

Know Bible Prophecy or go to Hell

On this program I want to talk about a very serious problem, and that is that you need to know what the eighth beast of Revelation is, because if you do not know, Saint John says that you will go to Hell.

The beast what you saw was, and is not, and shall come up out of the bottomless pit, and go to destruction. And they that dwell on earth shall wonder, whose names are not written in the Book of Life. In other words, when this beast arrives on the scene, if you are surprised if you do not expect this beast, in other words if you wonder, that is a sure sign that you are going to Hell. 'And the angel said to me why do you wonder? I will tell you the mystery of the woman and of the Beast that carries her, which has seven heads and ten horns. And here is the mind that has wisdom. The seven heads are seven mountains upon which the woman sits and they are seven Kings.'

Now the false prophets are correct in identifying the seven mountains as referring to the city of Rome, but they don't understand that it is the beast that is located in the city of Rome, not the whore of Babylon. But what is this beast that sits upon the seven mountains? The one that has not yet come, and the one that must remain for a short time? This is the beast that it is critical for us to know. And the Beast that was, and is not, even he is the eighth and is of the seven, and goes to destruction.' So this seventh and eighth beast are related. So what world Empire, followed the Roman Empire?

Many dictators tried, like Hitler, like Napoleon, but only one Empire succeeded in controlling more than half of the known world, and that empire was International Communism and when Saint John says 'it is not', that refers to the collapse of the Soviet Union. And the eighth beast refers to a revival of the Soviet Union following World War 3, after Russia defeats England and America. And in verse number 12, Saint John says, 'And the ten horns which you saw, are ten kings which have received no kingdom yet, but receive power as kings for one hour with the beast.'

Now these ten kings represent the revived Roman Empire and the European Union. These have one mind and shall give their power and strength to the beast. Now this one mind is the destruction of Christianity, and the power and strength, means that they give the city of Rome to the beast. The capital of international communism will move from Moscow to Rome following World War 3.

There is a great deal of speculation these days and who the Antichrist is. Please notice that Saint John does not say you will go to Hell if you don't know who the Antichrist is. He says you will go to Hell if you are surprised by the beast.
