

## Prophetic Meaning of GOP Train / Truck Crash Pt 2

This will be a follow-up to my last program about that Amtrak train carrying a lot of Republican members of Congress which struck a garbage truck and killed one of the passengers in that truck and I told you at the time the significance of the number of that locomotive, 145, because the number '1' represented the letter 'I' and 145, or I:45, symbolized Isaiah 45.

And I told you that was a warning to the Republicans to stop funding Planned Parenthood. But did any of them listen? No they did not. Yesterday they passed a huge budget for the next two years: trillions and trillions of dollars; huge deficit spending, and they provided free, taxpayer-funded, contraception, sterilization, abortion drugs and funding for Planned Parenthood. And what does God think about that? Well, take a look at all of the garbage strewn around when the train hit that garbage truck.

And God sometimes gives us warnings through numerology. Remember, for example, when Pope Benedict resigned five years ago this weekend and lightning struck the Vatican at exactly 5:55 p.m.

That was not an accident; that was a warning from Almighty God. And I remember saying at the time that Pope Benedict was not sick; he was not going to die in six months, as we were told. He was in good health. He was squeezed out through the influence, according to

WikiLeaks, of Hillary Clinton, John Podesta, Barack Obama; they put pressure on the Vatican. Our current Pope, Pope Francis, is not a true Pope; he was appointed by God but he was not anointed. And how do we know that? Well God, once again, told us through sacred numerology. When Francis was elected take a look at that smoke coming out of the chimney and look at that little time stamp, 7:06.

7:06 is the same as 6 p.m. plus 60 minutes plus another 6 minutes, in other words, 666. That is not accidental, people. God knew what he was doing.

If you don't believe me that God is opposed to contraception, sterilization and abortion let me read to you what Isaiah 45 says about those evils. Isaiah 45, verse number 9: **'Woe to him that strives with his maker!...shall the clay say to him that fashions it, What make you...?'** In other words, we have no right to tell God how many children we are going to have. We must practice self-control, not birth control. Isaiah 45, verse number 10, these are the only two verses by the way that have the word 'woe' in them: **'Woe to him that says to his father: Why beget you? and to the woman: Why do you bring forth?'** I told you what this wreck was all about. I told you that Isaiah 45 was a warning to the Republican Congressmen to cut off funding for Planned Parenthood. That's why 145 is on that locomotive. That stands for Isaiah 45.

God is not going to bless America or the Republican Congress. A few weeks ago they passed the 'Unborn Child Pain Protection Act', but they didn't get sixty votes, so they wanted to blame the Democrats. They had enough votes to pass it, in fact, they did pass it. They could have forced the issue by using the nuclear option but did they? Oh no! In the election coming up they want to say that they are against abortion and the Democrats are for it. Well if you can't fool me and you certainly can't fool Almighty God. That's why he struck

that garbage truck with the I-45 Republican train and I want to give you another example. This was a few years ago when that Devil moose from Belarus hit that tour bus and the odometer read 666.6 kilometers and the time was 5:55 pm.

Does that remind you of the lightning strike in the Vatican? And I explained this to you. There were many videos posted on YouTube talking about the 666; I mean that's pretty obvious. But none of them explained what the 555 represents. That represents Mary's Rosary defeating the Antichrist.

And now, what time did this Republican train crash into the garbage truck? Do any of you remember? Well, it was 11:20. Another very significant number. The I-45 is significant and also the time of the crash. 11 is another Biblical number for the Antichrist; 20 is another way to express Mary's Rosary because there would be four mysteries: the Joyful, the Sorrowful, the Luminous (the new mysteries) and the Glorious: twenty decades in all. That's the significance of that time. And quite a few people ask me *'why didn't the passengers in that garbage truck get out of the garbage truck?'* Well I'm gonna ask you the same thing: *'why don't you get out of the Whore of Babylon?'* Because that's what that truck symbolized. Do you know what the name of that truck was? This is also very interesting: 'Time Disposal', not garbage disposal or trash disposal but Time Disposal. That means the time is up for America. Do you really think God is going to give us more warnings?

And as I said, one of the three people in that truck was killed: his name was Christopher Foley. 'Christopher' means 'Christ bearer'. God is telling us that one third of Americans are going to die and most of them are going to be innocent. So my challenge to you Republicans is: listen to what God is telling you. And my challenge to you, my subscribers, is get out of that garbage truck because the Whore of Babylon, that is America, is on the tracks and you are about to be struck by Bible prophecy!

And since my last program I did get some donations: Ian donated again from the United Kingdom and he asked me why I don't do more videos on Britain? And the reason is because Britain is a part of the Whore of Babylon. You are also on the train tracks. And I've explained to you before you have to leave the geographical location of Babylon and that would be 'on many waters'. And that's both symbolic and literal. In other words, large bodies of water: get away from them. And 'many waters' symbolizes peoples; so you must go out of the cities. So Ian, that's my advice for you.
