

Jewish Teen Reveals Who Will Kill Obama

This will be part 5 in my series on the amazing vision which that Jewish teen, Natan, received back on the 4th Blood Moon and that would be on September the 27th of last year. And I have been studying his vision, quite extensively, and I believe all of his prophecies are backed up by Scripture and I believe his vision is true, it came from Almighty God, and it actually expands on prophecy and therefore, it is extremely important in these End Times.

So far, we have discovered that Natan's prophecies can be found in Zechariah, Ezekiel, and in the New Testament, in the book of Revelation, where the Prophet Elijah seals 144,000 Jews of the Remnant of Israel. We have found his words backed up by our Lord in the Olivet Discourse where He warns; **'When you see the abomination of desolation, spoken of by Daniel the prophet, let those who are in Judea flee to the mountains'**. We now know from Natan's vision that the mountain Jesus is referring to is the Mount of Olives.

On this program, I want to talk about what is perhaps Natan's most amazing and disturbing prophecy: that Barack Obama will be killed and he will be buried in Israel and Natan says this is imminent.

But, who is it that kills Obama? Here is what Natan says: **'And now, this Mashiach, I mean the Mashiach - he will fight against Obama. And not only that-he will kill him and bury him in**

the Land of Israel. And I saw all of that...' Well, if you follow this program at all, I have been warning you for eight years now that Barack Obama is extremely important in Bible Prophecy. Eight years ago we were going through an election process here in the United States just as we are this year, and Hillary was running back then except that Obama won the Democratic nomination. I told you then he would be elected and the reason I gave: he is found in Bible Prophecy.

Obama's number in prophecy is the number 4: he has 'four heads and four wings' in Daniel chapter 7:11. He is the last king of the South in Daniel chapter 11 and he is even found in Jeremiah chapter 50, verse 44. Now that Barack Obama is coming to the end of his presidency, is he also coming to the end of his life? And I believe that is exactly what Daniel also prophesies in his chapter number 4. He verifies what Natan is saying in his vision. Chapter number 4 is all about Barack Obama and how do we know? Daniel uses a sequence of 4-4-4, Obama's number, followed by 6-6-6, which indicates the Antichrist, which is followed by 5-5-5, which represents Mary's Rosary.

So, let's look at chapter number 4, verse 3, where Daniel describes four elements: '**great, mighty, everlasting and dominion**', all attributes of Almighty God.

Daniel 4:3

- 1) How great are his signs!**
- 2) and how mighty are his wonders**
- 3) his kingdom is an everlasting kingdom**
- 4) and his dominion is from generation to generation**

Four verses later, that is in verse number 7, he mentions four more elements: '**magicians, astrologers, Chaldeans and soothsayers**'.

Daniel 4:7

- 1) Then came in the magicians**
- 2) the astrologers**
- 3) the Chaldeans**
- 4) and the soothsayers,**

Four verses later, in verse number 11, he talks about a 'great tree' which appears in King Nebuchadnezzar's dream which is what Daniel is interpreting for the King. The '**tree grew, it was strong, its height reached to heaven and its sight reached to the great distance**'.

This tree symbolizes King Nebuchadnezzar, as Daniel explains but, like all of Daniel's great prophecies, it has both a near-time fulfillment

Daniel 4:11

- 1) The tree grew**
- 2) and was strong**
- 3) and the height thereof reached to heaven**
- 4) and the sight thereof to the ends of all the earth**

and will have an End Times fulfillment. The tree symbolizes the King; however, in these End Times, it symbolizes Barack Obama. And what's really amazing is that this tree is cut down. That is what is going to happen to Obama.

And what's really interesting, and I will put links to my video transcripts below;

Barack Obama's Dream and Bible Prophecy

https://docs.wixstatic.com/uqd/f9795d_8b9f8f07c2b64e828c86c9ffd700f991.pdf

Barack Obama had an extremely similar dream which he reports in his autobiography 'Dreams From My Father'. He describes a huge figure in that dream, 'as tall as the trees'. That is not accidental. King Nebuchadnezzar's dream which he himself describes in chapter number 4, prefigures the 'tall figure' in Obama's dream which is 'as tall as the trees'. That figure in Obama's dream symbolizes himself just like this tree symbolizes Nebuchadnezzar, however, Obama never saw the end of his dream. He never saw that figure cut down and that indicates it is possible, through enough prayers and reparation, we could prevent what Natan is prophesying about Obama and what Daniel is prophesying about Obama.

In Natan's vision, the Mashiach kills Obama. But who cuts down this tree in the King's vision? If these two visions are related, they must be the same person. So first, let's read a description of this tree in Daniel 4, verse number 12: ***'The leaves thereof were fair, and the fruit thereof much and in it was meat for all: the beasts of the field had shadow under it, and the fowls of the heaven dwelled in the boughs thereof, and all flesh was fed of it.'***

Daniel 4:12 The **leaves** thereof were fair, and the **fruit** thereof much and in it was **meat** for all: the beasts of the field had shadow under it, and the **fowls** of the heaven dwelled in the boughs thereof, and all **flesh** was fed of it

Daniel recognizes a very beautiful and bountiful tree and in these End Times, it symbolizes Western Civilization which will likewise be cut down. And like Nebuchadnezzar's tree, which also symbolized himself, in these End Times it symbolizes

the leader of Western Civilization, who at this time, is Barack Obama and he also will be cut down.

Similarly, in the book of Revelation, the Scarlet Beast (Communism) destroys the Whore of Babylon (Capitalism) and Daniel is prophesying the same thing. But who is it that cuts down this tree? Let's read the next verse, verse number 13: ***'I saw in the visions of my head upon my bed, and behold a watcher and a holy one came down from heaven.'***

Daniel 4:13 I saw in the visions of my head upon my bed, and behold a watcher and a holy one came down from heaven

This Watcher and Holy One, as I have explained before on this program, represent the two witnesses of the End Times, Enoch and Elijah. Enoch is the

Watcher; that's because he's always looking at his watch, so-to-speak. He gives the timing of events, and the Holy One is the Prophet Elijah. I say the Holy One, Elijah, is also the Mashiach in Natan's vision who cuts down Obama.

Let's describe what happens next in verse number 14: ***'And he cried aloud*** (this refers back to the last of the two witnesses, in other words the Holy One) ***and said thus cut down the tree'***. And this is exactly

Daniel 4:14 He cried aloud and said thus **cut** down the tree and **chop** off the branches thereof: **shake** off its leaves, and **scatter** its fruits: let the **beasts** fly away that are under it and the **birds** from its branches

what Natan is saying about Obama; Daniel is prophesying 2,500 years ago about the untimely end of Barack Obama. Notice there are six elements in this verse: ***'He cried aloud and said cut down the tree and chop***

off the branches thereof: shake off its leaves and scatter its fruits: let the beasts fly away that are under it and the birds from under its branches'.

Thus we see 6 items in verse 14 just as there were 6 in verse number 12 and there are also 6 elements in verse number 15. That gives you a 6-6-6 sequence. That means that Obama is not the Antichrist but he is followed by the Antichrist.

Next, in Daniel chapter 4, the tree symbolizes Nebuchadnezzar and the Holy One who cuts down the tree symbolizes the Prophet Elijah. But in these End Times who are these two people? Let's look at Natan's vision where he says he is describing the one who is going to kill Obama. **'He is here in Israel.'** **'He lives in Israel?'**, the Rabbi asked him, Rabbi Levi. Natan: **'He lives here in Israel. I don't know exactly where he lives.'**

Natan goes on to say he is a very prominent person, everyone will recognize him. I have suggested on this program that he is, in fact, the Prime Minister, Benjamin Netanyahu and that Netanyahu himself will be killed but he will resurrect as the Prophet Elijah.

So it should be clear that the Prophet Elijah has two different jobs. First of all, he seals 144,000 Jews, as prophesied in the New Testament and verified by Natan and they are the Jews who read Torah and do mitzvah, as Natan says. They will be worthy to enter in to the Mount of Olives that splits open. So the question is, when Obama is killed, is he killed by the Prophet Elijah, that is after he is resurrected, or is he killed by Benjamin Netanyahu before he is resurrected? And when does this occur? Natan says this is a result of World War 3 and he says it will occur in a matter of months.

Now, Natan's vision, as I noted, was back on the Fourth Blood Moon. Notice that number, the Fourth Blood Moon. That means it refers to Obama, and it was back on September 27th and if it's in a matter of months, it would have to occur before the Election this year. Now

Jesus warned that when '**the Jews in Israel see the abomination of desolation** (that would be World War 3) **pray that your flight be not in the wintertime.**' Well, the winter is over with on March 21st, so, if it occurs before then, that means that not enough people prayed. If it occurs after March 21st, that means people did pray enough and it will be much easier for the Jews in Israel to escape to the Mount of Olives.

What is the solution to this problem? Eight years ago, none of the false prophets in this country like John Hagee or Hal Lindsey or Perry Stone or any of those, told you that Obama was going to be elected and they still don't know where he is in Bible Prophecy. They still aren't telling you that he is the Leopard, for example. Many of them are still telling you that the Antichrist is going to sign some kind of peace treaty with Israel. Natan in his vision saw no peace treaty between the Antichrist and Israel. Many of them are saying that the Tribulation can't begin until a third temple is rebuilt in Israel. Natan specifically said that he saw no temple in his vision. Here's what he said specifically, someone in the audience asked him: '**Did you see the Temple House?**' Natan says: '**No, I haven't seen it.**' On this program, I have always told you how the Antichrist will be defeated and how Barack Obama could actually be saved. I've mentioned the 4-4-4 sequence; so far we have seen that in chapter number 4, and also the 6-6-6 sequence. Well there is another verse sequence and that is in verses 21, 20 and 23.

verse 20...5 elements
verse 21...5 elements
verse 23...10 elements

There are five elements in verse 20 and 21, and 10 elements in verse 23. That numerology indicates Mary's Rosary which is the solution to the problem. The ten elements in verse number 23 interestingly

indicate that we must include the new Luminous Mysteries in our recitation of Mary's Rosary.

So we still have a few questions that are unanswered by both Daniel's prophecy and Natan's vision. Who actually kills Obama? Is it the Prophet Elijah, that is after he is resurrected? Or is it Benjamin Netanyahu before he is resurrected? When exactly does it occur? Does it occur before the end of this winter? Or does it occur after winter, after March 21st? And finally, how is this killing of Obama accomplished? Does Benjamin Netanyahu order the killing or does the Prophet Elijah order the killing or does one of them do it himself?

In any event, this prophecy about Obama in Natan's vision and in Daniel is very important. It's also very disturbing. And another very interesting way we know this prophecy is about Obama is the shirt that Natan wore. I think it's very unusual for a Jewish boy in Israel to wear a shirt that has 'Chicago' written on it and of course we know Chicago is Barack Obama's home town in the United States. I'm also going to put a link below to Natan's complete testimony which is like an hour and 40 minutes long and with English subtitles and I'm asking you, my audience, to review it if you have time. Many of you have helped me previously in understanding Bible Prophecy. Many of you see things that I don't see and I always give you credit. Let me know what you find because this is an extremely important vision which Natan had and I hope to do more on this, for example, I want to give you proof, my proofs, that Benjamin Netanyahu is the Prophet Elijah, except that he is wearing sackcloth, and that hides his identity.
