

## God Verifies: Obama is the Leopard!

Some of you may not believe this but once in a while I get discouraged, especially from all of the negative comments my videos seem to generate and in fact, it's gotten a lot worse lately since I endorsed Mitt Romney for President. Some of my own subscribers are trying to tell me that a Christian should not become involved in politics. That is a huge error. In fact, it is one of the duties of a prophet to 'anoint the king'. In fact, if you want to accept the gift of prophecy from the Holy Spirit you cannot sit on the fence in this election, you must anoint Mitt Romney for President. Please don't be like the false prophets on YouTube who are trying to straddle the fence. You cannot do it and still be a prophet.

This past week at the Presidential Debate between Mitt Romney and President Obama, our Lord verified everything I have been saying about Barack Obama, and believe me, one verification from our Lord overcomes thousands of negative comments. What He did was verify that Obama's number in Bible prophecy is 444, and quite a few of my subscribers sent me a message pointing this out to me. Obama spoke for exactly 44 minutes and 4 seconds! Can you imagine what the odds are against that happening? That was no accident! Obama's number in Bible prophecy is 444.

Let's take a look at some other verifications which our Lord has given that I am correct in my prophecies about Obama. First of all, Barack Obama is our 44th President elected on the 4th of November. Second of all, he was born on August 4th, that would be 8-4 and of course, 8 could be expressed as 4 plus 4. Maybe a few years ago you remember he went back to Chicago to celebrate his birthday and the weekend he was there, 4 sisters gave birth to 4 babies in 4 days. Maybe you remember when he gave his Nobel Peace Prize acceptance speech, he used the word "war" 44 times. And of course, this most amazing incident this past week when at the debate Obama spoke for 44 minutes and 4 seconds. Believe me, none of this is accidental.

Our Lord is showing us something very significant about Barack Obama: that he is the Leopard in Daniel, chapter number 7. Let's take a look at that amazing prophecy from the Old Testament, Daniel chapter 7, verse number 6: ***'After this I beheld, and lo another, like a leopard,'*** this Leopard symbolizes Barack Obama because a leopard is both black and white, which symbolizes the mixed racial heritage of our President. Please notice that this Leopard has four characteristics,

**'which had upon its back four wings of a fowl'** that's the second characteristic, **'the beast also had 4 heads,'** that's the third characteristic, **'and dominion was given to it.'**

The Leopard has four characteristics, all of them pertain to Barack Obama. He is our 44th President and dominion has been given to Barack Obama because he is the leader of the greatest nation in the free world. And so, in conclusion, I want to thank our Lord for endorsing exactly what I have been saying about President Obama all along. This is very important and it's very significant. Barack Obama is destined to lead America to defeat in World War III.

And would you believe Cardinal Dolan is hosting Obama tonight at the regular Al Smith dinner in New York City? This is a total disgrace. This is the opposite of being a prophet, Cardinal Dolan. This gives every appearance that you are endorsing President Obama. This is a huge error. If you had the gift of prophecy you would endorse Mitt Romney. He is the only choice which our Lord wants for President, as He revealed this past week at the Presidential Debate. And once again, our Lord verified this in an amazing way by having Obama speak for 44 minutes and 4 seconds. That was not accidental.]
