

New Prophecy! Jeremiah's Secret Cryptogram! Pt 2

This will be part 2 in my series of an amazing discovery I've made: Jeremiah's chapter 23 is actually an End Times prophecy and no other Bible scholar, whether Catholic, Protestant or Jewish, has ever discovered this amazing fact. And the reason is because they don't understand you have to unseal End Times prophecy and chapter 23 of Jeremiah must be unsealed by means of a cryptogram, that is, by a rearranging of the verses.

And I've already started, in part one, the top line of Jeremiah's cryptogram is primarily a warning to the Protestant false prophets. And we see them all over, here on YouTube, on the internet, on radio and television. And the very first word of the very first verse in chapter 23 is 'woe', and it is a woe to the pastors that Jeremiah is proclaiming. Now, 'pastors' includes Catholic, Protestant and Jewish but, as I say, this first line is primarily directed to Protestant prophets, the false ones, and the second line, which I hope to get to, maybe one or two verses, is the beginning of Jeremiah's warning to the Jewish false prophets in Israel.

So, let's take a quick review. As I said, in verse 1 Jeremiah primarily warns all pastors. He first says 'woe'; that's very important because we are in the End Times and that word is characteristic of what is going to happen to us. Verse number 6 is the second verse in Jeremiah's cryptogram and that is where we find out when this warning must be given to the false prophets and that is when Israel has returned as a nation. Verse number 11 is the third verse on the top line and here he says that both the prophet and the priest are defiled. 'Prophet' is Jeremiah's code word for Protestants; 'priest' is his code word for Catholics and verse 16 is his next verse and here is where he begins to refine his focus and talk primarily about the Protestant false prophets.

So now, let's take a look at the next verse on Jeremiah's cryptogram and that is verse 21: ***'I have not sent these prophets yet they ran, I have not spoken to them yet they prophesied'***. And what Jeremiah is saying here is backed up by what our Lord said in the Olivet Discourse about the false prophets. He said in these End Times that 'many' would come in his name. And what did Jesus mean by 'many coming in his name'? He means they would claim to be Christian; and

all of these false Protestant prophets on YouTube claim to be Christians but actually they undermine the Gospel.

Verse 26: ***'How long shall this be in the heart of these prophets that prophesy lies, and that prophesy the delusions of their own heart?'*** It's pretty easy to determine which prophets on YouTube, for example, are false. They claim that the Catholic Church is the 'Whore of Babylon' or they claim that the Pope is the Antichrist. Those voices are all coming from the pit of hell. Now I admit, this Pope is evil, in my opinion, Pope Francis; I claim he is the False Prophet, but he cannot be the Antichrist.

The many false Protestant prophets are leading you astray. They will tell you that you can't have religious icons in your homes. That's another lie. They tell you, you can't pray to Mary. Well, I have information for you about praying to Mary: that is how we are going to defeat the Antichrist! Mary's Rosary is the weapon Jesus will use, just as David chose five smooth pebbles against Goliath. And there are other Protestant false prophets who will tell you that Sunday law is the Mark of the Beast. That is another deception from Satan. And none of these Protestant false prophets will tell you that contraceptives are a grave sin in these End Times. Believe me, these people are guided by Satan and he wants to drag you into hell. Yes, some Protestants will be raptured but I guarantee, none of them are using contraceptives.

Verse 31: 'Behold I am against these prophets says the Lord who use their tongues and say the Lord says it.' Just a couple weeks ago I was watching a Protestant false prophet, I probably shouldn't waste my time, but she said she had a dream from the Lord and he told her that the next president of the United States would be Jeb Bush. I can tell you right now that is another lie. And there are many Protestant false prophets on YouTube giving you the same type of loony information. And looking again here at Jeremiah's cryptogram, I want to point out to you that these verses about the Protestant false prophets, verses 16, 21, 26 and 31 are all scattered throughout the original chapter as printed in your Bibles. It is only through Jeremiah's cryptogram that these make logical sense and they follow each other as they must.

And next verse number 36: ***'And the burden of the Lord you shall mention no more for every man's word shall be his burden for you have perverted the words of the living God, of the Lord of hosts our God.'*** Now, the burden of the Lord is a good thing. Jesus said: ***'My burden is light and my yoke is sweet'***. But these Protestant

false prophets, they come up with their own burden. That's what Jeremiah means when he says that **'every man's word shall be his burden'**. And their burden is even lighter than Jesus'. And this is really a typical problem with all Protestants: they have given up the authority of the Catholic Church. They have abandoned authority and what happens when you do that?

Well, if a man doesn't like the denomination he's in, he jumps to another church. If he doesn't like that one he starts his own; and all you have to do is to go on television and see many of the false Protestant prophets; that's exactly what they have done! They have started their own denominations and they preached with itching ears to you people who want to hear a prosperity gospel and all that is lies and that is exactly what Jeremiah is warning about here in chapter 23. And you must use his cryptogram to understand the prophecy and actually, I think a lot of Protestants would agree with me because unity is missing in the Protestant churches and Jesus prayed for unity and I'm afraid we won't see that until the Millennium when He returns; then there will once again be one flock and one Shepherd.

And now, let's go on to Jeremiah's prophecy against the false Jewish pastors in Israel who are leading the Jews astray and it's very interesting because when he changes direction you will see that there is an entirely different characteristic to the prophecies Jeremiah is giving in line 2 as opposed to the top line. And the second line, as I say, is about the Jewish false prophets. **'Therefore thus says the Lord God of Israel'** So, here we have a different title for Almighty God. In verse number 1, He was called our **'Lord of Righteousness'**. But because this line, the second line of Jeremiah's cryptogram, is addressed to the Jews in Israel, He now calls himself the 'Lord God of Israel', **'against the pastors that feed my people.'** 'My people' is the clue to understanding all of the prophecies on the second line because 'my people' refers to Jeremiah's people, the same as Daniel's 'people'.

These are the 'chosen people'", they are God's people and that phrase 'my people' is found five times in chapter 23 and four of those times they are found on this second line and the other time that you read 'my people', that's on line 3, verse number 13, Jeremiah writes **'my people, Israel'**, which is the Rosetta Stone to understanding what this second line is all about. **'You have scattered my flock** ('you' would be the false Jewish rabbis in Israel) **and driven them away and have not visited them, behold, I will visit upon you the evil of your doings**

says the Lord.' In other words, the Jews being led astray; it's not their fault, it's the fault of their rabbis. The rabbis in Israel are not teaching true prophecy as, for example, the Jewish teenager Natan is. If they followed the laws of Torah and if they perform mitzvot, which is what Natan says the Jews in Israel must be doing in order to be saved, they would save themselves.

But the false Jewish prophets, the rabbis in Israel, are leading the Jews astray, and we will find out as we go along that the two main errors of the Jewish rabbis is they say that for Israel to have peace, all they need to do is procure more weapons and they don't have to worry about homosexuality, which is a pervasive crime in Israel. The Israeli government spends hundreds of millions of dollars to promote Tel Aviv as the gay capital of the world. These are the two crimes which are going to bring Israel down.
