

New Bible Prophecy! 2 Popes & 2 Presidents

As incredible as it may seem, just this week I have discovered another amazing End Times prophecy about our new president, Mr. Donald J. Trump. As you know, I've done quite a few programs already where he is found in Isaiah's chapter number 45; but we shouldn't be surprised that he is found in more than one chapter in the Bible because our former president, the Leopard, Barack Obama, was found in three passages: in Daniel 7, Daniel 11 and Jeremiah 50. However, the prophecies about Donald Trump are much more encouraging and I discovered this passage in Micah, chapter number 5 as I was doing some research on the possibility that Donald Trump is the 'Great Monarch' as prophesied for thousands of years in Catholic prophecies. I know some of you, my subscribers, disagree with that but it's beginning to look more and more as if DJT is the Great Monarch.

I found an article on Walid Shoebot's website by his wife and the whole article was about that possibility and I'll put a link to her article below.

<http://shoebat.org/2016/12/08/is-donald-trump-the-great-monarch-or-a-cyrus-as-predicted-by-so-many-prophecies-is-he-one-of-the-seven-shepherds-who-will-defeat-the-antichrist/>

And in that article she casually mentions Micah, chapter number 5. As soon as I saw that number 5, I said: I've got to check that out because, of course, 5 is a Rosary number and as soon as I read the chapter I knew right away that once again we had discovered another End Times prophecy. And I had previously thought all the End Times prophecies were contained in Daniel and Revelation and so on. But I'm discovering more and more examples now that Donald Trump has taken office. And the reason I call this program **'Two Popes and Two**

Presidents' is because I think that Donald Trump is currently being opposed by another president, Barack Obama. Isn't it strange that he is still living in Washington? Just like the two popes, Benedict and Francis, both living in the Vatican, we have Donald Trump and Barack Obama both living in Washington. And what is really discouraging is that the government is following our fake president, Obama. The policies we have in place have not changed; he is still the de facto president of the United States.

For one example, why doesn't Congress defund Planned Parenthood? They could do that immediately. They did it several times while Obama was president. Not now, they won't do it now; they only did it before to score political points. They could even repeal Obamacare. I read an article by Ann Coulter that the Republicans and Congress repealed Obamacare six times under Obama. So why don't they repeal Obamacare under Trump? They could do it just as easily. I think we're beginning to understand that the power of this government still resides in Barack Obama. Look at the court system. The entire court system is opposed to Donald Trump; they are all behind Obama. We are in very frightening times and I think this is playing right into Obama's hand. I am almost beginning to think that Obama may be the Antichrist after all, just as in his dream where the leopard morphs into the Antichrist. It's possible that the Leopard, Obama, is going to also take on that role in these End Times. And the situation today is ideal. In fact, it's better for him if Trump were elected rather than Hillary because he can oppose the Administration 100 per cent. It's very possible he will provoke World War 3 behind Trump's back. Why would that be to his advantage? It's even better than when he was president because now he can blame Trump.

Next, let's look at chapter 5 of Micah because Micah says no, we can't blame Trump: Trump is the good guy. Let's look at verse one of Micah 5: **'Now shall you be laid waste, O daughter of the robber** (the King James says 'troops' instead of 'robber'; 'robber' is better as you'll see in a minute) **they have laid siege against us, with a rod shall they strike the cheek of the judge of Israel.'** So who are all these people? Like most End Times prophecies, this verse has dual meanings. Micah here was prophesying about Jesus. In fact, it's in Micah 5 that we discover where the Messiah would be born and that was in Bethlehem. But in the End Times who, for example, is the 'you' Micah is addressing? Who is the 'daughter of the robber'? Who is the

'robber', who is the 'judge of Israel'? So let's go backwards; in order to unravel this prophecy we'll go in reverse.

First, who is 'Israel'? If you've been following my other programs, especially about Isaiah 45, we know that 'Israel' is a code word for the remnant Catholic Church. Remember, I told you that Donald Trump is going to convert and become a Catholic. Next, who would be the 'judge of Israel'. Remember, this is not the Roman Catholic Church, this is the remnant Catholic Church. The judge of the remnant Catholic Church would be the true Pope and that can only be Pope Benedict; he is the true current 'judge of Israel', not the false prophet, Pope Francis. So, if Israel is the remnant Catholic Church and this verse is addressed to you, that is, to the remnant Catholics, therefore we are the 'daughter of the robber'. So then, who is the 'robber'? The robber can only be the Roman Catholic Church. That's why I say I'm surprised that the KJV didn't leave it as 'robber'; but they changed it to 'troops' to kind of modify it a little bit because they recognize that this passage was talking about Jerusalem and they didn't want to express such a harsh word.

This derogatory description is actually of the End Times Roman Catholic Church, the Church that is being trodden under by the Gentiles. But if this One World Religion of Pope Francis is a robber, what did he steal? He stole the Eucharist! That's why the Roman Catholic Church is called a 'robber' in these End Times. Pope Francis has taken away, that is stolen, the daily sacrifice from the prince. By allowing divorced and remarried Catholics to receive Holy Communion he has invalidated the consecrations of all priests associated with Francis' new OWR. That is exactly what Micah is prophesying about here in chapter 5, verse number 1. **'And you shall be laid waste'**. That refers to we remnant Catholics in the End Times; we are going to be attacked and opposed and Donald Trump is going to be our leader, believe it or not!

Let's look at the next verse, and it's not verse number 2. In subsequent programs I will show you the correct arrangement of these verses. The second verse is verse number 5: **'And this man shall be our peace when the Assyrian shall come into our land, and when he shall set his foot in our houses: and we shall raise against him seven shepherds and eight principal men.'** The KJV has 'princes' instead of 'principal men'; I think 'princes' is probably better. But once again, how do we know who these people are in the End Times? 'This man' is

referring to Jesus in the original interpretation; but why does Micah call Jesus 'this man'? Well technically, it's accurate, Jesus was a man. But in the End Times, he couldn't say, for example, a 'divine person', because in our End Times he's talking about Donald Trump. 'This man' is our current president, the leader of our remnant Catholic Church. And according to the prophet Isaiah, he is going to convert to Catholicism.

With that phrase, **'shall be our peace'**, Micah is telling us that Donald Trump is a man of peace. If World War 3 breaks out, or a nuclear conflict in the Middle East, it is not Donald Trump's fault, it is the fault of Barack Obama; it's the fault of the One World Government and the Antichrist. I'm not sure Obama is the Antichrist but those are the persons to blame and the Jewish teenager, Natan's prophecy, may very well still come true. Here's a possible scenario: World War 3 breaks on in the Middle East; Trump is, of course, blamed and he is forced into sending Obama as a peace emissary to Israel, and as you know, Natan says Obama will be killed and buried in Israel. That may still come true yet. And the Assyrian: **'when the Assyrian shall come into our land'** (the Assyrian is the Antichrist. That could be Obama; he already came into our land. Now, the remnant Catholic Church is spread throughout the world. In this case 'our land' could very well refer to the United States because if Barack Obama is this man (the Assyrian) 'our land' would be the United States of America) **and when he shall set his foot in our houses** (in other words, the forces of the Antichrist are going to bring about all the things that Obama wants: martial law, the RFID chip, and so on. We are going to be oppressed and Donald Trump is not going to be able to do anything about it. As I say, our government is still in the hands of the One World Government, the New World Order and Obama is still our de facto president, sad as it may seem) **and we shall raise against him** (against the Antichrist, against the Assyrian) **seven shepherds and eight princes.'** The shepherds are undoubtedly religious leaders and the princes or principal men, they would be political leaders.

So we're not going to be alone in this fight even though Trump is not really going to be available at the beginning of this battle against the Antichrist. And those are symbolic numbers: seven is the number of completion, eight is a number of new beginnings. Those are both End Times numbers; for example the eighth beast comes out of the seventh beast. It's possible that Obama's the eighth beast coming up out of the seventh; and of course, 7 plus 8 is 15; once again, Mary's

Rosary number against the Assyrian. This is how we will defeat the Assyrian, through Mary's Rosary and, in fact, this is chapter 5, verse number 5. This is a key verse in understanding chapter number 5 as an End Times prophecy just as verse number 15 is a key verse in understanding Isaiah, chapter number 45.

That's all I have time for today. I am going to, as soon as possible, continue this analysis of Micah 5. This is very important in these End Times. I didn't understand any of this a week ago. In fact, I only figured out who the 'robber' was this morning on my way to morning mass. The Lord revealed that to me. I couldn't believe it when He told me (not audibly) that the 'robber' is the Roman Catholic Church and we remnant Catholics are going to have to leave the RCC. We are going to have to leave the 'field', as Jesus says in the Olivet Discourse. And remember, Jesus said **'pray that your flight be not in winter'**. Winter is over with in a few weeks. So this is all fascinating and in a way it's kind of scary; this prophecy in Micah is much more detailed and in a way, more frightening than the prophecy in Isaiah 45.
