

Psy's New Video: "Mother F***** Gentleman"

Well, would you believe? The Korean pop star, "Psy", has created another very fascinating music video, and once again, he is giving a prophecy about the Antichrist. And he calls the Antichrist the 'Mother F***** Gentleman'. Well, he doesn't say that exactly, he says: the 'Mother Father Gentleman' but I think we all know what he is talking about. And of course, the Antichrist IS a 'Mother F***** Gentleman', right?

So, what is Psy prophesying in this video? Now, in 'Gangnam Style', just like in 'Call Me Maybe' and in the 'Harlem Shake' videos, those were prophesying about the future reign of the Antichrist, the unveiling of the Antichrist. But in this new video, the 'Mother F***** Gentlemen', Psy, is predicting the current reign of the Antichrist and what his reign will be like. This is a fascinating prophecy. Let's take a look.

In this opening scene, Psy is walking towards the camera with four elder gentlemen, and he is shaking his finger at the audience.

Shaking your finger at someone is a universal sign of warning. Maybe you remember in Gangnam Style, where Psy shook his finger at the camera, right after Britain and America blew up. Of course, in this video, I believe Psy is warning about the reign of the Antichrist. These four elder gentleman walking towards the camera with Psy symbolize the four horsemen of the Apocalypse.

So, we see in this new video that Psy establishes right away that this will be a prophecy of the End Times by showing us the four horsemen of the Apocalypse. One of the first things Psy does in this video, as the Antichrist, is to kick aside this orange highway marker cone, thus confirming that he is the 'Lawless One'.

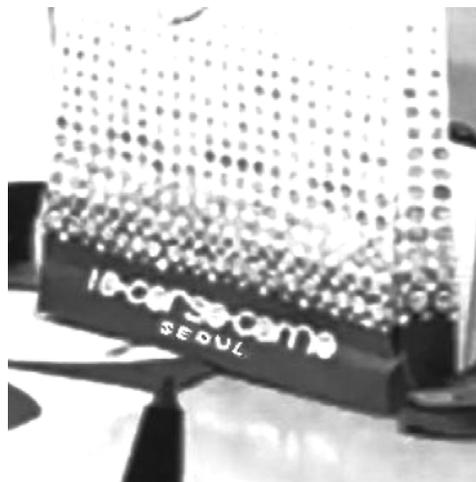

Of course, Psy also knows that it is always popular with the young audience that he is aiming at, to be anti establishment.

Next, we see Psy in, what looks like a menswear department store, with these same four horsemen of the Apocalypse.

There are a lot of circles in this scene. Psy is standing on one black circle and on one white circle (Leopard?). I've always been interested that Psy comes out of the city of Seoul, South Korea.

Does this mean that Psy, as the Antichrist has lost his soul? In this next scene, we see the first of ten very attractive young women who Psy either humiliates or totally ignores. In this scene we see Psy sitting with three of the four horsemen of the Apocalypse. I suspect that means they no longer symbolize the four horsemen, but instead symbolize the three kings or three horns which the Antichrist will bring down, in other words, Britain, Russia and America.

Let's take a closer look at this girl in the background. Psy as the Antichrist humiliates a lot of young women in this video, although he treats this one with somewhat more respect. I believe that's because she symbolizes the Catholic Church, that's why she is wearing what looks like a rosary, although Psy is still totally ignoring her.

Next, we see several more young women who the 'Mother F***** Antichrist' humiliates and, of course, we know from Bible prophecy, that the 'Mother F***** Antichrist' does have a disconnect with women.

This is the second girl that Psy humiliates and in this case, he speeds up her treadmill, so that she falls flat on her butt. Here is the third young lady which Psy humiliates by tipping a cup of coffee into her face.

One of the most amazing prophecies in Psy's first video called 'Gangnam Style', was the prophecy that there would be a struggle between the Antichrist and Pope Benedict, and Pope Benedict would lose that struggle. That prophecy has already come true.

Now, in this video, we see Pope Benedict, again played by the Man in Yellow, and he appears sick, or perhaps wounded, and again, he is harassed by Psy, as the Antichrist. Here, the Man in Yellow again symbolizes Pope Benedict the sixteenth and he is grabbing his abdomen as if he has been either shot or is very ill, or as another YouTuber suggested, perhaps he has to go to the toilet. Whatever the case, he is shown entering this elevator under an emergency situation.

Psy, as the Antichrist sees that Pope Benedict is in distress and, of course, he hinders him getting to his destination by pushing all the buttons on the elevator.

So, just as 'Gangnam Style' included a prophecy that the Antichrist would force Pope Benedict off the stage of human history, in this new video, we see that after the Antichrist comes to reign, he will continue to harass the former pope.

And now, in this next scene, we see the 'Mother F***** Antichrist' continue to harass another female. And I'm sure this scene will be very popular with the adolescent generation. In this gross library scene, which reminds me of the toilet scene in 'Gangnam Style', Psy scratches his butt and waves his smelly fingers in front of this young lady, who is the fourth young woman that he humiliates in this video.

Certainly, Psy as the Antichrist is a 'Mother F***** Gentleman'. And over here, we see a big 'A', and I believe that stands for 'Antichrist' or 'Apocalypse'. In this next scene, we see the 'Mother F***** Antichrist' ruin a kids' game. And I believe this will also prove to be very prophetic.

We see Psy with a group of children, and he kicks away the soccer ball they are playing with. The soccer ball represents the planet, which Psy has taken over. The children represent humanity, just as they did in 'Gangnam Style'. Let's take a look at this little girl, dressed in yellow and white. Of course, Psy as the Antichrist is exuberant, taking the planet away from the little children, who are crying as a result, and one of them falls down. This fallen little girl in yellow and white, I believe, symbolizes Pope Francis.

Yellow and white are the colors of the Papacy. And 'Francis', of course, can be both a girl's name or a boy's name.

After humiliating a large number of very innocent type young women, the 'Mother F***** Antichrist' finally finds someone to his liking. Psy finally meets the girl of his dreams, when she kicks the chair out from under him and he falls on his butt.

Notice in this scene, we have a very cheap setup, plastic chairs, a dirt floor and a tent; nothing fancy about this place at all, very much like the cheap subway ride in 'Gangnam Style', where Psy met his girlfriend in that video. This cheap tent, with its cheap lighting, where the Antichrist finally meets his bride, the One World Religion, corresponds to the subway scene in 'Gangnam Style', and I believe both scenes symbolizes Hell.

And it's interesting that Psy also does his version of the Harlem Shake inside the tent. In this scene Psy pays homage to the many Harlem Shake videos, which are also videos about the Antichrist bringing his craziness to the world.

In part 2 in this series on Psy's new video, I'm going to show where the numerology included proves that Psy's 'Mother F***** Gentleman' is indeed the Antichrist, and I would like to enlist your help. I know in my video series on 'Gangnam Style', a great many of you offered suggestions and insight, that I myself did not have. And I have never said I am the only Co Prophet of the End Times. All of you should take on that vocation.

Don't forget, the Bible says that in the End Times, the Holy Spirit would be poured out on all flesh and that includes you in my audience, especially my subscribers. So please, feel free to give me any suggestions you have and I will include them in my concluding video in this series.
