

## End Times Bible Prophecy in Jeremiah 23, Pt 6

This will be part six in my series on the amazing End Times prophecies hidden by Jeremiah in his chapter number 23 and, as I have explained on the previous five parts to this series, he hid his prophecies by means of a secret cryptogram, and we've already looked at the first three lines on his cryptogram. On this program, I want to look at the verses contained in line four of Jeremiah's cryptogram. But first, I want to read an email I received this morning from one of my subscribers, Luckyplate Goodies Channel: ***'Why aren't you talking about the elections?'*** Well, thanks for the email; I have endorsed Donald Trump and I wrote several songs for his campaign, but the reason I am not talking that much about it, honestly I do not see either Donald Trump or Hillary Clinton in Bible prophecy. That doesn't mean they are not there but I have not found them! (1)

Eight years ago I told you over and over and over again that I did see Barack Obama in Bible prophecy and that he would be elected and that he would bring about nuclear war by provoking Vladimir Putin and I still think that is a likely possibility although with enough prayers, with enough Rosaries, even Bible prophecy can be changed. That's the reason we receive Bible prophecy; so that we can change it. So, what I am doing, instead of commenting on the election? I am building a ***'booth to the east of the city'*** and if you want to know what I'm talking about, read the Book of Jonah, chapter 4, verse number 5.

So now, let's begin with Jeremiah's secret cryptogram, line number four, verse number four: '**And I** (now this is Almighty God speaking) **will set up pastors** (now these are the true prophets of the End Times) **over them** (and he's talking about the people, all of us) **and they** (that is, the true prophets) **shall feed them** (the people) **and they** (the people) **shall fear no more, and they shall not be dismayed and none shall be wanting in their number, says the Lord.**' Now, those who are "not wanting in number", I am sure the Lord is speaking about true prophets. There will be sufficient true prophets to guide us in these End Times.

Verse number 9: "**To the prophets** (when Jeremiah says 'prophets', or Almighty God speaking through Jeremiah, he's talking specifically about the false Protestant prophets) **my heart is broken** (so this is Jeremiah speaking now) **all my bones tremble; I am become as a drunken man, and as a man full of wine, at the presence of the Lord and at the presence of his holy words.**' So here Jeremiah is dismayed by all of the false Protestant prophets of these End Times. Jesus warned there would be many and that they would come in his name, that is, claiming to be Christians; and you see them all over YouTube however, remember what Zachariah said, after the Great Tribulation starts they will be killed by their own families! '**Woe to you pastors**', and, by the way, that's the real title of Jeremiah's chapter number 23.

Verse number 14: '**And I** (now in this case, I'm not sure if this is God speaking or Jeremiah speaking) **have seen the likeness of adulterers, and the way of lying in the prophets of Jerusalem** (so now, Jeremiah is switching gears and he's talking about the false Jewish prophets and that's why he has to say the 'prophets of Jerusalem' because if he didn't add that 'of Jerusalem' we would assume he was using his code word and was talking about the false Protestant prophets) **and they strengthened the hand of the wicked, that no man should return from his evil doings: they are all become unto me as Sodom and the inhabitants thereof as Gomorrah.**'

These are specifically the Jewish false prophets in modern day Israel that Jeremiah is warning about and this is verified in Revelation where John refers to End Times Jerusalem as a 'Sodom and an Egypt'. And, of course, we know Israel has spent hundreds of millions of dollars promoting Tel Aviv as the gay capital of the world. Jeremiah and Saint

John are both one hundred percent accurate in their descriptions of Israel in these End Times.

Verse number 19: ***'Behold the whirlwind of the Lord's indignation shall come forth and a tempest shall break out and come upon the head of the wicked.'*** This is God's punishment upon these false prophets! This is the 'woe' that Jeremiah talks about in the very first sentence of chapter number 23: ***'Woe to the pastors'*** of these End Times. Verse 24: ***'Shall a man be hid in secret places and I do not see him says the Lord? Do not I fill heaven and earth, says the Lord?'*** So now this is obviously God speaking. Verse 29: ***'Are not my words as a fire, says the Lord: and as a hammer to breaks the rock in pieces?'*** Woe, woe, woe to you false prophets. Verse number 34: ***'And as for the prophet, and the priest, and the people'*** (these are Jeremiah's code words for the three classes of false prophets in the end times. 'Prophet', as I said, is his code word for the false Protestant prophets. 'Priest' is his code word for the false Catholic prophets and 'people' is his code word for the false Jewish prophets) ***that shall say 'the burden of the lord': I will visit upon that man*** ('visiting' means 'punishing'. God is going to 'visit' upon them) ***and upon his house.'***

Verse 39: ***'Therefore behold I will take you away'*** (now this is God still speaking) ***carrying you, and will forsake you and the city which I gave to you and to your fathers, out of my presence.'*** From the book of Revelation we know that the 'Holy City' of the End Times is actually Rome and I believe both Rome and Jerusalem will be destroyed at the end and that is why I said at the very beginning of this program, what I am currently doing now is building a 'booth to the east of the city'. And, as I said, read Jonah, chapter 4, verse number 5, to learn what I mean by that.
