

Shocking Prophecy! What Will Happen on 23rd Sept 2017

This will be part four in my series on the amazing End Times prophecies as found in Micah, chapter number 5, because in that chapter he explains what will happen on the date of the Great Sign, in other words on September 23rd, 2017.

This Great Sign is found in the book of Revelation, but John does not seem to tell us what will happen on that date, rather he gives the clues to that date. That is the purpose, I believe of the Great Sign, and one of the reasons I insist on being recognized as the discoverer of this date of the Great Sign, which is the truth in any case, is because it also gets credence to my interpretation of the Great Sign, especially of the prophecies as found here in Micah, chapter number 5. And one of the things the false prophets are saying is that this date of September 23rd will be the date for the Rapture and that goes against everything Jesus said about the Rapture. He said He will come **'like a thief in the night'**, in other words, it's going to be a huge surprise. He will come like a bridegroom for the bride at midnight and He says that both the wise and the foolish virgins will be asleep; they will be surprised. In fact, it reflects the whole Hebrew marriage custom in which the bride and the groom got married but then they separated and the bride never knew when the groom was going to arrive and take her to their new home. And, in fact, I suggest that if you consider this to be the date for the Rapture, you are one of those who will not be raptured.

And I don't claim to know everything about these End Times. I was surprised when others suggested that Isaiah 45 is about Donald Trump, for instance. But when I do make a discovery, I'm sure the Lord

revealed this day to me in order to verify, as I say, my interpretation. So what does Micah say will happen on this date? First of all, we know from previous programs that this is the day that Donald Trump will convert to Catholicism. Number two: we know that his brethren will convert to Catholicism on this date. And we're going to find out today that Micah says that the cities of Israel will be destroyed on this date (1). And in order to understand that, we need to go look at the Woman in the book of Revelation. Now, I've always said that this Woman cannot be Israel because her seed have the testimony of Jesus Christ. But I've also always said that this Woman has more than one manifestation. Certainly the Woman, whose seed have the testimony of Jesus Christ, cannot be Israel because that must be the remnant Catholic Church. Nor can the Woman who flees into the desert be Israel because the remnant of Judah flee into the mountains, as Jesus prophesied in the Olivet Discourse. Nor can the woman who gives birth to the son who is destined to rule all nations with a rod of iron be Israel; that can only refer to Mary.

But, what about the Woman in travail? Now, I believe that does refer to the nation of Israel and Micah is saying that this Woman, her travail, will either begin or culminate on this date (2). So, first of all, let's review Micah's prophecy chart because this is how he sealed up his prophecy and we have to rearrange the verses very much the same way as in Daniel and Isaiah and Ezekiel.

And when you rearrange these verses you find out that the first three verses are in an arrangement of 1, 5 and 3, which is identical to Isaiah, chapter number 45. In fact, these two chapters, Isaiah 45 and Micah 5, are related: they are both about Donald Trump in these End Times (3). And, as I say, that's a Rosary number and when you rearrange these verses they themselves tell us that Mary's Rosary, once again, is the weapon Jesus will use to defeat the Antichrist.

But first, let's begin by reviewing Micah's chapter number 5, verse number 3: **'Therefore will he** (now 'he' in the End Times refers to Donald Trump, just as in Isaiah 45, although in the near time fulfillment this was Jesus Christ) **give them up even till the time** (what time? this is the only instance where the word 'time' is found in this chapter. This 'time' can only be 9/23/17, this fall, and what occurs at this time?) **wherein she that travails** (this is one of the manifestations of the

Woman in the book of Revelation, the manifestation that refers to the woman as Israel) **shall bring forth and the remnant of his brethren** (this is Donald Trump's Protestant brethren) **shall be converted to the children of Israel.**' And the 'children of Israel' is Micah's code word for the remnant Catholic Church, not the Roman Catholic Church. We found out earlier here in Micah that the remnant Catholic Church is called the 'daughter of the robber' and this robber can only be the Roman Catholic Church as taken over by the False Prophet, Pope Francis, and the 'children of Israel' is the same as the 'elect of Israel' in Isaiah 45.

So now, let's look at the next verse, verse number 7: **'And the remnant of Jacob** (okay, this must be a new group. This is not the 'children of Israel' even though Israel and Jacob were the same person in the Old Testament. This is Micah's code word, the same as Isaiah, for the remnant of the Jews in these End Times) **shall be in the midst of many peoples** (of course, that prophecy is fulfilled right now; and for 2,000 years the Jews have been in the midst of many peoples. And now God says something very kindly about these Jews. God is no anti-Semite, I warn you people) **as a dew from the Lord and as drops upon the grass** (Almighty God is telling us through the prophet Micah that the End Times remnant of Jacob, the Jews who are scattered throughout the world, are a blessing upon society; that's very good for us to remember in these End Times) **which waits not for man nor tarries for the children of men**'. The scattering of Jews is on God's time not man's time.

And verse number 10: **'And it shall come to pass in that day** (what day? That day must be 23rd Sept 2017. That's the only day that we are talking about here. This refers back to the 'time' which Micah spoke about in verse number 3. In your Bibles, as currently printed, verse number 10 is separated from verse number 3 by seven different verses and you wouldn't know what day Micah is talking about. But with the rearranged verses, as found on Micah's chart, we know that it must be that time when the Woman is in travail, in other words, September 23rd, when the Great Sign is found in the constellations) **'says the Lord, that I will take away your horses out of the midst of you and will destroy your chariots**'. Who is God referring to here: 'your horses and your chariots'? This must refer back to the remnant of Jacob and yet God has just told us very kind words about the remnant of Jacob; they are a 'dew from heaven'. But the remnant of Jacob, the Jews in these End Times, do have a nation that they look to, that they

are related to, and that's the nation of Israel. That's the only entity in this passage Micah must be talking about.

Verse number 13: **'And I will pluck up your groves out of the midst of you** (another negative comment about the remnant of Jacob, or is He talking about the nation of Israel?) **and will crush your cities.'** This reminds me of John in the book of Revelation where he says Jerusalem in the End Times is a Sodom and an Egypt. And, of course, Israel spends hundreds of millions of dollars to promote Tel Aviv as the gay capital of the world; and also they have legalized abortion. Maybe that is what is meant by the 'groves', though in the near time fulfillment the groves represented paganism in Israel which God opposed back then, but in these End Times, I suspect the groves are abortion clinics. So it's very interesting here that Micah is separating the remnant of Jews in the End Times, that is the remnant of Jacob, from the nation of Israel in very much the same way that he separated the remnant Catholic Church from the 'robber', that is the Roman Catholic Church. In these End Times both the Jews and Catholics will separate into saved groups and condemned groups. Just this week, Michael Voris reported that Notre Dame will not invite Donald Trump to their commencement address.

<https://www.churchmilitant.com/news/article/trump-not-invited-to-notre-dame-commencement-ceremony>

This is very unusual. I think that for over 30 years they've always invited the President to address the graduates at Notre Dame University. Thus Notre Dame proves it is part of the taken over Catholic Church, the Church of the False Prophet.

Now, I want to show you how Micah's prophecy here about Israel lines up with Daniel, chapter 9, verse numbers 11 and 12 (not 26 and 27, but 11 and 12). And I'll read for you just verse 11: **'And all Israel have transgressed thy law and have turned away from hearing thy voice and the malediction and the curse, which is written in the book of Moses the servant of God, is fallen upon us because we have sinned against him'**. Notice God does not say this punishment of Israel is going to come from the nations around her, let's say Iran or Russia. This is God's punishment: **'I will destroy your cities'**. I think this is very important; that's what's going to happen on September 23rd and it's important to know that because there's not going to be any self-fulfilling of the prophecy, in other words, mankind is not going to do

something on September the 23rd just to fulfill the prophecy. God is telling us here in Micah and in Daniel chapter number 9, verse 11, that He is the one who is going to do this punishing.

And so, in conclusion, I told you what Micah has prophesied; those are the facts. I've given you my interpretation and I told you why I believe that's valid and now I want to do some speculation: could it be that this conversion of Donald Trump and his Protestant brethren to Catholicism, is that related to the destruction of the cities of Israel? Could it be, for example, this is just a possibility, maybe God is going to send an asteroid that destroys those cities. That would certainly wake up Donald Trump and his Protestant brethren, especially since it would verify exactly this date of September the 23rd, 2017. But, what are your suggestions? I think there are many possibilities and, as I say, I am separating my suggestions from my interpretations and from what Micah is prophesying. So I report and I let you decide!

1) It's beginning to look as if the Great Sign on 23rd Sept /2017 was mainly a harbinger of these End Times events. Of course it's possible we will eventually be told that DJT began his conversion process on that date.

2) The travail could also refer to Mary's sufferings at the foot the cross instead of Israel.

3) I have since discovered the verses of these two chapters can be rearranged into one chapter for even greater understanding.
