

Book of Daniel, Chapter 11, Part 3

On this program, I want to continue with our series on the book of Daniel, chapter 11. We've already discovered that Daniel divided the 45 verses into three different sections. The first 12 verses are divided into a 4-4-4 division, the next 18 verses are separated into three 6-6-6 verse sections, and the last 15 verses are divided up into a 5-5-5 sequence. Daniel does this, in order to reveal to us who the last King of the North and the last King of the South are.

The last King of the North is the Premier of Russia. The last King of the North is not Antiochus Epiphanes, nor is he the Antichrist. He is the last great precursor of the Antichrist. And the last king at the south, will be the president of United States. I believe the last premier of Russia de facto head will be Vladimir Putin. And the last president of the United States will be Barack Obama.

As we observe, Moscow and Jerusalem and Kenya are in a straight line on the globe. Kenya, of course is where the forebears of Barack Obama came from. Now, let's take a closer look at these last five verses of chapter 11, which will give us important information about the Antichrist.

At verse 41, he says, 'and he shall enter into the glorious land and many shall fall, and these only shall be saved out of his hand, Edom and Moab and the principle children of Ammon'. Now, we know that the Antichrist will crush the entire world. So how can three obscure neighborhoods like Edom, Moab and Ammon survive the Antichrist? Edom and Moab do not even exist anymore, and although Ammon is the capital of Jordan, even then Daniel says that only the principle children will survive.

Consequently, we must look at the symbolic meanings for Edom, Moab and Ammon. There will be three religious groups who survive the Antichrist, the raptured Protestants, the protected Catholics and the converted Jews. These three groups are symbolized by Edom, Moab and Ammon. Let's look first at Ammon. Who was he? Ammon was the son, which Lot had by his eldest daughter. Therefore he represents the eldest of these three religious groups, that is, the Jews who are converted by Enoch and Elijah.

Moab was the son that Lot had by his youngest daughter. He therefore symbolizes the raptured Protestants, the youngest of these three denominations. Edom was a nickname for Esau and it means red, because Esau was a redneck. He was an outdoors man. He therefore symbolizes the Catholics, who are protected with Mary in the desert, when they flee from the Antichrist.

Now let's look at verse number 42 and 43: 'And he shall lay his hand upon the lands and the land of Egypt shall not escape.. and he shall pass through Libya and Ethiopia.' Again, we know that the Antichrist will subdue the entire world including the European Union, including Russia, America and Britain who will destroy each other in World War 3. Therefore, why does Daniel just mention three tiny nations as being subdued, by the Antichrist? Again, these three nations symbolize the entire world. We must look at their symbolic meaning.

Egypt was settled by Ham. In fact if you read Psalm 105 in your bibles, Egypt is called the land of Ham. Ethiopia was settled by Shem, another of Noah's three sons. That's why the people in Ethiopia are of Semitic origin. Japeth, the third son of Noah, went north, and his descendants travelled across Europe, and I believe they came down across the straits of Gibraltar, and some of them settled into North Africa, including Libya. Therefore these three nations, Libya, Ethiopia and Egypt were settled by the three sons of Noah, Shem, Ham and Japeth and therefore they represent all the people of the world, because all the people of the world are descended from Noah.

And now let's look at verse 44. 'And tidings out of the east and out of the north shall trouble him'. Other bible scholars completely misinterpret this passage. They think that Russia is going to invade Israel. No, that's not true. The tidings out of the east refer to a comet, the End Times comet, which will strike the planet. I believe this is the same as the star of Bethlehem, which announced Jesus' first coming. This is one of the signs in the sun, moon and stars of the End Times.

The tidings out of the north, which trouble the Antichrist, refer to signs from Magiddo, where the battle of Armageddon will take place. Magiddo is due north of Jerusalem. These are the two things which trouble the Antichrist the most, because he knows that his time is short. These are the two chastisements which will end his short reign upon Earth.

In verse 45, Daniel writes about the Antichrist, 'and he shall fix his tabernacle Apadno between the seas, upon a glorious and holy mountain.' Apadno, in this case, refers to his palace or tent, which he sets up. But, of course, it is more than that. This is symbolic. It's not a temple, as a lot of bible scholars believe. This is the Roman Catholic Church, which the False Prophet will move from Rome to Jerusalem, along with the Antichrist.

When the Antichrist moves his capital from Rome to Jerusalem, the three capitals of the One World Communist beast, which rule the Earth in the end times, begin in Moscow, then move to Rome and finally to Jerusalem. The Vatican will be crushed by the Gentiles, as Saint John writes, and the Vatican will move to Jerusalem. This is the temple Apadno, which Daniel is talking about.

Now, all these prophecies about the Antichrist are interesting, but they should not be our main concern. We should be much more concerned for the last King of the North and the last King of the South, because World War 3 is in our immediate future; the beginning of sorrows as Jesus says in the Olivet Discourse begin with World War 3, 'wars and rumors of war'.

And the beginning of the Tribulation is not when a supposed covenant is signed with the Jews and the Antichrist. The beginning of sorrows, the beginning of the Tribulation period, is marked by World War 3. That is the next event on the prophetic calendar. That is what we must prepare for. That is why we must go out of the Whore of Babylon, which is our own decadent Western Culture, if we are going to survive the plagues which fall upon Babylon / United States / Britain, then we must go out from her. That concludes our series on Daniel chapter 11.
