

Q Anon is a Prophet of the Apocalypse! Pt 2

This will be part 2 in my series on the amazing prophecy received from Q Anon as posted on the 4chan channel on November 4, 2017, and on the first program I pointed out that this message follows the rules of Apocalyptic Literature. First of all, the 53 verses or lines are divided into 50 lines plus 3 lines and further, those 50 lines are divided into a 10 plus 10 plus 10 plus 10 plus 10 division and that indicates the five decades of Mary's Rosary. Most Scriptural End Times prophecy includes references to Mary's Rosary as the weapon Jesus will use to defeat the Antichrist. And you can pray either the Joyful, the Sorrowful, the Glorious or the new Luminous Mysteries and we must do that to support Donald Trump and I'm beginning to believe that these prophecies from Q Anon are actually from Donald Trump himself. And in fact, I believe the source is even higher than Donald Trump: I believe they come from Almighty God. And that should not be surprising because we know Donald Trump is found in Bible prophecy; he is prefigured by King Cyrus in Isaiah, chapter number 45.

Q Anon: Prophet of the Apocalypse

- 1) For the coming days ahead.
- 2) Ask yourself an honest question, why would a billionaire who has it all, fame, fortune, a warm and loving family, friends, etc. want to endanger himself and his family by becoming POTUS?
- 3) Why would he target himself and those he cares about?
- 4) Does he need money?
- 5) Does he need fame?
- 6) What does he get out of this?
- 7) Does he want to make the US/world a better place for his family and for those good and decent people who have long been taken advantage of?
- 8) Perhaps he could not stomach the thought of mass murders occurring to satisfy Moloch?
- 9) Perhaps he could not stomach the thought of children being kidnapped, drugged, and raped while leaders/law enforcement of the world turn a blind eye.
- 10) Perhaps he was tired of seeing how certain races/countries were being constantly abused and kept in need/poor/and suffering all for a specific reason.
- 11) Perhaps he could not in conscience see the world burn.

So let's go through these verses, or lines, in this prophecy which he no doubt received sometime before November the 14th. In fact, I believe

that the Lord has been speaking to him since September 23rd; and as I've predicted many times, I've said he would become a Catholic on that date. Now, he may not want to pronounce that news publicly but it's very likely that he dictated this message to a Catholic member of his team, possibly Kellyanne Conway, and the reason I say that is because the last ten lines of this prophecy were a recitation of the Lord's Prayer and she specifically typed out the Catholic version of the Lord's Prayer. Now, how Donald Trump gets these messages. I don't know. It may be from the Blessed Virgin Mary; we should not be surprised because our first president, George Washington received a vision from the Blessed Virgin Mary and if you don't believe me, just Google **'George Washington's vision'**.

So let's go through this prophecy and I won't get through this all today but I want to look at the first 10 or 11 very important verses, or lines, and the first line is: **'For the coming days ahead.'** Well, that very clearly tells us this is a prophecy for those of us in these End Times, especially here in the United States; but as we will see, not just the United States. And line number two starts 10 verses which are related: **'Ask yourself an honest question, why would a billionaire** (obvious reference to Donald Trump) **who has it all, fame, fortune, a warm and loving family, friends etc. want to endanger himself and his family by becoming POTUS'** (or President of the United States)? Notice here by the way the four words beginning with F; this is what Donald Trump had before he became president: fame, fortune, family and friends: another indication that this is Apocalyptic Literature because numerology is very significant in apocalyptic prophecy and four is the most important number of these End Times. We find that sacred numerology all throughout Revelation, for example. And it's interesting that he is called 'POTUS'. That is a reference to Cyrus in Isaiah 45. Isn't it interesting that in both 'Cyrus' and 'POTUS', there are five letters in each word and each word ends in 'us'. Also, there are five letters in 'Trump' and the letter sequence 'ru' repeats in both 'Cyrus' and 'Trump'. Those sequences are not accidental! Donald Trump is extremely important in Bible prophecy and now I believe he is actually receiving prophecy himself.

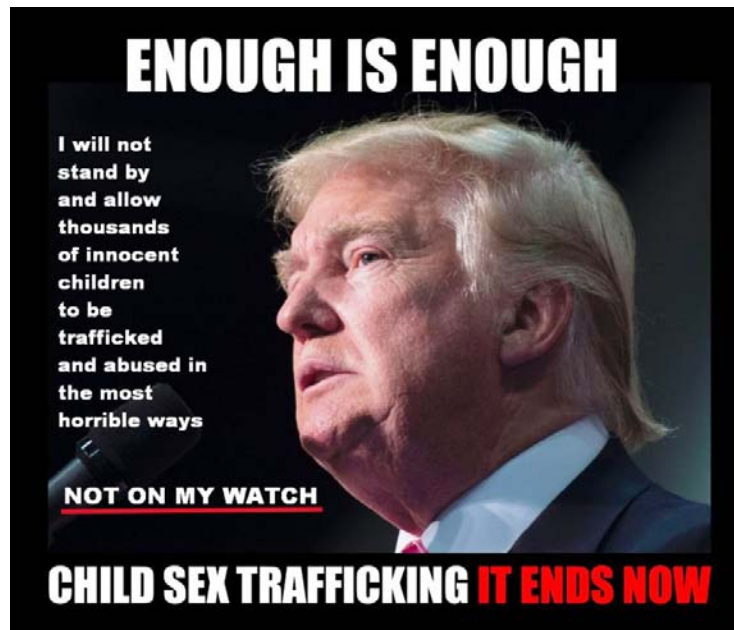

Let's look at line number three: **'Why would he target himself and those he cares about?'** Would you believe that evil people, spurred on by the mainstream media, are even targeting his son Barron? That shows you that this attack upon Donald Trump comes from the hands of Satan. Line number 4: **'Does he need money?'** Well I don't think a

billionaire needs money. **'Does he need fame?'** Absolutely not! He is being downtrodden by the mainstream media; his fame is being tarnished by all the hateful lies being published about him. So his fame was far higher before he became President. And line number 6: **'What does he get out of all of this?'** And that is nothing except grief. I can see now why a lot of good people don't run for public office. So now, those first five verses of this ten verse section are about Donald Trump.

And next we see the response, the answers to these questions. Verse number 7: **'Does he want to make the US/world a better place for his family and for those good and decent people who have long been taken advantage of?'** These five verses expand Donald Trump's pledge to make America 'great again' to making the world 'great again'; very interesting! And I remember he gave a speech, not that long ago, where he ended his speech with 'God Bless America', which of course, all presidents do, but then he added 'God bless the world'. It's very possible God was already speaking to him before that speech. On to verse number 8: **'Perhaps he could not stomach the thought of mass murders occurring to satisfy Moloch?'** Moloch is out of the Bible: he was the false deity which the Israelites killed their babies for. And that's very pertinent, of course, in End Times America. The primary sin for which God will judge America is abortion; and we abort 3,000 babies every day in our abortion chambers: one of the most horrifying aspects of life in our current society. And it's that shedding of innocent blood which gives the demons their power and Donald Trump is doing all he can, if he can get Congress on board, to stop Planned Parenthood, the number one promoter of abortion in this country.

Verse number 9, or line number 9: **'Perhaps he could not stomach the thought of children being kidnapped, drugged, and raped while leaders/law enforcement of the world turn a blind eye?'** And this is the paedophilia scandal; really I had not heard anything about it until just before the election when the 'pizza gate' scandal broke and evidently paedophilia is one of the crimes of the elites throughout the world. And that's not surprising because Satan hates innocent children and he wants to seduce them and Jesus said in Scripture: **'Anyone who leads one of these little ones astray, it would be better for him to be cast into a pond with a millstone tied around his neck.'** So evidently Donald Trump and I believe from the reports I get on the

internet, is doing a great deal to stop this trafficking in innocent children.

And verse number 10, or line number 10, (I keep thinking this is right out of the Bible): ***'Perhaps he was tired of seeing how certain races/countries*** (notice this word 'countries'; very similar to the 'world') ***were being constantly abused and kept in need/poor/and suffering, all for a specific reason'***. Well, an example I can think of is Nigeria. Nigeria is trying to beat back these horrible Islamic jihadists known as Boko Haram. Well, Nigeria asked President Barack Obama for help in defeating Boko Haram and he said 'no'! Why did he say no? Actually, he said yes, I will give you help if you take off your books laws against homosexuality, and Nigeria, to their credit, refused. So, you know right away which side of this equation our former president is on. And I think that is the type of example that verse number 10 is talking about. And verse number 11, the last verse in this 10 verse section: ***'Perhaps he could not in conscience see the world burn.'*** And of course, I am sure he is warning about nuclear warfare.

Thus you and I are going to have to pray; and this message is especially for Catholics because you and I must pray Mary's Rosary. And it's interesting that in Isaiah, chapter 45, verse number 2, King Cyrus, as a pre figure of Donald Trump, smashes both the One World Government, which is the ***'bars of iron'*** and he smashes the One World Religion, which is the ***'gates of brass'***. So prophecy is on DJT's side and I believe he is now getting prophecy himself, and of course,

it's my job, as a Co prophet, to interpret the prophecy he is receiving. And we should give thanks and glory to Almighty God for helping our President. He is up against insurmountable odds; I never thought he could possibly beat evil Hillary but he did! And we should give thanks every day for that miracle.

I will start by adding the post where the person claims to have Q Clearance and begins to divulge very incredible information and all within a 36 hour time frame:

(4Chan) Q Clearance Patriot 36hr Warning (11/01/17 (Wed) 18:40:13)
(1st Post) "My fellow Americans, over the course of the next several days you will undoubtedly realize that we are taking back our great country (the land of the free) from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light. On POTUS' order, we have initiated certain fail-safes that shall safeguard the public from the primary fallout which is slated to occur 11.3 upon the arrest announcement of Mr. Podesta (actionable 11.4). Confirmation (to the public) of what is occurring will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials. On POTUS' order, a state of temporary military control will be actioned and special ops carried out. False leaks have been made to retain several within the confines of the United States to prevent extradition and special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted in full. However, the atmosphere within the country will unfortunately be divided as so many have fallen for the corrupt and evil narrative that has long been broadcast. We will be initiating the Emergency Broadcast System (EMS) during this time in an effort to provide a direct message (avoiding the fake news) to all citizens. Organizations and/or people that wish to do us harm during this time will be met with swift fury – certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct these operations (at home and abroad).
(2nd Post) POTUS will be well insulated/protected on AF1 and abroad (specific locations classified) while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make American great again. Let us salute and pray for the brave men and women in uniform who will undertake this assignment to bring forth peace, unity, and return power to the people. It is our hope that this message reaches enough people to make a meaningful impact. We cannot yet telegraph this message through normal methods for reasons I'm sure everyone here can understand. Follow the questions from the previous thread(s) and remain calm, the primary targets are within DC and remain at the top (on both sides). The spill over in the streets will be quickly shut down. Look for more false flags – stay alert, be vigilant, and above all, please pray. "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. Love is patient, love is kind." God bless my fellow Americans. 4,10,20"

Now it is interesting that they included the 4, 10, 20 as if it was a signature. Then I thought about it some more and noticed some other intel where they included letters underneath the 4, 10, 20 and realized those numbers represented the numerical designations for those letters. **That would be 4=D, 10=J, 20=T, DJT, Donald J. Trump.**
