

Trump's Peace Plan – Pt. 10 Israel-Sudan Peace Treaty in Bible Prophecy

Just a few minutes ago I watched Benjamin Netanyahu's announcement of a peace treaty in the Middle East between Israel and the Sudan, and this is part of President Trump's overall Middle East peace initiative, and he seems to be

Israeli Prime Minister , Benjamin Netanyahu

succeeding. I can't think of anything that President Trump does not succeed at, and I watched his announcement earlier and everything he's doing certainly ought to gain him the election between the debate last night in which he crushed Joe Biden and the rallies that he is holding and the upcoming confirmation of Amy Coney Barrett to the Supreme Court. Donald Trump is riding high and so is Benjamin Netanyahu.

But there is a cloud to the silver lining and that's because Bible prophecy is being fulfilled with this peace treaty in the Middle East and the false prophets will tell you that it is the fulfilment of Daniel 9:26 and 27 and it is, but they do not understand Daniel 9:26 and 27. And I have explained those two verses many times on this channel but I will do it one more time, because there are current events occurring all the time which relate to this peace treaty or confirmation of a covenant. And what the false prophets say is that the Antichrist confirms a covenant with Israel in the End Times and **that** is false. It is the good guy and let me show you Daniel 9:26 and 27 and I will explain it to you, both the near time fulfillment which had to do with our Lord Jesus Christ, and the end time fulfillment which has to do with the modern nation of Israel.

So let's take a look at Daniel 9:26 and 9:27 and I will read these verses. Actually there are only two verses, but I will read them in a little different sequence, because they are not in chronological order. They are parallel verses and that is the key to understanding the prophecy. Not only are they parallel verses, but there are four elements in each verse, and each verse is parallel to the other, and I believe I will read them in the correct sequence. I've put a letter beside each of the four sections to make the reading a little bit easier and I believe more pertinent.

So let's begin with the first part of Daniel 9 27 which is, "**And he shall confirm the covenant with many, in one week**". As I say, the false prophets say this is the Antichrist and that's because they believe 9 27 follows 9:26, and as you can see in this case, it actually comes before 9:26. The "he" in the near time fulfillment was our Lord Jesus Christ. The covenant He confirmed was the Messianic Covenant. The "many" were the Jews who accepted Him and many did, and the "one week" is a reference to Daniel's 70 week prophecy. And this section of Daniel 9 27, part A) as I have labelled it, is followed by part B) in Daniel 9:26 referring to the same person, in this case the Anointed One.

DANIEL 9:26	DANIEL 9:27
<p>B) And after sixty-two weeks the Anointed One shall be cut off but not for himself.</p> <p>C) And a people of the prince who shall come shall destroy the city, and the sanctuary:</p> <p>F) and the end thereof shall be with a flood,</p> <p>G) and after the end of the war the appointed desolation.</p>	<p>A) And he shall confirm the covenant with many, in one week:</p> <p>D) and in the midst of the week he shall cause the sacrifice and the oblation to cease:</p> <p>E) and there shall be in the temple the abomination of desolation:</p> <p>H) and the desolation shall continue even to the consummation, and to the end.</p>

B) **“And after sixty-two weeks the Anointed One,”** that would be Jesus, **“shall be cut off but not for himself.”** And of course this was fulfilled; an amazing prophecy by Daniel, 2500 years ago. Jesus was cut off. He was crucified, not for Himself but for all of humanity. And therefore, part A) and part B) refer to the same general event. In the End Times of course it's different. B) is followed by C) in Daniel 9:26 and this is the bad news. Notice by the way that the Anointed One in A) and B) did one thing. The bad guy who comes up on the scene does two evil things, and he is also a prefigure of an End Times evil person, just as the Anointed One in the first part of 9:26 and 27 is a pre-figure of someone in these End Times.

So let's read part C) of verse 26. **“And a people of the prince who shall come shall destroy the city, and the sanctuary”**. And D) tells the same story, **“And in the midst of the week he shall cause the sacrifice and the oblation to cease.”** The bad guy was the Roman General Titus. He destroyed the city of Jerusalem in 70 AD; another amazing prophecy from Daniel which came true. I believe the reason much End Times prophecy from Daniel and others has a dual prophecy is so that we know that the End Times prophecy will come true also, because the near time fulfillment, in other words nearer to Daniel's time was so accurate.

So now let's read part E) of verse 9 27. **“And there shall be in the temple the abomination of desolation.”** Our Lord warned about the abomination of desolation in the Olivet Discourse and He refers to four responses to the AOD, and that's because there are four different abominations of desolation. One refers to the Jews. That's this one. The abomination of desolation is when the Roman General Titus destroyed the practice of Judaism in Jerusalem and in all of Israel. This won't have any fulfillment in the End Times also.

Let's look at part F) also referring to the abomination of desolation, the same story. **“And the end thereof shall be with a flood.”** This tells us that this abomination of desolation will be very immediate, very sudden and very complete.

And now we look at G); **“and after the end of the war”**, which war is this by the way? The false prophets keep telling you that the Ezekiel 38 war is upcoming in the Middle East. That is another lie from the pit of Hell. The war coming up is this war, the Daniel 9 war, and of course the big difference is that Israel loses this war. **“And after the end of the war the appointed desolation.”**

And part H) **“and the desolation shall continue even to the consummation, and to the end.”** And it did. The desolation of the temple in Jerusalem has not been rebuilt. By the way the false prophets tell you that the third temple will be rebuilt. That is another lie from the false prophets, and as we can see from Daniel the desolation continues to the very end. There will be no third temple. So now let's read these two verses as they may or will come true in these End Times.

And who is the good guy? Who is the bad guy? And I showed you a picture of Benjamin Netanyahu at the beginning of this program as part of the team or as part of one of the participants in this peace treaty between Sudan and Israel, and I believe he is the Anointed One. At least I have said that for quite a while on here. Could it be that Donald Trump is the Anointed One? In any case let's see how the prophecy fits the current leader or Anointed One.

A) **“And he shall confirm the covenant with many in one week.”** Well this is not the Messianic Covenant of course. In the End Times I believe Benjamin Netanyahu is confirming the Abrahamic Covenant in which the land of Canaan was given to the Jewish people in perpetuity for all time. That is the covenant he is confirming, and he is bringing peace and security to Israel. Unfortunately that will change.

And part B) **“And after sixty-two weeks the Anointed One”**; is this Benjamin Netanyahu? **“shall be cut off but not for himself.”** Now as you can see Daniel uses a phrase like, “cut off”, rather than let's say crucified or killed or murdered, because maybe the “cut off” is a political cutting off. I'm not sure and I'm not sure if the Anointed One is Benjamin Netanyahu. It could be, as I say, Donald Trump, but there are obviously clouds on this silver lining.

Let's look at C). **“And a people of the prince who shall come, shall destroy the city and the sanctuary.”** Uh-oh, the false prophets aren't telling you about this. Who is the prince who shall come who will destroy the city and the sanctuary in these End Times? I have suggested all along it's Vladimir Putin. It could be Recep Erdoğan. It could be the leader of Iran. I'm not sure about that, but this is the bad news that Israel and the United States must understand. It follows according to Daniel's prophecy, and Daniel's prophecy was right in the near time fulfillment and he's going to be correct in the End Times fulfillment also.

Let's look at D); **“and in the midst of the week he shall cause the sacrifice and the oblation to cease.”** A lot of the false prophets will tell you that the Antichrist starts up a ritual animal sacrifice in a third temple in Jerusalem. That's all phony

baloney. I think this means that Judaism will not be allowed to be practiced in Jerusalem and of course if the invading force is an Islamic force, they would enforce Sharia law. They would not allow the Jews to govern themselves, and that is a consequence of the nation of Israel not following the Ten Commandments as we learned from Jeremiah 34 and as we learned from the Jewish teenager Natan. So let's look at E); **“and there shall be in the temple the abomination of desolation.** Well that's exactly what happened with the Roman General Titus.

F) **“and the end thereof shall be with a flood.”** In other words this upcoming Daniel 9 war is going to be sudden and complete.

G) **“and after the end of the war, the appointed desolation.”** There will be desolation in all of Israel.

H) **“and the desolation shall continue even to the consummation, and to the end.”** So Daniel not only warned the people of our Lord's time, and many of them did save themselves, because they understood this prophecy, but he's warning the Jews particularly in these End Times that this prophecy has to do with them. The prophecy was fulfilled to the letter 2,000 years ago and it will be fulfilled to the letter in these End Times.

So I'm warning President Trump and Benjamin Netanyahu, you are doing a wonderful thing by bringing peace to the Middle East. Unfortunately neither the United States nor Israel are worthy of this peace. And unless repentance comes to Israel and the United States, the “prince who shall come” will destroy this peace treaty that we have seen just today between Sudan and Israel, and before that we saw it between the United Arab Emirates and Israel.

This peace treaty will be destroyed and that is what I'm here to warn you about today. The good news must be followed by bad news, and I'm not saying that but the prophet Daniel says that.
