

Mary's School of Prophecy
The Whore of Babylon Pt 5
“Bible Prophecy About Mystery Babylon the Harlot”

This will be my final session on the harlot in the Book of Revelation, also known as the Whore of Babylon or Mystery Babylon as found in chapters 17 and 18 of the Book of Revelation, and we're going to find one verse in chapter 16 that also refers to Mystery Babylon. And we've already discovered that Mystery Babylon is primarily the United States and Britain, in other words all of the decadent West, and we will be burned with fire in one hour by the Scarlet Beast that the whore rides, and that would be international communism. And of course the Scarlet Beast is eventually defeated by our Lord Himself at the Battle of Armageddon. Okay now let's review what we learned, but first we have to say our prayer, and this is the prayer to Our Lady of All Nations. so join with me if possible.

In the name of the Father, the Son and the Holy Spirit. Amen. Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from degeneration, disaster and war. May the Lady of All Nations, the Blessed Virgin Mary, be our Advocate. Amen.

And, as I always note, Mary is the Lady of All Nations, plural. She is not a globalist. Globalism is an idea that came to us from Satan, as he expresses himself in the Deep State. Okay I think we're going to review Revelation 18, verse number 20 first, because believe it or not, this must be our reaction to when the United States is burned with fire in one hour.

Verse 20: **“Rejoice over her, you heaven, and you holy apostles and prophets; for God has judged your judgement on her.”**

21: **“And a mighty angel took up a stone, as it were a great millstone, and cast it into the sea, saying: With such violence as this, shall Babylon, that great city, be thrown down, and shall be found no more at all.”**

The destruction of Babylon is caused by the Scarlet Beast when she burns America with fire in one hour, America and Britain primarily. The two “is fallens” referring to the fall of Babylon are the same as the two horns on the ram in Daniel chapter number 8. Remember in Daniel 8, the horns on the ram, one is larger and newer than the other? That's the United States. It's larger and newer than Britain, and the single horn on the goat which destroys those two horns represents Soviet Russia. I say Soviet Russia because the so-called collapse of the Soviet Union is one of the great delusions of these End Times. So now let's look at the next verse which we did not go through yesterday.

Verse 22: **“And the voice of harpers, and of musicians, and of them that play on the pipe, and on the trumpet, shall no more be heard at all in you; and no craftsman of any art whatsoever shall be found any more at all in you; and the sound of the mill shall be heard no more at all in you.”**

And, I've come to understand that the reason that all of these things will not be in America anymore is because all the people that did those things have been raptured. And you're probably aware of that saying that, "When the missiles come down, we go up." I think there's a lot of truth to that, and if you look at all the activities of the raptured Protestants in Heaven, they are doing all these things which will no longer be done in America.

Let me just read that again, at the end of verse 22: **"and the sound of the mill shall be heard no more at all in you."** Well, what does that remind you of? That reminds me when Jesus says that two will be working at the mill, one will be taken one will be left. So that the one who was left doesn't have his partner to work at the mill any longer, and all of these things, the harpers, the musicians, millwork, none of that will be occurring after we are burned with fire in one hour. So let's look at the next verse, verse 23:

"And the light of the lamp shall shine no more at all in you; and the voice of the bridegroom and the bride shall be heard no more at all in you."

And of course the bride the bridegroom, why won't they be heard? Because they are in Heaven attending the marriage supper of the Lamb. And the rest of that verse 23: **"For your merchants were the great men of the earth, for all nations have been deceived by your enchantments."**

Obviously this is not, by the way, the Catholic Church: "your merchants were the great men of the earth"? How can that be the Vatican? It can't be. The false prophets try to tell you that, because they have their hermeneutic rule which is, that if there's anything that's bad in the bible, it must refer to the Catholic Church. That's how they interpret End Times prophecy. And let's look at the next verse, 24:

"And in her was found the blood of prophets and of saints, and of all that were slain upon earth."

Now this is very interesting, "prophets and saints", and those who were "slain upon earth". Those are three different groups. Well there are three armies with Jesus at the Battle of Armageddon, the prophets, the saints and those slain upon the earth. The prophets are the raptured Protestants, the saints are the Catholics who were gathered under the four winds, and the martyrs are the third group. They come down from Heaven, but those who should have been in those three groups, they have been aborted. That's what this is referring to here. Let me read that again:

24: **"And in her was found the blood"**, in other words the people who should have been with the prophets and with the saints and with the martyrs, they were killed ahead of time. One of the reasons that the aborted babies seek vengeance is because some of them would have survived into the Millennium. They would have been members of the three armies with Jesus at the Battle of Armageddon and that is what John is referring to here. Now that's the last verse in chapter 18. So there's one more verse we're going to look at and that's in verse 16, which actually kind of logically comes after 18, and we now skip ahead to Armageddon. So remember Babylon has already been brought down. We are no longer the sole

superpower on the planet. There's a lot of dumpster diving in America, but we still are functioning as a country, but there is one more pain and suffering coming upon us, and we read that in chapter 16, verse 19.

“And the great city was divided into three parts”. Now what is the great city? Well we know from elsewhere in Revelation, I think it's Revelation 11, the great city refers to Jerusalem. So Jerusalem will be divided into three parts. Some people say that this means that Jerusalem will be divided into Christian, Islam and Judaism. I think it's far more serious than that division. **“And great Babylon came in remembrance before God, to give her the cup of the wine of the indignation of his wrath.”**

So this judgement comes at the end, during Armageddon, and this is God's judgment. I believe this is the End Times comet. Let me read the rest of those verses because they do take us up to Armageddon.

20: **“And every island fled away, and the mountains were not found.”**

21: **“And great hail, like a talent, came down from heaven upon men:”** a talent I think is like 40 or 50 pounds at least, if not more. It might be 80 pounds. Obviously this is not ordinary hail coming down upon the planet, and I suspect that these refer to asteroids and shooting stars and so on. I believe that this is some debris from the End Times comet: **“and men blasphemed God for the plague of the hail: because it was exceedingly great.”**

So that takes us up to Armageddon. The verses 17 and 18 were the judgment upon America and Britain at the beginning of the Great Tribulation, whereas this punishment here which God is talking about comes at the end of Tribulation.

So I think we've completed our study of the destruction of Britain and America as the Whore of Babylon or Mystery Babylon. Okay everybody thanks so much. See you all tomorrow and may God bless all of you and may all of you have a very blessed evening
