

Obama: '44 is a Lucky Number'

All this past month, the false prophets on YouTube have been speculating that Barack Obama would go to Israel to sign some kind of a peace treaty or to confirm a covenant as supposedly prophesied in the Bible. And of course they are assuming that he is the Antichrist. And what they don't seem to understand is that, before the Antichrist arrives, comes the '*Leopard*' as found in Daniel 7, verse 6. And none of them are telling you who the Leopard is because they don't understand Barack Obama fulfills that prophecy. And I'm the only one on YouTube who has been explaining this amazing fact.

And how does our Lord tell us? How does He confirm that Obama is the Leopard? He does this through numerology. Just a few days ago Barack Obama confirmed that he is number 44 in Bible prophecy. Let's take a look at this short clip.

'Look, what have we got here? That's a good looking jersey 44. It's a lucky number. All right, thank you.'

I'm not so sure that 44 is such a lucky number for Barack Obama. Yes, he is our 44th president; yes, he was born on August the 4th; and he was elected the first time on November the 4th. But he is also, the Leopard that has '*four heads*' and '*four wings*' as we see in Daniel 7, verse number 6: '***After this I beheld, and a lo, another like a leopard***', Obama is symbolized in this passage by a Leopard, because a leopard is both black and white, just like the racial heritage of Barack Obama, '***and it had upon it four wings as of a fowl, and***

the beast had four heads, the four wings and the four heads symbolize that Obama is the 44th president, ***'and dominion was given to it'***. And of course, *'dominion'* means that this beast is the president of the United States and the leader of the free world.

But Daniel is not the only place where we find Barack Obama. He is also the *'lion'* in Jeremiah 50 verse number 44. Please note that verse number. ***'Behold he shall come up like a lion from the swelling of the Jordan'***. Now this would indicate south of Jerusalem and I believe this points to Barack Obama whose forbearers came from Africa. ***'to the strong and the beautiful'***. Now *'the strong and the beautiful'* refers to the United States. Some Bibles translate this as *'the habitation of the strong'*. In either way, this is America ***'for I will make him run suddenly upon her'***. And this certainly describes how Obama came out of nowhere to run for president ***'and who shall be the chosen one whom I may appoint over her?'*** And now we know the answer to this question: the chosen one, whom God appointed over the United States, is none other than Barack Hussein Obama.

So we see Barack Obama twice prophesied about in the Old Testament, and we see that he also got two jerseys with the number 44 on it, because not only, did he receive a jersey this past week from the Los Angeles Kings, but a few months ago from the Miami Heat. Let's take a look at this clip.

'You guys could use a shooter. My point guard.'

And I'm not saying that Barack Obama may not morph into the Antichrist. After all, in that dream he had, the leopard did change into that huge evil figure. And, don't forget four years ago, Obama was elected on the 4th of November, but this past year he was re-elected on the 6th of November. And of course six is the number of the Antichrist while four is Barack Obama's current number in Bible prophecy. But, as of now, Obama is the Leopard in Daniel and the Lion in Jeremiah, and I challenge the false prophets on YouTube to acknowledge those facts.
