

Kim Clement Prophecy: Q Anon vs Fake News

On this program I want to talk about an amazing vision which the Protestant prophet, Kim Clement, received on June 13th, 2012, and he explained the vision, or at least, he revealed the contents, a week later on June the 20th. And when I say he revealed the contents, he did not explain the vision. Like all of the great prophets, from Daniel to Ezekiel to Zachariah, the Prophet himself does not understand the vision and Kim Clement did not understand what he was prophesying about either. In fact, he asked his audience to do research; in other words, he asked for their interpretations and I doubt if anyone ever did understand it because he was prophesying about Q Anon and Q Anon did not come on the scene until at least 5 years later. And I plan on going through all of his vision but I believe it will probably take two programs.

So first, let's look at this clip where Kim Clement talks about two mysterious letters and he says them backwards, A and Q, but nonetheless he is talking about Q Anon: <https://youtu.be/bMGHSb2lc?t=2518>

'And the weapon that is in this human mind came to me when I saw some alphabetical letters, I saw some letters. At first, I thought it was A to Z. Now this is a puzzle to me right now but God almost said to me: focus on this so that the mystery can be unfolded. The letters were A and Q. That's all I saw, and He said, that's where it's at.'

'That's where it's at'. Almighty God is verifying that these two letters, A and Q, are extremely important in this prophecy although, as I say, I believe it should be Q and A: Q Anon. And I believe his entire prophecy must be read in reverse because it's Apocalyptic Literature; in other words, there are different rules that must be followed: the symbolic interpretation comes ahead of the literal; there often is a chronological sequence that must be broken down; Mary is very often indicated; and I believe this is perhaps the most important part of the prophecy.

Kim Clement, takes quite a while trying to bring out the elements in his prophecy, a vision which he received, but he can't do it, or he doesn't seem to be able to, until he acknowledges the Blessed Virgin Mary, whom he calls Mother Mary. Let's take a look at this interesting clip: <https://youtu.be/bMGHSb2lc?t=340>

'And the reason that I take note of what you're saying is something that I didn't want to really share with the people because it is so unusual, but the day that I had this experience you know (and please don't think I have visitations from Mother Mary, I don't) but let me just say this to you, that I've had, that morning when it started, that was last Wednesday morning when it started, I felt, what I said to the Lord: what is this that I'm experiencing? And He said, I mean He didn't say it, there was the presence of Mary. Now please don't get me wrong, please, please, because people will say, oh now, this is, you're getting visitations from the Mother Mary; it's not, it's not. What happened to her happens to many people. Now, I'm not talking about the Immaculate Conception or like that, but you think about it.'

Very interesting! He almost seems embarrassed to be talking about Mother Mary and he admits he did not want to share this aspect with the people. But Kim did not understand the elements, he could not reveal them, until he acknowledged Mother Mary and I think that's significant because this prophecy is not only about Israel, as we will find out, but also about the remnant Catholic Church. After he acknowledges Mary, then he is able to reveal the 11 most important elements to this prophecy. He starts out with Daniel 10, that's the first element, and the 11th, or last element, is Daniel 9. That's a very good clue from Almighty God that this is Apocalyptic Literature, that it must be read in reverse since Daniel 9 comes before Daniel 10. And that indicates 'Q' indeed comes before 'A', in other words, Q Anon.

So let's look at the 11 elements, and I'm not going to get to all of these on this program, but if you look at these eleven elements they follow a very interesting Biblical pattern because the first six elements are different and separated from the last five elements. Six is a number for the Antichrist, five is a number for Mary's Rosary and as typical in Daniel, Ezekiel, Zechariah, and so on, the six elements followed by five elements means that the Antichrist will be defeated by Mary's Rosary. So let's take a quick look at these eleven elements.

First; he quotes Daniel 9, as I said, Daniel 9:21 and that is a paired verse: you also have to read 9:20 which he did not read, but that's important, because that's where we understand that Daniel 9 is about Israel; it's a warning to Israel.

Second: Kim says he is absolutely surrounded by evil. That's important to understand.

Third: his vision is about fire and water. He says that's the title of his vision.

Fourth: he talks about Russia and Pakistan; that's also important symbolically. Remember, the symbolic interpretation takes precedence over the literal.

Fifth: he mentions the two letters A and Q; and I just gave you the clip of that, I won't play it again for you.

Sixth: he says there is a hidden weapon in the mind. This is also important; I will get to that in my next program. I will give you a hint ahead of time: I believe he is talking about 'fake news'. This whole vision is about Q Anon battling against 'fake news' and that's amazing because that's what we see right now. Kim Clement prophesied this way back in 2012.

Seventh: he talks about Armageddon which he says is 'not yet'. Notice that these numbers, 7, 8, 9, 10, and 11, are five elements and they follow the first six and they are different.

Eighth: he believes he is interceding for Israel and America. He's half right: he is interceding for Israel but he is also interceding for the remnant Catholic Church, not America. Q Anon does intercede for America but I believe Kim is prophesying here that Q's future involvement will be more with the remnant Catholic Church and with Israel and I think that is coming up very soon.

Ninth: Kim says he feels extreme heat and danger. I believe this refers to both Armageddon and the danger that Q Anon will be addressing in the near future.

Tenth: he says this is a vision of the End Times but not the end of time.

Eleventh: he quotes Daniel 10. Daniel 10 is about the Abomination of Desolation as it applies to the remnant Catholic Church.

So let's listen to a few of these clips from his prophecy and the first one is, as I said, from Daniel 9: **'Let me just tell you what Daniel said; he said while I was praying, the man Gabriel (now remember, Gabriel is one of the most powerful angels) whom I had seen in the vision at the beginning being caused to fly swiftly (now you think about God and time. Why would God need an angel to move rapidly? You see, men have power to control things that happen on the earth because God put man on the earth so when things happen that can retard it, they could slow it down, or they can hasten it. And so he caused, the angel was caused to fly swiftly; that's what Daniel says) and it reached me about the time of the evening offering.'** That was Daniel 9, verse 21.

And as I say, these verses which he quotes from, both in Daniel 9 and Daniel 10, are paired verses. In order to understand Daniel 9/21, we must read Daniel 9/20. That's where we understand that this is a warning to the nation of Israel. Daniel 9/20: **'Now while I was yet praying and confessing my sins and the sins of my people of Israel.'** Daniel 9 is actually all about the Abomination of Desolation as it comes to the nation of Israel. And now, let's look at the second element of this prophecy of Kim Clement: **'Now I was absolutely surrounded by evil and I felt as Daniel did praying for his people.'** Okay, that's interesting. Kim Clement says he was absolutely surrounded by evil and the evil that he is talking about is the Abomination of Desolation.

Next he gives a very brief mention of the title of this vision, 'Fire and Water': **'The vision of fire and water'**. Now it's interesting about 'fire' and 'water'; we don't find those words in either Daniel 9 or 10. But as I say, the symbolic interpretation takes precedence over the literal. We don't find the word 'water' but we do find the word 'flood' because at the end of Daniel, chapter 9, the end of Israel shall come with a flood. And that is what Kim Clement is warning Israel about; he is standing with Israel and Q Anon will stand with Israel in the very near future. Nonetheless, in Bible prophecy the end for Israel will come with a flood; that's where the title of Kim Clement's vision comes from: 'Fire and Water'.

Let's look at the fourth element of his prophecy: ***'Then I saw Russia, I saw Pakistan and I saw a connection. That's all I saw there. And I remember that but I didn't say it. That's important for you to take note of; go out there and research, Sunil's going to as well.'*** 'Russia and Pakistan' and he says there is a connection. I believe Russia symbolizes Communism, Pakistan symbolizes Islam. Maybe you remember back in 2 Kings, 42 youths made fun of the prophet Elishah and God sent two she bears out of the woods which mauled those 42 youths. That is an End Times prophecy. I believe those two bears which maul the youths symbolize in the End Times Russia, or Communism, and Islam, specifically Iran; in this case, Pakistan. Russia and Islam will maul the 42 youths of the End Times. So why do the 42 youths symbolize Israel? It's because there are 6000 years of the modern nation of Israel: 4000 years of the Old Testament and 2000 years of the New Testament. That is why the 42 youths in the End Times symbolize Israel. They will be mauled by the two she bears, Communism and Islam.

We are about to see that happen and I believe that Kim Clement is saying in this prophecy, which God gave to him, because this was five years before Q Anon even came on the scene; he says that God is going to defend Israel and we will see in the next program and also the remnant Catholic Church through this blogger, Q Anon. He will be the defense which Kim Clement is saying will protect against a new type of weapon and I believe we will find out in the next program, the new type of weapon is 'fake news' because he says it comes in the mind. So until the next program, I am praying for Israel and please also pray for the remnant Catholic Church. And learn how to pray Mary's Rosary. We will find that Kim Clement is also giving us Mary's Rosary just as he began this prophecy by revealing the elements and he could only do that after he acknowledged Mary. Learn how to pray Mary's Rosary! This is the weapon Jesus will use to defeat the Antichrist in these End Times.
