

## **Antichrist Alert!**

This will be just a very brief Antichrist alert. This past week in the New York Times, I believe it was on Wednesday, an advertisement appeared announcing the Jewish Messiah. And if you know Bible prophecy, you know that the Jews will accept the Antichrist as their Messiah. In fact Jesus prophesied to the Jews, "another will come in his own name and him you will accept".(John 5:43) And this "other one" is the Antichrist. So let's take a closer look at this advertisement, because it is very interesting.

**The Messiah**  
**is in USA now!**

**His revelation**  
**will occur in 2014**  
**and then will start**  
**his leadership!**

**Yoav Cohen**

"The Messiah is in the USA now. His revelation will occur in 2014 and then will start his leadership!" Now that's interesting, because I have

been saying all along that the midpoint of the tribulation will occur sometime in 2014, and then in this advertisement we see an image of the rebuild Jewish temple, and below we have more information, and I went to this website and there's quite a few interesting things there. I presume this is the individual who was running the website, Yoav Cohen. Perhaps he considers himself the Messiah.

So I'm asking you my subscribers to look into this for me. I've just given you the bare details, and I know just this morning one of my subscribers reminded me, that she had told me several weeks ago, that Kate would have her royal baby on July 22nd, because that's some kind of Wiccan holiday, and maybe she will. And if she does, I hope my subscriber posts a response to this video.
