

## Should God Apologize to Sodom and Gomorrah?

As I am sure most of you know by now, Pope Francis put his foot in his mouth once again yesterday in an interview which he gave on an airplane flight back from Armenia. At least, that's what his apologists are saying. A lot of people like to give excuses for the Pope and they say he's speaking off the cuff. Well actually, if you listen to that interview you will notice that he speaks very carefully. He pauses very often; and what he said was that the Church should apologize to gays and he was answering a reporter's question about that shooting in Orlando because a Florida bishop and a German Cardinal said that's what the church must do.

No mention at all that it was a Muslim who killed those 49 homosexuals. No mention that Catholics do not kill gays but Muslims do. And the Pope justified his statement that the church should apologize to gays by quoting from the Catechism of the Catholic Church and I have a copy right here and I want to let you decide. Did

the Pope really quote accurately the Catechism of the Catholic Church about homosexuality? And this is paragraph 2357: **'Basing itself on sacred scripture** (the Bible says homosexuality is an abomination) **which presents homosexual acts as acts of grave depravity** (did you hear that Pope Francis?) **tradition has always declared that homosexual acts are intrinsically disordered. They are contrary to the natural law.** (of course, they are unnatural) **They close the sexual act to the gift of life.**

**They do not proceed from a genuine affective and sexual complementarity. Under no circumstances can they be approved.'**

The next paragraph is where the Pope based what he said, paragraph 2358: **'Every sign of unjust discrimination in their regard should be avoided'**. Well, I agree with that you should not discriminate against gays, you should help them. But you don't help gays by apologizing to them, by asking their forgiveness. That is absurd! And that's what the Pope did: he went beyond actually apologizing to them, he asked for their forgiveness! That is perversion! Pope Francis, that is blasphemy! You are not a true Pope. You have not been anointed with oil as the prophet Daniel prophesied 2,500 years ago. And now, I recommend, Pope, that you read the next paragraph, 2359:

**'homosexual persons are called to chastity'**. I didn't hear any of that in your impromptu remarks which you thought about very carefully but which you have been considering for a long, long time. You know what you are saying. You are uttering the words of the False Prophet. You are leading Catholic astray and, as I have warned you Catholics for many years here on YouTube, you are going to have to separate yourself from the Roman Catholic Church.

That does not mean 'you must come out from Babylon'. That's what the false prophets tell you. That is a misinterpretation of Revelation. Babylon is not the Catholic Church. But you Catholics do have to separate yourself like the stone that is separated from the mountain in Daniel 2 because it is your duty to defeat The One World Communist Tyranny. As Jesus also warned in His Olivet Discourse: **'let him who is in a field not go back to take his cloak'** (Matthew 24:18).

Don't think that Donald Trump is going to perform that feat of defeating the One World Tyranny. He does not have the qualifications (1). As in Revelation 11:2, John is told to measure the temple of God. But he only measures those who worship at the altar. He does not measure the external courtyard which is given to the Gentiles. That is what has happened. As Mary said at La Salette: **'Rome will lose the faith and become the seat of the Antichrist'**. That is about to happen because the False Prophet has taken over. He is not anointed with oil. This is one more lie from the Pope. Jesus told the Pope, Pope Peter the First, **'whatsoever you bind on heaven is bound on earth'**. Does this mean that heaven is also required to apologize to gays? Does this mean that Almighty God is going to have to apologize to Sodom and Gomorrah? Is Almighty God required to ask Sodom and Gomorrah for forgiveness?

I think you Catholics especially have to realize, and I have a terrible job trying to convince people in my own parish, that this Pope is false. We still have a true Pope, Pope Benedict. But in the End Times, after Pope Benedict is martyred, the only Pope we will have then is Pope Peter the First. He will be at the gates of heaven just as prophesied in the book of Esther. He is the one who is going to lead the Remnant Church through the Great Tribulation.

1) When President Trump converts to Catholicism he will succeed in defeating the gates of brass and the bars of iron (Isaiah 45:2).
