

## Response to Dahboo7's Anti Catholic Video

Normally I don't respond to Anti-Catholic hate videos on YouTube because they are a dime a dozen. However, one of my subscribers, Lori, sent me a link to one by Dahboo7 called '*Pope Francis Worships Lucifer at Easter Mass*' and I thought I should respond because it's an extremely popular video and it's all based on a lie. That's because the author, Dahboo7, does not understand the Latin language. He thinks 'Lucifer' in Latin refers to the demon, whereas in fact, it refers to Jesus Christ who is the Morning Star. And his video should be titled '*Catholics Worship Jesus Christ,*' however, that would be the truth and I'm not sure how committed Dahboo7 is to the truth.

*'Pope Francis Worships Lucifer At Easter Mass'* and as the Nazis used to say 'if you're going to tell a lie you might as well tell a big one.' And this is posted by Dahboo77 and he's got almost 42,000 views already. So let's scroll down and see what he has to say: ***'Listen Close, You can hear Illuminazi, Illuminati, Luchifer, King Lucifer. This is whom they Really Worship!'*** Nonsense Dahboo7! ***'P.S. IF YOU SUPPORT THIS EVIL MAN...UNSUBSCRIBE! I DON'T NEED YOUR IGNORANCE AROUND HERE!'***

Well, today we're going to find out who's really ignorant, Dahboo. **'YOU HAVE NO CLUE WHO YOU BOW DOWN TO. THESE ARE OF THE MOST WICKED MEN ON EARTH!'** The 'most wicked men on earth'? Dahboo7, you ought to check out Planned Parenthood, where they kill thousands of babies every day here in the United States. When God burns America with fire in one hour it will be because of the killing of innocent unborn babies, not because some deacon in Saint Peter's Basilica in Rome sings a hymn to Jesus Christ in Latin. Sorry, Dahboo, but you do not understand that the Latin word 'lucifer' refers to 'Morning Star'.

Now in this following clip which is taken from this year's Easter Vigil service in the Vatican, I have put the Latin at the bottom along with the English translation. I've taken this from Wikipedia and the hymn is called 'The Exsultet' and I'll put the link to the Wikipedia article below. You can read the entire hymn both in Latin and in English, and Dahboo7, I hope you do that. I hope you check that out so that you will understand that Catholics do not worship Lucifer: we worship Jesus Christ.

**Exsultet: '...may persevere undimmed and receive it as a pleasing fragrance and let it mingle with the lights of heaven. May this flame be found still burning by the Morning Star by the Morning Star the one Morning Star who never sets, Christ your Son who, coming back from death's domain has shed his peace and light on humanity and lives and reigns for ever and ever. Amen.'**

And, Dahboo7 is not the only one who posts anti-Catholic hate videos on YouTube. If you just do a search under '*Catholics worship Lucifer,*' you will find dozens of examples and most of them based on a mis-translation of the original Latin. So if you people want to get exercised about Catholics, that's your business but try not to base it on lies and on your own ignorance of a foreign language. Just because 'Lucifer' in Latin looks like 'Lucifer' in English you must translate it as 'Morning Star' and that refers to Jesus Christ. Read Revelation 22, verse 16: ***'I Jesus, have sent my angel to testify unto you these things in the churches. I am the root and offspring of David, the bright and morning star.'*** And that translation is from the King James Bible.

So in conclusion, to claim that we Catholics worship Lucifer is a lie. We worship the bright and Morning Star. And as Jesus said, HE is the bright and Morning Star. We Catholics worship our Lord, Jesus Christ.
