

## Antichrist vs Donald Trump in Micah 5

Today is Sunday, June the 4th, and this afternoon I scheduled a huge Bible prophecy conference except for one problem: nobody showed up! That's right, zero people attended; and that's partially your fault, I guess, I don't know. In any event, it may be the weather forecast was not too great. It was for rain although really we only had one shower and a few sprinkles. So I don't know if I will try this again or not. I had prepared a talk and I will give you a summary in a few minutes. Now on Friday, one of my subscribers from North Carolina did stop in, Keith, and I apologize Keith for not talking about Bible prophecy with you. I kind of gave you the brush-off because I was in a hurry to get set up for this humongous Bible prophecy conference. And I thought maybe next time, and I'm not sure I'll do one next week or not, instead of preparing a talk I will open up to whatever you want to talk about because that may be more interesting for you and it would certainly be a lot easier for me.

In any event, what I was going to talk about on this program, and I'll give you a brief synopsis, is that Donald Trump does not get us out of the woods here in the United States. One of my subscribers sent me a nasty note last week and she said: 'You false prophet, Donald Trump won't save us, the United States is the Whore of Babylon'. Well I have been here on YouTube for nine years telling you that the United States is the Whore of Babylon and I've got all kinds of grief for that. I have not wavered in that and America is still going to be burned with fire in one hour and neither Isaiah, in his chapter 45, or Micah in his chapter 5, contradict that. But they do say it would be much better for us to have elected Donald Trump than Hillary Clinton because Hillary would have invited the Antichrist into the United States. So it will be much better for us but we still need to pray a great deal for both Donald Trump and America.

So let me just briefly tell you what I was going to talk about at this, um, 'non-existent' Bible prophecy conference; and this is in Micah chapter 5, verse number 5: '**And this man** (now in the near time fulfillment Micah is prophesying about Jesus but in the End Times, this is Donald Trump) **shall be our peace** (very positive) **when the Assyrian shall come into our land** (of course, the 'Assyrian' is a code word for the Antichrist) **and when he shall set his foot in our houses and we shall raise against him seven shepherds and eight principal men.'** We will need these leaders because Donald Trump will not be able to

carry out his mandate until he converts to Catholicism, as I have told you before on this program, and until then, there are 15 leaders who will be our defense against the forces of the Antichrist and his One World Government and One World Religion.

Verse number 6: **'And they shall feed the land of Assyria with the sword** (so there is going to be a war and Donald Trump's Protestant brethren, after they convert, will defend our nation, but as I have said, they must convert and I believe that will be marked by the Great Sign this fall on September the 23rd) **and the land of Nimrod with the spears thereof and he shall deliver us from the Assyrian when he shall come into our land.'** Thus we see we are going to be invaded. I hope that our Lord can find the equivalent of ten good people; He was going to save Sodom and Gomorrah for the sake of ten good people but Abraham could not find them. I'm not sure He can find the equivalent of ten good people in this country or not. We still could be saved but it doesn't look that way as our country is still actually run by Barack Obama; his policies are still in effect even though we have a Republican Congress, a Republican Senate and a Republican president. They talked about cutting off funding for the killing of innocent, unborn babies and they haven't yet, so we are going to pay for that innocent, shed blood. **'When he shall come into our land** (that's the Antichrist invading America) **and when he shall tread in our borders.'**

So, as I say, I'm kind of sorry I didn't have more people come to listen to my talk today; in fact I had zero people, but that doesn't mean I won't try again and I'm not going to give you a definite date for the next time. As I say, I won't prepare anything. We need to, in the meantime, continue to pray for Donald Trump and for the United States because we are by no means out of the woods and if you want to send me emails telling me that America is the Whore of Babylon, you don't need to do that, I have been preaching that truth here on YouTube for almost nine years!
