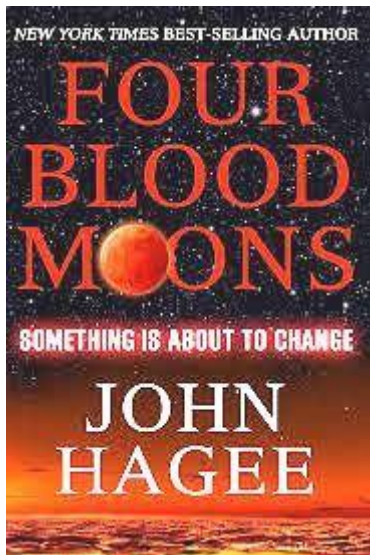

And I think the other comparison I made during the week was between the Jewish teenager Natan and his near-death experience, and with Sister Lucy. We call her Sister Lucy now, Lúcia dos Santos in the vision she received of the bishop dressed in white. And I've been suggesting all along that the Mashiac who Natan saw is the prophet Elijah, and the bishop dressed in white which Sister Lucy talks about is the prophet Enoch.

Natan talked about the prophet Elijah who he called the Mashiac and he was very correct in saying that the Mashiac is alive today and a very prominent person in Israel, and I suggest that that person is Benjamin Netanyahu. And sister Lucy, the vision of the bishop dressed in white, I believe that is the prophet Enoch, and I believe that that is in fact Pope Benedict. I believe both will be martyred very soon.

Natan and Sister Lúcia Dos Santos

Now that was just an introduction to this program, and now we are going to say our prayer to Our Lady of All Nations, because she is the patroness of Mary's School of Prophecy. Somebody said that we shouldn't pray to Mary and where is that in the Bible? And I wrote back and I said, the very first Hail Mary was recited by God Almighty Himself through His messenger Gabriel, and there's no reason why we shouldn't imitate God Almighty. In any event let's say this prayer to Our Lady of All Nations. In the name of the Father, the Son and the Holy Spirit, Amen. Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations that they may be preserved from degeneration, disaster and war. May the Lady of All Nations, the Blessed Virgin Mary be our Advocate; Amen.

And, I think we can begin with Four Blood Moons book which I want to continue talking about. I only got about two thirds the way through, and the many errors that it has. This was a huge million-seller and it was on the New York Times bestseller list for many, many months. He sold millions of copies and there are all kinds of errors in there, and I've done programs before pointing out the errors and they don't seem to learn. They never change, even though I point out the errors. They're still out there saying the Antichrist, and the problem with that is that the confirmation of the covenant is almost over with. It's just like they talk about the beasts that come up out of the sea in Daniel 7, the lioness, the bear and the leopard. They're still trying to figure out who those three beasts are, and all those three beasts have all come and gone. It's the same way with the

confirmation of the covenant. I am saying that the confirmation of the covenant is almost complete.

And here's the chart and this is how I break down Daniel 9:26 and 27. You read it according to the letters of the alphabet. And if you look at A), "And he shall confirm the covenant with many, in one week", that is what we saw on January 28th. That was Netanyahu confirming the Abrahamic covenant with Israel, and next comes B) "And after sixty-two weeks the Anointed One shall be cut off", and I am predicting

that that is what will happen to Netanyahu. I don't believe Israel is going to accept all of the help that Donald Trump has offered in his peace plan.

DANIEL 9:26	DANIEL 9:27
<p>B) And after sixty-two weeks the Anointed One shall be cut off but not for himself.</p> <p>C) And a people of the prince who shall come, shall destroy the city, and the sanctuary:</p> <p>F) and the end thereof shall be with a flood,</p> <p>G) and after the end of the war the appointed desolation.</p>	<p>A) And he shall confirm the covenant with many, in one week:</p> <p>D) and in the midst of the week he shall cause the sacrifice and the oblation to cease:</p> <p>E) and there shall be in the temple the abomination of desolation:</p> <p>H) and the desolation shall continue even to the consummation, and to the end.</p>

I think they are going to reject Benjamin Netanyahu, even though he has been striving for actually more than a week. In other words for Netanyahu, he was elected in 2009. So for more than ten years he has been confirming the covenant. The confirming of the covenant is almost over with. We are almost to the second part of the prophecy, and that is the Anointed One being cut off. "Anointed" simply means the Mashiah or the Messiah in other words. That's what Mashiah means is the Anointed One.

And when Natan saw the Mashiah, he saw this Anointed One in Daniel 9:26 and he is going to save a remnant of Israel after he is martyred. Now first he is cut off, and that may be martyrdom or it may be that he loses this next election. I am predicting that Benjamin Netanyahu will lose the election on March 3rd coming up in just about a month, because I believe Israel is going to reject the prophecies of Daniel 9:26 and 27. They do not want to give up. They're thumbing their nose at the Ten Commandments, and we find in Daniel 9:11 and 12 why Jerusalem and Israel will be destroyed by the prince who shall come.

So let's just take a look at this Four Blood Moons book. As I say, this was a huge bestseller for John Hagee. John Hagee is a false prophet. He has no idea what he's talking about, and I think I was up to page 166, and here's what he writes. *"The day is soon coming when God Almighty is going to crush the enemies of Israel once and for all. Remember the references in the Olivet Discourse to the elect."*

Well first of all, let me comment on that, "Crush the enemies of Israel once and for all". Before that happens, Israel is going to be defeated in the Daniel 9 war, and he glosses right over that. He doesn't mention it at all. *"Remember the references in*

the Olivet Discourse to the elect. Matthew 24 and 31 refers to the Jewish people not the church.”

And he's completely wrong. The elect in these End Times, and not only in Matthew but also in Isaiah 45 and Micah 5 refers to the remnant Catholic Church, not the Roman Catholic Church. It refers to the stone cut from the mountain. It refers to the daughter of the robber. We are they elect that Matthew is writing about.

“The elect is the nation that God has chosen as recorded in the Book of Exodus 19:5 through 6”; and, it's not as I say, it's not the Jewish people. The Jewish people in Isaiah are referred to as Jacob, and in the Book of Revelation as prophets. The elect however refers to the remnant Catholics, and on page 167 John Hagee writes, “During the tribulation the Jewish people will be protected by the hand of God at the natural fortress of Petra located in Jordan.”

That's all fantasy. I've heard that many times. Where do they get that? There's nowhere in the Bible that mentions anything about Petra, but it makes good reading, I mean if you don't mind reading fantasy.

“When the enemies of Israel are destroyed, God will send His angels with a great sound of trumpet, and they will gather together his elect”, and he says again Jewish people, but it's not Jewish people, and he gives this quote from Matthew 24, which is an accurate quote.

“He will gather together his elect from one end of heaven to the other”. Now he left out an important part of that. He gathers His elect “from under the four winds”, from one end of heaven to the other, and that refers to three different groups of people. The elect under the four winds are the Catholics, who have been scattered in the desert. In one end of heaven are the raptured Protestants. In the other end of heaven are the holy martyrs. Those are the three groups who join with Jesus on Mount Zion for the battle of Armageddon. The fourth group, the converted Jews, they are not in the battle of Armageddon because the Mashiac seals them as we see in the Book of Revelation, and they go for protection into the Mount of Olives which opens up according to Natan and I think he's right, and two graves open up. Two people come up out of them. That would be Enoch and Elijah and the mount splits open in the two halves according to Natan and I think he's right on that.

Now the next section here and the last part of the book is about the four blood moons, so he does give some history in here which I think it's accurate. I mean he's prejudiced. He's anti-Catholic, which doesn't help him. Maybe that's why he doesn't get the prophecy right, I don't know. Here's what he quotes on page 88. He says, *“The Spanish Inquisition was perhaps the most cynical plot in the dark history of Catholicism.”* You know John, if you weren't anti-Catholic you might get the prophecies right, *“aimed at expropriating the property of well-to-do Jews in conference in Spain for the benefit of the royal court and the church”,* which does not sound much different than what Henry VIII did in England for all the Catholic monasteries. He destroyed all them so that he and his royal cronies could steal all the jewels and all the artwork and so on, but that is beside the point. I think he is right that there's no doubt that Jews were persecuted in Spain at that time, and he mentions that there were four blood moons at that time.

So the four blood moons can be something bad for Israel. That's why it's important to understand those four blood moons. Now the next four blood moons he mentions, I think he mentions Christopher Columbus which was actually at the same time. So let me read this passage from page 193.

“God has blessed America because we opened our arms to the seed of Abraham who have blessed the world beyond measure.” Well I agree with that. *“I believe the day Israel turns its back on Israel and the Jewish people, will be the exact day in history when God Almighty lifts his hand of blessing from America.”*

Well certainly that has not happened. It did happen under Barack Obama, but Donald Trump has done everything that Israel wants in this peace plan, and what's going to shock I would think John Hagee and everyone else, is the Israelis are going to reject this peace plan, you watch. That's my prediction.

“The policies of our present government are putting daylight between Washington and Israel. Beware America, God is watching. His honor and integrity rest upon the supernatural defence of Israel.”

When you mention the supernatural defence of Israel, America has done everything possible for the physical military defence of Israel, and that's not Israel's problem. You tell many times in here that America has to repent and I agree with you John Hagee, but never once do you tell Israel they must repent, but that's what Daniel says in Daniel 9 verses 11 and 12, and that's what the Jewish teenager Natan says in his near-death experience in his vision of the End Times. Maybe that's why John Hagee does not acknowledge Natan's amazing vision because that's what he tells Israel that they must repent. And I don't say they have to convert to Christianity. They have to convert to Judaism, and that's what Natan says.

They have to practice the commandments and they can't spend hundreds of millions of dollars to promote Tel Aviv as the Sodom and Gomorrah capital of the world for example. I mean Israel is the one who taught us that Sodom and Gomorrah are evil, and here they are adopting it, and of course John Hagee never mentions that, but that's what the true prophets are saying. The true prophets don't give people pillows and cushions, but that's what they do with Israel. They feed Israel pillows and cushions. Not only John Hagee, but as we found in Jeremiah 23, the Jewish prophets in Israel are feeding them pillows and cushions. Not that Rabbi Levy. He was pretty good, the one who brought Natan's prophecy to the fore. Even then he modified Natan a little bit when he should not have. Anyway the link to his video is [here](#) and you should watch that.

Okay, the next four blood moons occurred, and this is on page 198, and as I say, the historical aspects are pretty good in here if you want to learn about it. *“The tetrad or the four blood moons, beginning in 1949 occurred on the Jewish holidays of Passover and the Feast of Tabernacles.”* And that's what the four blood moons that we are talking about, they occurred on Jewish feast days. That's how we know that they affect the nation of Israel. And he mentions the four blood moons of 1949 and 1950, and that relates to the War of Liberation which occurred starting in May 1948, so you can see that dates are not exactly right. In other words May '48 the

four blood moons followed in April 13th 1949 to September 26th 1950 and the reason I say that it follows a little bit, because this peace plan of Donald Trump followed the fourth blood moon by exactly four years and four months after the fourth blood moon, and that shows that it is of a very important significance.

And now he comes to the four blood moons of 1967 and 1968. As I say, his history is good. The Passover in April 24th 1967 (1), the Feast of Tabernacles in October 18th 1967 (2), the Passover in April 13th 1968 (3), and the fourth one was on October 6th 1968, the Feast of Tabernacles, and I think the war for Israel in which the Jews took back Jerusalem was in June 1967, but I'm not sure exactly where that fits into that tetrad.

So now, here he comes up to the most recent one, the blood moons of 2014 and 2015, the Passover April 15th 2014, then ending with the Feast of Tabernacles September 28th 2015, and it was that night that Natan had his amazing near-death experience and vision. I've been wondering what has happened to Natan and somebody made a comment that they didn't believe that his parents - he was only 15, he would be 19 now - his parents did not approve of this and it's possible that they have kept him from saying anything more about it, which may be good. In that way he hasn't been able to contaminate his message which he might be tempted to do. The farther he gets away from remembering it, things might creep in. For example someone in the audience asked him if he saw the temple, the third temple, and he said no, he did not. And I've been telling you for years and years, there will be no third temple, whereas all the false prophets, they not only say the Antichrist signs some kind of peace treaty with Israel, but they say this peace treaty includes the third temple, and it does not. There's no such thing as the third temple in Daniel 9:26 and 27. In fact I'll show you that.

Let me just show you and again, (page 4). In other words, 9:26 and 27 was first fulfilled by Jesus. He was the Anointed One who was cut off, that is crucified, and if you look at H) from Daniel 9:27, at the bottom, "the desolation shall continue even to the consummation, and to the end." And the temple is being destroyed in this by the Roman general Titus in 70 AD, but that desolation, the destruction of the temple continues to the end. There is no third temple rebuilt. They may try to rebuild it, but that will not fulfill prophecy. And the covenant that is confirmed does not include a third temple, although they've been trying to say for years and years and years as I say that it will.

And now let me continue this, and this is from page 225; "The Old Testament prophets clearly state that when the Jewish people return from their second exile," in other words right now, "they will never be removed from their covenant homeland again. Therefore China, Iran, Russia and the uprising home of the Arab Spring will not remove the people from the land or the land of Israel from the earth." Well John Hagee you're right, but that doesn't mean they won't be ruled by their enemies. That's the part you forgot. In Daniel 9:11 there is the covenant of Moses Daniel prophesies about, and that is the covenant where if the Jews don't follow their own Ten Commandments, God will cause them to be ruled by their enemies. That's the completion of that covenant, and that's what's going to happen. And they will still occupy the land, but they won't rule themselves. They will be ruled by, I believe the two bears, Russia and Iran which we find in second

Kings. The two she-bears come out of the woods and maul the 42 youths. That's what we are about to see.

I think we're now almost up to the last one I have. He says on page 244 he talks about the rapture. *"The fourth series of blood moons is coming."* This was before the fourth blood moon. *"They are extremely rare, even by scientific standards. God is shouting to us something big is about to happen"*, and it did, and God was shouting to you about Natan's testimony. Why didn't you hear that?

"However the coming four blood moons of 2014 and 2015 does not mean the rapture is going to happen during that time." Well I agree with that. Of course looking back it's easy enough to agree with it, but I agree with it anyway. *"Why? Because the rapture could happen at any moment."* He's 100% right on that, but what gets me is, neither he nor any of the false prophets understood what did happen on the fourth blood moon, and that is of course that Natan had his near-death experience, his great vision of the End Times.

So I think I think that's all I wanted to do. I could show you this chart I made up. This is my last slide, and as I've showed you all week along Daniel 9:26 and 9:27. These are the most important two verses in all of the Bible for Israel in these End Times, and I thought that I would print these eight sections out in chronological order. This is Daniel 9:26 and 27 starting at the top,

- A) And he shall confirm the covenant with many, in one week**
- B) And after sixty-two weeks the Anointed One shall be cut off but not for himself.**
- C) And a people of the prince who shall come, shall destroy the city, and the sanctuary**
- D) and in the midst of the week he shall cause the sacrifice and the oblation to cease**
- E) and there shall be in the temple the abomination of desolation**
- F) and the end thereof shall be with a flood,**
- G) and after the end of the war the appointed desolation.**
- H) and the desolation shall continue even to the consummation, and to the end.**

A) "And he shall confirm the covenant with many, in one week." I believe that is what we just saw the completion of, and I believe that he is the Mashiac of the End Times and Mashiac is not Messiah, it simply means Anointed One. It means the leader of Israel. That would be Netanyahu.

B) "And after sixty-two weeks the Anointed One shall be cut off but not for himself." I believe we will see the beginning of that with Benjamin Netanyahu losing his election on March 3rd.

The next part of the prophecy none of the false prophets understand. **C) "And a people of the prince who shall come, shall destroy the city and the**

sanctuary.” This is what's going to happen to Israel. “The prince who shall come”, is not the Antichrist by the way, and I have said that in the past, and that was a mistake. I now believe that “the prince who shall come” is probably Benjamin Netanyahu.

Let's look at **D)**; “**And in the midst of the week he shall cause the sacrifice and the oblation to cease.**” For the Jews that means that he will deny the practice of Judaism.

E) “**And there shall be in the temple the abomination of desolation**”. That will be in all the synagogues in Israel.

F) “**And the end thereof shall be with a flood.**” This is going to be a sudden destruction of Israel.

G) “**And after the end of the war**”, this is the Daniel 9 war, not the Ezekiel 38 war, “**the appointed desolation.**”

H) “**And the desolation shall continue even to the consummation, and to the end.**” Now the consummation is Armageddon. That is the Ezekiel 38 war, and all the false prophets misinterpret Ezekiel 38 because that's what they say is going to happen to Israel now. That's not true. The Ezekiel 38 war is when Israel is saved, when Jesus returns and He shows them His wounds in His hands as prophesied by Zechariah.

Okay I think that completes everything I wanted to say and what I have said that kind of summarizes everything that has happened this week. It's been certainly an amazing week in Bible prophecy, and Bible prophecy is coming fast and furious, and every day we seem to see more prophecy fulfilled.

Until I see all of you again, may God bless all of you, and may all of you have a blessed evening.
