

Is Pope Benedict Really the Prophet Enoch?

On this program I want to talk about the possibility that our retired Pope, Pope Benedict, is in fact the Prophet Enoch! And I've already talked about, quite a bit, that the Prime Minister of Israel, Benjamin Netanyahu, is in fact, the Prophet Elijah; and don't discount the possibility that Almighty God has a sense of humor. In other words, the two B's, Benjamin and Benedict, are actually the two E's, Enoch and Elijah.

In any event, this past week, Pope Benedict gave a very interesting interview to a magazine in Italy and I want to read excerpts from this because I think it shows that Enoch is prophesying for 1260 days. So let me read this for you and here's the headline (I got this from

LifeSiteNews and they are a very interesting website. I have them bookmarked and you should also.)

'Pope Emeritus Benedict breaks silence (actually, he has given quite a few interviews but this is the one that has made the headlines) **Speaks of deep crisis facing Church Post Vatican II.'**

<https://www.lifesitenews.com/news/pope-emeritus-benedict-says-church-is-now-facing-a-two-sided-deep-crisis>

This reporter believes he is criticizing Vatican II but actually, I think he is secretly criticizing Pope Francis who as you, my subscribers already know, I consider to be the False Prophet; although remember, he has not yet fulfilled any of the of the Bible prophecies about the False Prophet, so I am withholding final judgment but I think we are going to find out very soon who he actually is. And the dateline on this is March 16th, that's this past Wednesday, **'On March 16, speaking publicly on a rare occasion, Pope Benedict XVI gave an interview to Avvenire, the daily newspaper of the Italian Bishops' Conference, in which he spoke of a 'two-sided deep crisis' the Church is facing in the wake of the Second Vatican Council. Pope Benedict reminds us of the formerly indispensable Catholic conviction of the possibility of the loss of eternal salvation or that people go to hell.'**

Well, he's right. An awful lot of priests and bishops today do not preach that anyone can go to hell and that is totally false. Hell is mentioned

many times in the Bible. Jesus often talks about the fires of Gehenna and in fact, what is the reason Jesus spoke in parables? He said he spoke in parables so that not everyone would be saved. That is a very ominous warning that we all have to take very much to heart.

And Pope Benedict continues: ***'The missionaries of the 16th century were convinced that the unbaptized person is lost forever.'*** You are so right, Pope Benedict. Of course, there are several different kinds of baptism. ***'After the [Second Vatican] Council, this conviction was definitely abandoned. The result was a two-sided, deep crisis. Without this attentiveness to salvation, the Faith loses its foundation.'***

Now remember, pay attention to these words because as I say, if I am right, this is actually the Prophet Enoch speaking: ***'He also speaks of a 'profound evolution of Dogma' with respect to the Dogma that there is no salvation outside the Church. This purported change of dogma has led, in the Pope's eyes, to a loss of the missionary zeal in the Church - 'any motivation for a future missionary commitment was removed.'*** This is true. Why join the Church if you don't have to in order to be saved. ***'Pope Benedict asks the piercing question that arose after this palpable change of attitude of the Church: 'Why should you try to convince people to accept the Christian faith when they can be saved even without it?'***

So, as I say, pay attention to what Pope Benedict is saying; and he has made other pronouncements. After he is assassinated and resurrected on the Mount of Olives and people understand that he is actually the Prophet Enoch and Benjamin Netanyahu is actually the Prophet Elijah, all of the writings of these two people will be closely analyzed and the reason is because Scripture says that they prophesied for 1260 days.

Pope Benedict resigned Feb the 11th, 2013, a little over three years ago. 1260 days would be up this August. Is that time span taken from the date he announced his resignation or from the date he actually resigned which was February the 28th or maybe when the time Pope Francis took over which was sometime in March? That is why we have to pay attention to what Pope Benedict says. And all those reasons given that Pope Benedict resigned; because he was ill or that he was a death's door or he was too feeble, that was all baloney and I told you at the time that it was. I told you at the time that he was forced out.

In fact, I told you at a time more than three and a half years ago after Psy came out with that video 'Gangnam Style'; that was a prophecy of Pope Benedict, as the man dressed in yellow, being defeated by the Antichrist and that prophecy came true. Now lately, I have been studying Scripture passages about the Prophets Enoch and Elijah to see if there is any indication who they are in these End Times and I have come across a few possibilities.

Let me read these to you, and this is from Zachariah 13:7, '**Awake, O sword, against my shepherd,**' now, this is the Prophet Enoch. Does he call him a shepherd because he is in fact, Pope Benedict? After all, remember Jesus told Peter to 'feed my sheep'. Is this a clue way back in Zachariah that the Prophet Enoch would actually be a pope, Pope Benedict. '**And against the man that cleaves to me,**' and of course I say that is the Prophet Elijah, in other words, that would be Benjamin Netanyahu, '**says the Lord of hosts: strike the shepherd,**' Pope Benedict, '**and the sheep shall be scattered:**' that refers to the Catholics who must flee their church as Jesus said: '**when you see the abomination of desolation, let those who are in the field** (that is the Catholic Church) **flee and not take their coat.**'

Let's look at the next passage I have here marked here, Daniel 12, verse 5: '**Then I, Daniel looked, and behold as it were two others stood** (these are the two witnesses, Enoch and Elijah) **one on this side upon the bank of the river, and another on that side, on the other bank of the river.**' The Prophet Elijah is the one on this bank of the river because that would be near Jerusalem. On the other bank of the river, that would be the Prophet Enoch and of course Benjamin Netanyahu is located in Israel and Pope Benedict is located in Italy, far away from Israel. That is not a definite allusion to Pope Benedict but it is a clue.

Next let's look at Daniel 4, verse 13: '**And I saw in the vision of my head upon my bed, and behold a watcher, and a holy one came down from heaven.**' Now previously, I think I got these reversed. I think the watcher could be the Prophet Elijah and the Holy One would be the Prophet Enoch. Could that be a reference to the Holy Father, Pope Benedict? Verse number 16, this is what the Prophet Enoch says: '**Let his heart be changed from man's, and let a beast's heart be given to him** (this is a prophesy about the great tree which in the End Times symbolizes Barack Obama and the United States) **and let seven times pass over him.**' Does that prophesy that Barack Obama

will not have a full eight years, he will only have seven years of the Presidency.

Barack Obama has met with Pope Benedict; I'm not sure if Pope Benedict told him he would only have seven years of Presidency. I'm not sure this is actually a prophecy about his term of office but in any case, I believe Pope Benedict and Benjamin Netanyahu, after they are assassinated, then we will find out who they are. In fact, then they themselves will find out who they are because, as Natan said in his vision, Benjamin Netanyahu, that is the Mashiach, does not know at this time who he actually is.

And so, in conclusion, that is my message for today. I believe very soon, by the way, we are going to find out that Pope Francis is the False Prophet because he is going to issue a proclamation on the Bishops Synod and if he allows divorced and remarried Catholics to receive Communion, that will be the Abomination of Desolation as it affects Catholics.
