

Mary's School of Prophecy Israel Election Results in Bible Prophecy

I believe we have an interesting program today and I do feel pretty upbeat, because I thought for sure that Benjamin Netanyahu would lose which would fulfill a bad part of Daniel 9:27, but instead I believe that he is confirming the fact that he is the Anointed One in Daniel 9:26 and 27, and we'll look at that in just a minute. And make no mistake, this victory by Netanyahu is a victory for Donald Trump, because he announced 35 days ago his peace plan, also called, "The Deal of the Century", and I'm pretty sure I would say that that is what propelled Netanyahu over the top.

Now they haven't got the final results. They're pretty sure that he has 60 votes in the Knesset I think it's called, the Parliament, and he needs 61 to have the outright control, but the pundits are saying that he has a pretty good chance of getting the 61 that he needs. And as I say, we have to give Donald Trump a lot of credit and I think Benjamin Netanyahu will do that also.

They had a tremendous turnout despite worrying about the coronavirus and so on. They had a 65% turnout, and they say by the time all the votes are counted it could be up to 70%. They have not counted the military votes yet which generally go more to the right, and that means he may get his outright 61 votes that he needs. This doesn't mean that they are out of the woods yet.

Before we get started here, we should pray the lady Our Lady of All Nations prayer. In the name of the Father, the Son and the Holy Spirit. Lord Jesus Christ, Son of the Father, send now Your Spirit over the earth. Let the Holy Spirit live in the hearts of all nations, that they may be preserved from corruption, disaster and war. May the Lady of All Nations who once was Mary, be our Advocate. Amen. In the name of the Father, Son and the Holy Spirit. Amen.

Now we can talk about this election in Israel and what the immediate future for Israel holds. As we're looking at the timeline leading up to this election, we have to go back to the fourth blood moon. As you know a lot of the false prophets were out there ballyhooing the four blood moons; people like John Hagee, Mark Biltz, Paul Begley and even I was out there doing the same thing and because it's true.

The four blood moons have always had a big significance in the history of Israel on Jewish feast days and the fourth blood moon was September the 28th 2015 and they all predicted that something very significant for Israel is associated with the four blood moons. Well sure enough, on the night of the fourth blood moon, September 28th 2015, the Jewish teenager Natan, had his amazing near-death experience and prophecy for Israel, and it was a warning to Israel. It's not that they have to convert to Christianity, they have to convert to Judaism, and that was the warning that he gave.

Well it's very strange that none of the people who had said that the four blood moons would be very significant commented on it. John Hagee, Mark Biltz, Paul Begley, none of them commented that the prophecy was fulfilled.

Well the next significant date was exactly four years and four months after the fourth blood moon when President Trump announced his deal of the century, his peace plan for the Middle East. I want to give my student, my graduate assistant Catholic Crusader credit for discovering that very significant numerology. 4 4 4 is a very important End Times number and of course 44 in Daniel 7 is a reference to the United States and that's because we have four leaders in our government. We have the President who leads the Executive Branch. We have the Vice President who heads up the Senate. We have the Speaker of the House for the House of Representatives and we have the Chief Justice of the Supreme Court. That's what one of the fours represents.

The other four represents our four branches of military who sit on the Joint Chiefs of command, the Army, Navy, Air Force and Marines. And we do we have several other branches including the Space Force, but I don't think any of them sit on the Joint Chiefs of Staff. That's why 44 references the United States, and that means that the United States is important as far as this prophecy goes, as far as Israel is concerned. And so the 4 4 4, the four years, four months following the fourth blood moon is very significant.

So now 35 days after that, Benjamin Netanyahu has won quite a significant election and he was opposed by the Deep State just like Donald Trump and I think that's why Netanyahu sought out Donald Trump's help and Donald Trump really gave him everything that he asked for. He couldn't have done anything more and I was afraid that the people in Israel would not appreciate the efforts that Benjamin Netanyahu has been making, but according to Daniel 9 as I have said all along on here, Benjamin Netanyahu is the Anointed One in Daniel 9:26. In other words he is the one who is confirming the covenant, and the covenant is the Abrahamic Covenant which God gave.

In other words in the Abrahamic covenant God gave the land of Canaan to the Jewish people in posterity, but if you read the rest of Daniel 9, and we'll look at those verses, that is not an unconditional. If they abandon God, God will abandon them, so that is next in the prophecy. So I want to first look at Daniel 9:26 and 27 because although Benjamin Netanyahu I believe proved that he is the Anointed One, the bad things are about to fall on Israel unless they repent as the Jewish teenager Natan said. So let's look at Daniel 9:26 and 27.

Now originally this prophecy referred to Jesus and we'll go according to the letters in Daniel 9, and here's where the false prophets make a huge mistake and I might as well mention what the false prophets do. They believe that 9:26 and 27 follow each other chronologically, and that is an error. You must unseal Daniel before you can interpret. Daniel 9:26 and 27 are parallel verses or pairs, and they tell the same story, and they are not following each other chronologically. In other words there is a good guy and a bad guy in the two verses.

DANIEL 9:26	DANIEL 9:27
<p>B) And after sixty-two weeks the Anointed One shall be cut off but not for himself.</p> <p>C) And a people of the prince who shall come shall destroy the city, and the sanctuary:</p> <p>F) and the end thereof shall be with a flood,</p> <p>G) and after the end of the war the appointed desolation.</p>	<p>A) And he shall confirm the covenant with many, in one week:</p> <p>D) and in the midst of the week he shall cause the sacrifice and the oblation to cease:</p> <p>E) and there shall be in the temple the abomination of desolation:</p> <p>H) and the desolation shall continue even to the consummation, and to the end.</p>

The good guy does one thing, the Anointed One and the bad guy does two things in both verses. That's one of the reasons we know that they are parallel verses. Therefore the good guy in Daniel 9:26 is the same as the good guy in Daniel 9:27, not the Antichrist. The false prophets say the Antichrist is going to confirm the covenant and it's not. It's the good guy. It's the bad guy that comes in and breaks the covenant or I should say brings in the abomination of desolation, and I don't believe it's the Antichrist. I think the false prophets are wrong. The one who brings in destruction to Jerusalem is, "the prince who will come".

So on A) under 9:27, "**And he shall confirm the covenant with many in one week**". I believe this refers to Benjamin Netanyahu and that means for seven years is one week. Now that's not an exact length of time. It's an approximate length of time. And now we'll look at 9:26 B) "**And after sixty-two weeks, the Anointed One shall be cut off but not for himself.**"

Now I thought that it was possible that this election would be the cutting off of the Anointed One. I thank the Lord that is not what happened. This means that there is hope for the people of Israel and the nation of Israel. They did not cut him off. That doesn't mean he won't be cut off. It's very possible that "the prince who shall come" will cut him off. So let's look at what the immediate future for Israel is, now that I am convinced that Benjamin Netanyahu is the Anointed One.

So the nation of Israel must prepare for the rest of Daniel 9. And we look at C) "**And a people of the prince who shall come, shall destroy the city, and the sanctuary.**" Notice that there are two things. That's because this is the bad guy.

And in 9:27 D) we see the same bad guy, "**and in the midst of the week he shall cause the sacrifice and the oblation to cease.**" In other words he does two things. That shows you that C) and D) are related, just as we found that A) and B) are related, because the Anointed One does one thing in each of those. And I have suggested quite often that, "the prince who shall come" is Vladimir Putin. He would

fulfill that role now but I don't guarantee that. That's who Israel must be concerned with. Let's look at the rest of verses 26 and 27. Verse E) **“and there shall be in the temple the abomination of desolation”**. That is what “the prince who shall come”, he will destroy the practice of Judaism in Israel, and verse F), **“and the end shall thereof shall be with a flood.”** G) **“And after the end of the war”**, this is the Daniel 9 war, this is what Israel is facing, not the Ezekiel 38 war, **“the appointed desolation”**. H) **“And the desolation shall continue even to the consummation, and to the end.”**

So Israel is by no means out of the woods, and remember speaking of out of the woods, I believe it's in 2 Kings, the two she bears come out of the woods and attack the forty-two youths. That is a prophecy of End Times Israel. The two she-bears represent Russia and Iran in my interpretation. The forty-two represents Israel because it represents four thousand years plus two thousand years. That brings us up to the current modern nation of Israel.

So why is it that Israel may be punished? And that's because of the other covenant, the Mosaic Covenant. If they don't follow the Ten Commandments, God will abandon them and Daniel prophesied that this will happen. So let's read Daniel 9:11 and 12.

11 And all Israel have transgressed your law, and have turned away from hearing your voice, and the malediction, and the curse, which is written in the book of Moses, the servant of God, is fallen upon us, because we have sinned against him.

12 And he has confirmed his words which he spoke against us, and against our princes that judged us, that he would bring in upon us a great evil, such as never was under all the heaven, according to that which has been done in Jerusalem.

11: “And all Israel have transgressed your law, and have turned away from hearing your voice, and the malediction, and the curse, which is written in the book of Moses, the servant of God, is fallen upon us, because we have sinned against him.”

So what is the curse, the curse which is part of the covenant? The covenant is going to be confirmed, that Israel turns its back on the Ten Commandments. And all you have to do is to read that they're making Tel Aviv into another Sodom and Gomorrah. Israel has not yet stopped their gay pride parades and they have to, otherwise this destruction is going to come upon them. The good news about Netanyahu's election is that there will be 144,000 Jews who will be sealed by the two prophets Enoch and Elijah. They will be saved, and as Natan says, they will go to the Mount of Olives. So the election proves that there is a sizable minority in Israel who will survive this “prince who will come”, and bring destruction.

Let's look at verse number 12 in Daniel 9. **“And he has confirmed his words which he spoke against us, and against our princes that judged us, that he would bring in upon us a great evil, such as never was under all of heaven, according to that which has been done in Jerusalem.”**

And even though this is back in verses 11 and 12, it is explained further in 26 and 27 as we saw already. There are six End Times verses in Daniel 9. You wouldn't know that unless you understand how Daniel sealed up the prophecy and people who try to interpret Daniel without unsealing the prophecy, that's where the huge errors come in.

So now I want to read the two other verses which have to do with this End Times destruction of Jerusalem unless they repent, and Natan says they still can repent. This election is a very positive note. It shows that there are forces in Israel. I thought for sure that the Deep State would convince the Israeli people to throw out the Anointed One, but they didn't. They re-elected him. It's not exactly re-elected. He won enough seats to probably control the Parliament. I think they call it the Knesset.

So let's read Daniel 9:16 and 17 because these are very interesting verses. I call this Daniel's lament, because you can feel the passion in these two verses, and he is passionate. He is talking about End Times Israel, the nation of Israel right now today. This is what Daniel is talking about. Daniel 9 is different from all the other chapters of Daniel, because he uses the words Israel and Jerusalem in chapter number 9 I think it's 11 times, which is the same number of times he uses those two words in all the rest of Daniel put together. In other words, Daniel 9 is about the modern nation of Israel. So let's read these two verses, Daniel's lament.

16 O Lord, against all your justice: let your wrath and your indignation be turned away, I beseech you, from your city, Jerusalem, and from your holy mountain. For by reason of our sins, and the iniquities of our fathers, Jerusalem, and your people, are a reproach to all that are round about us.

17 Now, therefore, O our God, hear the supplication of your servant, and his prayers: and show your face upon your sanctuary, which is desolate, for your own sake.

So by no means does this election mean that Israel is off the hook, but it gives me a lot of encouragement that perhaps they will be able to defeat the Deep State. I'm sure Donald Trump is going to be with Benjamin Netanyahu every step of the way, and if Netanyahu had lost, it would have been a terrible disaster. So that is my take on the election.

And when did the seven years begin? Let me look at 26 and 27 again. Remember in Daniel 9:27 A) **“And he shall confirm the covenant with many in one week”**,

and then we look at D), **“and in the midst of the week he”**, that's the bad guy, **shall cause the sacrifice and the oblation to cease.”** So when did the week start, in other words the seven years? The seven years starts at the fourth blood moon. That would be four years and five months ago. In other words are we past due for the destruction of Jerusalem? Did the seven years begin at Donald Trump's Peace Plan, that date, January 28th 2020? Is that the beginning of the seven years, or is today's election the beginning of the seven years? I have a feeling that it's more likely that Benjamin Netanyahu has been confirming the covenant all along, but I could be wrong on that. It could be that the beginning of the seven years is now, either this date today or back on January 28th.

Okay I think I've covered everything I wanted to cover, so may God bless all of you and may all of you have a very blessed evening.

Prime Minister of Israel, Benjamin Netanyahu, and the President of the United States, Donald Trump
