

## Bible Prophecy: Pope Meets President!

Tomorrow Pope Francis will be meeting with our president, Mr. Donald J Trump, and the sparks ought to fly because both of these individuals are found in End Times Bible prophecy. And I read an interesting article from Reuters and I'll read excerpts to you, this is by Philip Pullella, this is about Francis and Trump; ***'Their first meeting comes after Trump sparred with the Pope on issues such as migration, climate change and Islam.'*** This is not their real difference; their real differences are in the spiritual realm, as we will find out.

***'I think it will be a moment of truth. The differences are real and they have not been invented by the media, as some Trump supporters have claimed, said Massimo Faggioli, a professor of theology and religious studies at Villanova University.'***

I think he is correct. Donald Trump is King Cyrus as found in Isaiah 45 and his right hand is directed by Almighty God. Pope Francis, on the other hand, is the False Prophet, and his left hand is directed by Satan, as found in the book of Revelation, and I think that my claims are going to be verified by this meeting between these two world leaders. ***'Last year in a response to a question from then candidate Trump's views on immigration and his intention to build a wall along the US border with Mexico, Francis said a man who thinks about building walls and bridges is not Christian.'*** Well there's a case of the pot calling the kettle black if I ever heard it! Pope Francis is the one who is anti-Christian. ***'Trump, who grew up in a Presbyterian family but does not attend church regularly, shot back that it was disgraceful for the Pope to question his faith.'*** Donald Trump currently is a Presbyterian but he will convert to Catholicism, as I have been saying, because Cyrus does not know God and Trump does not know God, but he will become the leader of the remnant Catholic Church in opposition to Pope Francis who has taken over the Roman Catholic Church. ***'If and when the Vatican is attacked by Isis(now this is Donald Trump talking during the campaign) which as everyone knows is ISIS's ultimate trophy, I can promise you that the Pope would have only wished and prayed that Donald Trump would have been president, Trump said during the campaign.'***

Well, I sincerely hope that Donald Trump meets with Pope Benedict while he is in the Vatican so that he can meet what a true Pope is like because he is going to have to assume that role very shortly himself. Next, I want to read the first three verses in Isaiah 45 which refer to Donald Trump in these End Times and this trip that he is taking abroad. When Trump meets with Pope Francis you're not going to see all these lovey-dovey photo ops as you saw with Trump and Netanyahu or Trump and the Saudi princes. Here is Isaiah 45, verse number 1: **'Thus says the Lord to my anointed Cyrus**(to my anointed Trump)**whose right hand I have taken hold of, to subdue nations before his face**(that's what this trip is all about)**to turn the backs of kings and to open the doors before him, and the gates shall not be shut.'** What are these doors and gates? Let's read verse number 2: **'I will go before you, and I will humble the great ones of the earth**(including the False Prophet, Pope Francis, in my opinion)**I will break in pieces the gates of brass**(the gates of brass refers to the One World Religion)**and I will burst the bars of iron**(that refers to the One World Government)**and I will give you hidden treasures and the concealed riches of secret places**(this is Almighty God talking to Donald Trump)**that you may know that I am the lord who call you by your name, the God of Israel'**. Now 'Israel' is Isaiah's code word for the remnant Catholic Church and that is who Donald Trump will lead in these End Times. And we are just beginning to see him take his shots at the world leaders and to subdue the kings and to 'break the bars of iron and burst the gates of brass' and the sparks really should fly. So keep your eye open; let me know what you see when the False Prophet meets King Cyrus of these End Times.
